My Weekly Reader

**Would  
You  
Munch  
a Plant  
for  
Lunch?**

Animals think  
plant parts  
are yummy!  
What part  
of the plant  
is this giraffe  
eating?

Read-Along Issue

Let's Practice Reading

Munch, munch, plant parts for lunch!

# Munch, Munch, Plant Parts for Lunch!

Munch, munch, plant parts for lunch! This panda eats a **stem**.

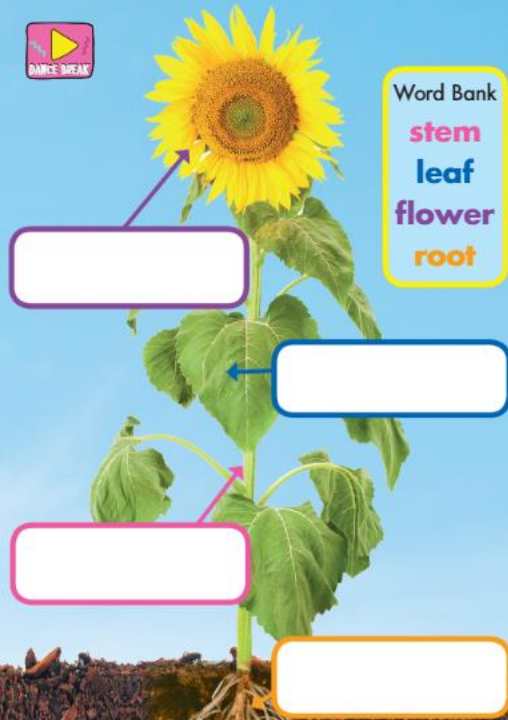

Munch, munch, plant parts for lunch! This donkey eats a **root**.

Munch, munch, plant parts for lunch! This koala eats a **leaf**.

Munch, munch, plant parts for lunch! This rabbit eats a **flower**.

## Parts of a Sunflower

Write labels to show each part of the plant. Use words from the Word Bank.

# Graph the Garden

Count the vegetables growing in the garden.  
Color the graph to show how many there are of each.  
Click one box for each vegetable.

## Garden Graph

type of plant

 lettuce	1	2	3	4
 carrot	1	2	3	4
 tomato	1	2	3	4
 radish	1	2	3	4

number of vegetables

**If You See  
a Spring Flower . . .**

*you might bend down to sniff it.*

If you bend down to sniff the flower, you might see a **worm** on the ground.

If a worm is on the ground, a **bird** might hop over and snatch it up.

If a bird snatches up the worm, it might fly to its **nest** and feed its chicks.

If you look up to see it feed its chicks, you might see more spring flowers!

## BIG WORD bloom

In spring, flowers **bloom**. That means they grow and open up. Here are some of the first flowers to bloom in spring.

daffodil

crocus

tulip

Oh!  
I hear my chicks peeping! They must be hungry. Can you peep like chicks?

## Say It, Spell It, Write It

Say the name of the picture. Click the letters to spell it.  
 Then type the word. We did the first letter for you.  
 Hint: The words are in the magazine. Each word has 4 letters.

Say It	Spell It	Write It
	v i c b r d	_____
	w r g o x m	_____
	o m n e s t	_____

**BONUS:** This word has 5 letters.

	b o m t l r o g	_____
