

# West Park Elementary School District

## Board Policy

### Student Wellness

BP 5030

#### Students

The Governing Board recognizes the link between student health and learning and desires to provide a comprehensive program promoting healthy eating and physical activity for district students. The Superintendent or designee shall build a coordinated school health system that supports and reinforces health literacy through health education, physical education and activity, health services, nutrition services, psychological and counseling services, health promotion for staff, a safe and healthy school environment, and parent/guardian and community involvement.

- (cf. 3513.3 - Tobacco-Free Schools)
- (cf. 3514 - Environmental Safety)
- (cf. 3555 - Nutrition Program Compliance)
- (cf. 5131.6 - Alcohol and Other Drugs)
- (cf. 5131.61 - Drug Testing)
- (cf. 5131.62 - Tobacco)
- (cf. 5131.63 - Steroids)
- (cf. 5141 - Health Care and Emergencies)
- (cf. 5141.22 - Infectious Diseases)
- (cf. 5141.3 - Health Examinations)
- (cf. 5141.31 - Immunizations)
- (cf. 5141.32 - Health Screening for School Entry)
- (cf. 5141.6 - School Health Services)
- (cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Education)
- (cf. 6164.2 - Guidance/Counseling Services)

To encourage consistent health messages between the home and school environment, the Superintendent or designee may disseminate health information and/or the district's student wellness policy to parents/guardians through district or school newsletters, handouts, parent/guardian meetings, district and school web sites, and other communications. Outreach to parents/guardians shall emphasize the relationship between student health and academic performance.

- (cf. 1100 - Communication with the Public)
- (cf. 1112 - Media Relations)
- (cf. 1113 - District and School Web Sites)
- (cf. 1114 - District-Sponsored Social Media)
- (cf. 6020 - Parent Involvement)

## School Health Council/Committee

The Superintendent or designee shall permit parents/guardians, students, food service employees, physical education teachers, school health professionals, Board members, school administrators, and members of the public to participate in the development, implementation, and periodic review and update of the district's student wellness policy. (42 USC 1758b)

To fulfill this requirement, the Superintendent or designee may appoint a school health council or other district committee whose membership shall include representatives of these groups. He/she also may invite participation of other groups or individuals, such as health educators, curriculum directors, counselors, before- and after-school program staff, health practitioners, and/or others interested in school health issues.

(cf. 1220 - Citizen Advisory Committees)  
(cf. 9140 - Board Representatives)

The school safety, health council or health committee or existing committee accepting or appointed to the health review task shall advise the district on health-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the duties of the council/committee may also include the planning, implementation, and evaluation of activities to promote health within the school or community.

## Nutrition and Physical Activity Goals

The Board shall adopt goals for nutrition promotion and education, physical activity, and other school-based activities that promote student wellness. (42 USC 1758b)

(cf. 0000 - Vision)  
(cf. 0200 - Goals for the School District)

The district's nutrition education and physical education programs shall be based on research, consistent with the expectations established in the state's curriculum frameworks and content standards, and designed to build the skills and knowledge that all students need to maintain a healthy lifestyle.

(cf. 6011 - Academic Standards)  
(cf. 6143 - Courses of Study)

Nutrition education shall be provided as part of the health education program and, as appropriate, shall be integrated into other academic subjects in the regular educational program. Nutrition education also may be offered through before- and after-school programs.

(cf. 5148.2 - Before/After School Programs)

(cf. 6142.8 - Comprehensive Health Education)

The Board prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machine fronts, logos, scoreboards, school supplies, advertisements in school publications, coupon or incentive programs, free give-aways, or other means.

(cf. 1325 - Advertising and Promotion)

All students shall be provided opportunities to be physically active on a regular basis. Opportunities for moderate to vigorous physical activity shall be provided through physical education and recess and may also be provided through school athletic programs, extracurricular programs, before- and after-school programs, programs encouraging students to walk or bicycle to and from school, in-class physical activity breaks, and other structured and unstructured activities.

(cf. 5142.2 - Safe Routes to School Program)

(cf. 6142.7 - Physical Education and Activity)

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

The Board may enter into a joint use agreement to make district facilities or grounds available for recreational or sports activities outside the school day and/or to use community facilities to expand students' access to opportunity for physical activity.

(cf. 1330.1 - Joint Use Agreements)

The Superintendent or designee shall encourage staff to serve as positive role models for healthy eating and physical fitness. He/she shall promote work-site wellness and may provide opportunities for regular physical activity among employees. Professional development may include instructional strategies that assess health knowledge and skills and promote healthy behaviors.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

#### Nutritional Guidelines for Foods Available at School

For all foods available on each campus during the school day, the district shall adopt nutritional guidelines which are consistent with 42 USC 1773 and 1779 and support the objectives of promoting student health and reducing childhood obesity. (42 USC 1758b)

The Board believes that foods and beverages available to students at district schools should support the health curriculum and promote optimal health, taking into consideration the needs of students with special dietary needs. Nutritional standards adopted by the district for all foods

and beverages sold to students, including foods and beverages provided through the district's food service program, student stores, vending machines, or other venues, shall meet or exceed state and federal nutritional standards.

(cf. 3312 - Contracts)  
(cf. 3550 - Food Service/Child Nutrition Program)  
(cf. 3554 - Other Food Sales)  
(cf. 5141.27 - Food Allergies/Special Dietary Needs)  
(cf. 5148 - Child Care and Development)  
(cf. 5148.3 - Preschool/Early Childhood Education)

In order to maximize the district's ability to provide nutritious meals and snacks, all district schools shall participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs and after-school snack programs, to the extent possible. When approved by the California Department of Education, the district may sponsor a summer meal program.

(cf. 3552 - Summer Meal Program)  
(cf. 3553 - Free and Reduced Price Meals)

The Superintendent or designee shall encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also shall encourage school staff to avoid the use of non-nutritious foods as a reward for students' academic performance, accomplishments, or classroom behavior.

(cf. 1230 - School-Connected Organizations)

School staff shall encourage parents/guardians or other volunteers to support the district's nutrition education program by considering nutritional quality when selecting any snacks which they may donate for occasional class parties. Class parties or celebrations shall be held after the lunch period when possible.

#### Program Implementation and Evaluation

The Superintendent shall designate one or more district or school employees, as appropriate, to ensure that each school site complies with this policy. (42 USC 1758b)

(cf. 0500 - Accountability)  
(cf. 3555 - Nutrition Program Compliance)

The Superintendent or designee shall inform and update the public, including parents/guardians, students, and others in the community, about the contents and implementation of this policy. He/she shall periodically measure and make available to the public an assessment of the extent to which district schools are in compliance with this policy, the extent to which this policy compares to model wellness policies available from the U.S. Department of Agriculture, and a

description of the progress made in attaining the goals of the wellness policy. (42 USC 1758b)

To determine whether the policy is being effectively implemented districtwide and at each district school, the following indicators shall be used:

1. Descriptions of the district's nutrition education, physical education, and health education curricula by grade level
2. Number of minutes of physical education instruction offered at each grade span
3. Number and type of exemptions granted from physical education
4. Results of the state's physical fitness test
5. An analysis of the nutritional content of meals served based on a sample of menus
6. Student participation rates in school meal programs, compared to percentage of students eligible for free and reduced-price meals
7. Number of sales of non-nutritious foods and beverages in fundraisers or other venues outside of the district's meal programs
8. Feedback from food service personnel, school administrators, the school health council, parents/guardians, students, teachers, before- and after-school program staff, and/or other appropriate persons
9. Any other indicators recommended by the Superintendent and approved by the Board

#### Posting Requirements

Each school shall post the district's policies and regulations on nutrition and physical activity in public view within all school cafeterias or in other central eating areas. (Education Code 49432)

Each school shall also post a summary of nutrition and physical activity laws and regulations prepared by the California Department of Education.

# WEST PARK ELEMENTARY SCHOOL DISTRICT

## Board Policy

### Nutrition Program Compliance

BP 3555

#### Business and Noninstructional Operations

The Governing Board recognizes the district's responsibility to comply with state and federal nondiscrimination laws as they apply to the district's nutrition programs. The district shall not deny any individual the benefits or service of any nutrition program or discriminate against him/her because of his/her race, color, national origin, gender, sex, sexual orientation, disability, or any other basis prohibited by law, in its implementation of such a program.

(cf. 0410 - Nondiscrimination in District Programs and Activities)  
(cf. 3550 - Food Service/Child Nutrition Program)  
(cf. 3552 - Summer Meal Program)  
(cf. 3553 - Free and Reduced Price Meals)  
(cf. 5030 - Student Wellness)

Coordinator(s) as assigned by the Superintendent or designee.

The Board designates the compliance officer specified in AR 1312.3 - Uniform Complaint Procedures as Coordinator(s) of the district's efforts to comply with the laws governing its nutrition programs and to investigate any related complaints. Any complaint concerning the district's nutrition programs shall be investigated using the process identified in the section entitled "Procedures" in the district's AR 1312.3 - Uniform Complaint Procedures.

(cf. 1312.3 - Uniform Complaint Procedures)

The Coordinator(s) shall provide training on the laws, regulations, procedures, and directives related to the district's nutrition programs to district employees involved in administering them. The Coordinator(s) also shall develop procedures and systems that do not restrict the participation of individuals in the district's nutrition programs, based on their race, ethnicity, or disability, and that prevent district employees from incorrectly denying the applications for participation submitted by such individuals.

The Coordinator(s) shall develop and maintain a system for collecting racial and ethnic data of participants in the district's nutrition programs and shall, at least annually, report to the Board on whether the district's nutrition programs are effectively reaching eligible individuals and whether and where additional outreach may be needed.

(cf. 5022 - Students and Family Privacy Rights)  
(cf. 5125 - Student Records)

When a significant number of participants or potential participants in the district's nutrition programs are only non-English speakers, the Coordinator(s) shall make an appropriate language translation available.

(cf. 5020 - Parent Rights and Responsibilities)  
(cf. 6020 - Parent Involvement)  
(cf. 6174 - English Language Learners)

The Coordinator(s) also shall ensure that the district's nutrition programs accommodate the special dietary needs of any individual with a disability who has on file a medical statement that restricts his/her diet because of his/her disability.

(cf. 5141.27 - Food Allergies/Special Dietary Needs)  
(cf. 6159 - Individualized Education Program)  
(cf. 6164.6 - Identification and Education Under Section 504)

#### Notifications

The Coordinator(s) shall ensure that the U.S. Department of Agriculture's "And Justice for All" or other approved Nutrition Programs Civil Rights posters are displayed in areas visible to the district's nutrition program participants, such as food service areas and school offices.

Annually, the Coordinator(s) shall notify all students, parents/guardians, and employees of program requirements and the procedures for filing a complaint, through the district's usual means of notification.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)  
(cf. 5145.6 - Parental Notifications)

In addition, the Coordinator(s) shall ensure that every informational release, publication, or poster concerning the district's nutrition programs and/or activities includes, in a prominent location, the following statement:

"In accordance with federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion, political beliefs, or disability. In addition, California law prohibits discrimination on any basis identified in Government Code 12940.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer."

However, if the document is no more than one page and there is no room to print the full nondiscrimination statement, the district may instead use the statement "This institution is an equal opportunity provider" in the same print size as the rest of the text.
