The Governing Board recognizes that district administration performs essential roles and functions in support of student learning, including the provision of instructional support and services to schools as well as the responsible management of noninstructional operations. The Superintendent or designee may make decisions concerning district operations within the parameters of law and Board policy.

The Superintendent shall provide leadership in developing administrative regulations and organizational structures, decision-making processes, and staff action plans that allow the district to fulfill its vision and goals. The Board also expects the Superintendent to help shape the culture and environment of the district in a manner that focuses district operations on enhancing student achievement, encourages positive relationships within the community, and instills confidence in district schools.

The Board and Superintendent shall work together as a team in the exercise of district governance. The Board and Superintendent shall establish protocols that describe how the governance team will operate, including, but not limited to, agreements regarding Board meeting operations and communications between the Superintendent and the Board.

Because the Superintendent is the only district employee who is directly selected and evaluated by the Board, the Board has a responsibility to ensure that the Superintendent possesses the skills and attributes that best meet the needs of the district.

The Board and Superintendent shall agree upon a system for evaluating the Superintendent, including the evaluation criteria, method, evaluation instrument, process, and timeline.

The Superintendent may delegate to other district staff any duties imposed upon him/her by the Board. This delegation shall not relieve the Superintendent of responsibility for actions taken by his/her designees.

The Governing Board recognizes that it has a direct responsibility to select and employ the Superintendent. Whenever it becomes necessary for the Board to fill a vacancy in the position of Superintendent, the Board shall work diligently to employ a person whose management and leadership abilities are most closely aligned with district needs.

The Board shall establish and implement a search and selection process that includes consideration of:

1. The district's current and long-term needs, including a review of the district's vision and goals
2. The desired characteristics of a new Superintendent, including professional experience, educational qualifications, leadership characteristics, philosophy of education, and other management, technical, interpersonal and conceptual skills, as well as the priorities the Board wants to place on different abilities, traits and levels of knowledge
3. The scope of the search, including whether to promote from within the district or broaden the search to include both internal and external candidates and, if external candidates will be considered, whether to conduct a statewide or nationwide search
4. The salary range and benefits to be offered
5. Basic elements to be included in the Superintendent's contract
6. Whether to hire a professional adviser to facilitate the process
7. How and when to involve the community in certain phases of the selection process
8. The best methods for advertising the vacancy and recruiting qualified candidates
9. The process for screening applications and determining how the screener(s) will be selected
10. Interview questions, processes and participants
11. How and when candidates' qualifications will be verified through reference checks
12. Other actions necessary to ensure a fair selection process and a smooth transition to new leadership

Even if a professional adviser is used to facilitate the process, the Board shall retain the right and responsibility to oversee the process and to review all applications if desired.

The Board shall select candidates to be interviewed based on recommendations of the screener(s) and the Board's own assessment of how candidates meet the criteria established by the Board.

The Board shall interview preliminary and final candidates in closed session and determine the most likely match for the district. (Government Code 54957)

The selected candidate shall hold both a valid school administration certificate and a valid teacher's certificate. The Board may waive any credential requirement, but shall not employ a person whose credential has been revoked by the Commission on Teacher Credentialing pursuant to Education Code 44421-44427. (Education Code 35028, 35029, 35029.1)

Before offering the position to the selected candidate or making any announcements, Board members may visit that candidate's current district, as appropriate, to obtain verification of his/her qualifications.

The Board shall deliberate in closed session to affirm the selection of the candidate and shall report the selection in open session. (Government Code 54957)

The Board shall conduct these proceedings in accordance with legal and ethical obligations regarding confidentiality

and equal opportunity.

As necessary, the Board may appoint an interim superintendent to manage the district during the selection process.

Policy 2121: Superintendent's Contract

Status: ADOPTED

Original Adopted Date: 08/14/2017 | **Last Revised Date:** 09/11/2023 | **Last Reviewed Date:** 09/11/2023

The Governing Board believes that the Superintendent's employment contract should outline the framework through which the Board and Superintendent will work together as a governance team to achieve district goals and objectives. When approving the Superintendent's employment contract, the Board shall consider the value of stability in district administration, the best use of district resources, and the Board's duty to ensure accountability to the public for the performance of the district's schools.

The contract shall be reviewed by the district's legal counsel and may include the following:

1. Term of the contract, which shall be for no more than four years pursuant to Education Code 35031
2. Length of the work year and hours of work
3. Salary, health and welfare benefits, and other compensation for the position, including a statement that any subsequent increase in the Superintendent's salary shall be at the sole discretion of the Board
4. Reimbursement of work-related expenses, including mileage reimbursement, consistent with Board policies, regulations, and guidelines applicable to other professional administrative staff

The contract may also address payment for professional dues and activities, the district's provision of cell phones or other technological devices, and the use of a personal vehicle.

5. Vacation, illness and injury leave, and personal leaves
6. Professional development
7. General duties and responsibilities of the position
8. Criteria, process, and procedure for annual evaluation of the Superintendent
9. A statement that there shall be no automatic renewal or extension of the contract, although the Board can enter into a new contract with the Superintendent prior to the expiration of the existing contract
10. Timeline for providing written notice to the Superintendent if the Board does not wish to enter into a new contract, which shall be at least 45 calendar days in advance of the expiration of the term of the contract pursuant to Education Code 35031, and the responsibility of the Superintendent to remind the Board in writing and in a timely manner of the requirement to give notice
11. Conditions and process for termination of the contract, including the maximum cash settlement that the Superintendent may receive if the contract is terminated prior to its expiration date
12. Matters related to liability and indemnification against demands, claims, suits, actions, and legal proceedings brought against the Superintendent in the Superintendent's official capacity in the performance of employment-related duties

The Board may deliberate about terms of the contract in closed session at a regular meeting. However, discussions regarding the salary, salary schedule, or other compensation may occur in the closed session of a regular meeting only between the Board and its designated representative(s), as permitted under Government Code 54957.6 (the "labor exception"), for the purpose of reviewing the Board's position and/or instructing the designated representative(s) prior to or during bona fide negotiations with the current or prospective Superintendent. Such deliberations shall not be held during a special meeting. (Government Code 54956, 54957, 54957.6)

The Board may consult with district legal counsel prior to holding a closed session with the designated representative(s) to discuss compensation to be paid to the current or prospective Superintendent.

Terms of the contract shall remain confidential until the ratification process commences.

The Board shall take final action on the Superintendent's contract during an open session of a regularly scheduled

Board meeting, and that action shall be reflected in the Board's minutes. At that meeting, prior to taking action, the Board shall orally report a summary of the recommendation for the final action on the Superintendent's salary or compensation in the form of fringe benefits. (Government Code 3511.1, 53262, 54953)

Copies of the contract and other public records created or received in the process of developing the recommendation related to the Superintendent's salary, benefits, and other compensation shall be available to the public upon request. (Government Code 53262, 54953)

Termination of Contract

Prior to the expiration of the contract, the Board may terminate the Superintendent's employment contract in accordance with law and applicable contract provisions.

In such an event, the maximum cash settlement that the Superintendent may receive upon termination of the contract shall not exceed the Superintendent's monthly salary multiplied by the number of months left on the contract or the Superintendent's monthly salary multiplied by 12, whichever is less. (Government Code 53260)

The cash settlement shall not include any noncash items other than health benefits, which may be continued for the same duration of time as covered in the settlement or until the Superintendent finds other employment, whichever occurs first. (Government Code 53260, 53261)

However, when the termination of the Superintendent's contract is based upon the Board's belief and subsequent confirmation through an independent audit that the Superintendent has engaged in fraud, misappropriation of funds, or other illegal fiscal practices, no cash or noncash settlement of any amount shall be provided. (Government Code 53260)

In addition, if the Superintendent is convicted of a crime involving an abuse of office or position, the Superintendent shall reimburse the district for payments received as paid leave salary pending investigation or as cash settlement upon termination, and for any funds expended by the district in defending the Superintendent against a crime involving the Superintendent's office or position. (Government Code 53243-53243.4, 53260)

Policy 2140: Evaluation Of The Superintendent

Status: ADOPTED

Original Adopted Date: 08/14/2017 | **Last Revised Date:** 09/11/2023 | **Last Reviewed Date:** 09/11/2023

The Governing Board recognizes its responsibility to establish an evaluation system that enables a fair assessment of the Superintendent's effectiveness in leading the district toward established goals, serves to support his/her continued growth in leadership and management skills, and provides a basis for Board decisions regarding contract extension and compensation. The Board shall annually conduct a formal evaluation of the Superintendent's performance and may provide additional opportunities throughout the year to review the Superintendent's progress toward meeting established goals.

The Board shall determine, with the Superintendent's input, the criteria, schedule, method(s), and instrument(s) to be used for the Superintendent's evaluation. Evaluation criteria shall include, but are not limited to, district goals and success indicators; educational, management, and community leadership skills; and the Superintendent's professional relationship with the Board.

Prior to the evaluation, the Superintendent shall provide to the Board for its review a report of progress toward district goals, the Superintendent's self-appraisal of accomplishments and performance, and a statement of actions taken to address any Board recommendations from the previous evaluation.

Each Board member shall independently evaluate the Superintendent's performance based upon the evaluation criteria, after which the Board shall produce a single document that integrates the individual evaluations and represents the consensus of the Board.

The evaluation shall provide commendations in areas of strength and achievement and recommendations for improving effectiveness in any areas of need, concern, or unsatisfactory performance.

The Board shall meet in closed session with the Superintendent to discuss the evaluation. (Government Code 54957)

At this meeting, the Superintendent shall have an opportunity to ask questions, respond verbally and in writing to the evaluation, and present additional information regarding his/her performance or district progress.

The discussion shall include the establishment of performance goals for the next year and may identify professional development opportunities for the Superintendent and/or the entire governance team to address areas of concern, strengthen the relationship between the Superintendent and Board, or enhance the Superintendent's knowledge of current educational issues and leadership and management skills.

After the Board and Superintendent have discussed the evaluation, the Board president and Superintendent shall sign the evaluation and it shall be placed in the Superintendent's personnel file. The evaluation, including personal performance goals, shall be confidential to the extent permitted by law.

Policy 2210: Administrative Discretion Regarding Board Policy

Status: ADOPTED

Original Adopted Date: 08/14/2017 | **Last Revised Date:** 09/11/2023 | **Last Reviewed Date:** 09/11/2023

The Governing Board desires to be proactive in communicating its philosophy, priorities, and expectations for the district; clarifying the roles and responsibilities of the Board, Superintendent, and other senior administrators; and setting direction for the district through written policies. However, the Board recognizes that, in the course of operating district schools or implementing district programs, situations may arise which may not be addressed in written policies. In such situations, or when immediate action is necessary to avoid any risk to the safety or security of students, staff, or district property or to prevent disruption of school operations, the Superintendent or designee shall have the authority to act on behalf of the district in a manner that is consistent with law and Board policies.

As necessary, the Superintendent or designee shall consult with other district staff, including legal counsel and/or the chief business official, regarding the exercise of this authority.

Any exercise of administrative authority shall be nondiscriminatory and demonstrate the district's commitment to equity in district programs and activities.

The Superintendent shall be accountable to the Board for all areas of operation under his/her authority. As appropriate, the Superintendent or designee shall notify the Board as soon as practicable after he/she exercises the authority granted under this policy. The Board president and the Superintendent shall schedule a review of the action at the next regular Board meeting. If the action indicates the need for additions or revisions to Board policies, the Superintendent or designee shall make the necessary recommendations to the Board.

Policy 2230: Representative And Deliberative Groups

Status: ADOPTED

Original Adopted Date: 08/14/2017 | **Last Revised Date:** 09/11/2023 | **Last Reviewed Date:** 09/11/2023

The Governing Board believes that broad input on district operations and policy from staff, parents/guardians, students and members of the public can provide the district with a diversity of viewpoints and expertise, help build a sense of ownership of the schools, enhance district efficiency and assist district communications. As desired, the Superintendent or designee may establish a management team, administrative councils, task forces, cabinets or committees in accordance with law.

The membership, composition and responsibilities of these groups shall be defined by the Superintendent or designee. The Superintendent or designee may establish, change or dissolve these groups at his/her discretion.

Groups established by the Superintendent or designee shall act in an advisory capacity unless specifically authorized to act on behalf of the Superintendent or designee. Advisory groups shall submit their recommendations to the Superintendent or designee, who may report the recommendations to the Board as appropriate.

Expenses incurred for consulting services, materials, travel or other related operations shall be approved by the Superintendent or designee in advance.
