A Caterpillar Grows Up

Can you finish the rhyme?

This caterpillar crawls.

It slowly inches by.

But soon it will grow up and change—
into a _____.

From Egg to Butterfly

Egg

A caterpillar starts in an egg. Do you think it can fly yet? **Yes No**

Caterpillar

The caterpillar hatches from the egg. Do you think it can fly yet? **Yes No**

Chrysalis

The caterpillar turns into a chrysalis. Do you think it can fly yet? **Yes No**

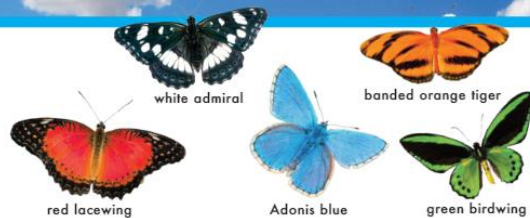

Butterfly

A butterfly comes out. It has wings. Do you think it can fly yet? **YES!**

Do All Butterflies Look the Same?

No! Butterflies can be many colors and patterns. Which is your favorite?

Move and Learn
Can you fly like a butterfly?
