West Park Elementary School District

Board of Trustees
Special Board Meeting

Computer Center
West Park School District
2695 S. Valentine
Fresno, CA 93706

*Tuesday, June 25, 2024
5:30p.m.*

In compliance with the Americans with Disabilities Act, if you need special assistance to access the meeting room or to otherwise participate in this meeting, including auxiliary aids or services, please contact Erin Pereira at (559) 233-6501. Notification by noon on the Friday preceding the board meeting, or at least 48 hours prior to the meeting, will enable the Governing Board to make reasonable arrangements to ensure accessibility to the meeting.

Any writings or documents that are public records and are provided to a majority of the Governing Board regarding an open session item on this agenda will be made available for public inspection in the District Office located at 2695 S. Valentine, Fresno, CA 93706, during normal business hours. Public writings related to regular meeting open session agenda items distributed less than 72 hours in advance of a board meeting will be made available to the public at the time the document is distributed to the majority of the board.

The District welcomes Spanish and other language speakers to Board meetings. Anyone planning to attend and needing an interpreter should call (559) 233-6501, 48 hours in advance of the meeting, so arrangements can be made for an interpreter. *El Distrito da la bienvenida a las personas de habla hispana a las juntas de la Mesa Directiva. Si planea asistir y necesita interpretación llame al (559) 233-6501, 48 horas antes de la junta, para poder hacer arreglos de interpretación.*

Community members have two opportunities to address the Board of Trustees. **While the Board's meeting will be available for the public to view live online to the full extent possible (absent technical difficulties), public comments during the Board meeting must be made in person.** If you wish to address the Board on an agenda item, please do so when that item is called. Presentations will be limited to a maximum of three (3) minutes. Time limitations are at the discretion of the President of the Board.

Individuals have an opportunity to address the Board during the Period for Public Discussion on topics within the subject matter jurisdiction of the Board **not** listed on this agenda. If you wish to speak on an item not on the agenda, please fill out a request form and turn it in to the clerk prior to the meeting. You will be called upon to make your comments under "Comments from the Public". Comments will be limited to three (3) minutes, with a total of twenty (20) minutes designated for this portion of the agenda. If you have questions on school district issues, please submit them in writing. The Board will automatically refer requests to the Superintendent.

AGENDA

I. OPENING BUSINESS

- A. Call Public Session to Order
- B. Roll Call: Fernando Alvarez ____ Aida Garcia ____
Araceli Lopez ____ Dr. Toulou Thao ____ Mark Vivenzi ____
- C. Pledge of Allegiance
- D. Adopt Agenda

II. PUBLIC COMMENT PERIOD

Public Comment on any item of interest to the public that is within the Board's jurisdiction will be heard. The Board may limit comments to no more than three (3) minutes pursuant to Board Policy. Public comment will also be allowed on each specific agenda item prior to Board action thereon.

Norms

We will be conducting this meeting with the following norms; we will

1. Communicate in a positive and appropriate manner
2. Be respectful in word and deed
3. Listen to understand
4. Be prepared to contribute and participate positively
5. Be supportive.

These are norms employed by our District and will be upheld to ensure a productive Meeting.

III. REPORTS AND PRESENTATIONS

- A. AVID Summer Institute Report

IV. ACTION ITEMS

1. Approval: 2024-2025 LCAP West Park Elementary School
2. Approval: 2024-2025 LCAP West Park Charter Academy
3. Approval: Fiscal Year 2024-2025 Budget Adoption
4. Approval: West Park Elementary Parenting Classes with FCSS
5. Approval: Media Proposal
6. Approval: Funding for Consolidated Federal Categorical Aid Programs for 2024-2025
7. Approval: Authorized Signature Permit

V. PUBLIC COMMENT PERIOD RE: CLOSED SESSION ITEMS

General public comment on any closed session item that will be heard. The Board may limit comments to no more than three (3) minutes pursuant to Board policy. Following public comment on closed session agenda items, the Board will immediately recess into closed session.

VI. CLOSED SESSION

- A. Intradistrict Transfer # 2025-06-03
(tabled from 06-11-24 board meeting)
- B. Public employee discipline/release/dismissal/resignation
(Government Code Section 54957)
- C. Public employee appointment/employment
(Government Code Section 54957(b))

Title: WPE Physical Education Teacher
Title: WPE Counselor x 2
Title: WPCA CTE Counselor
- D. Conference with Labor Negotiators
(Government Code Section 54957.6)
- E. Public employee performance evaluation
(Government Code Section 54957(b))

Title: Superintendent

VII. REPORT OF ACTIONS TAKEN IN CLOSED SESSION

VIII. ADVANCED PLANNING

A. Regular Board Meeting: Tuesday, July 9, 2024

IX. ADJOURNMENT

PUBLIC COMMENT PERIOD

**REPORTS
AND
PRESENTATIONS**

West Park Elementary School

Advancement via Individual Determination (AVID)

AVID Schoolwide Domains

- Instruction
- Systems
- Leadership
- Culture

**AVID Team: Principal - Irene Garcia; Site Coordinator Joaquin Vargas;
District Directors - CBO Boyd and Director Randolph; Elective Teacher Mrs. Grayson**

What Does College and Career Readiness Mean

What Students Need:

- Rigorous Academic Preparedness
- Opportunity Knowledge
- Student Agency

What Does College and Career Readiness Mean What Educators Do:

- Insist on Rigor
- Break Down Barriers
- Align the Work
- Advocate for Students

Profile of an AVID Principal

The vision of an AVID Principal is to provide clear direction for supporting implementation, acceleration, and sustainability of the AVID College and Career Readiness System (ACRS):

Instruction - Implements WICOR as a means for bolstering rigor on the campus, with a focus on ensuring high-quality instruction across all classrooms.

Systems - Understand systems thinking and applies that knowledge to AVID implementation and refinement, and sustainability through continuous improvement.

Leadership - Understands and develops a mission and vision driven approach to leadership motivated by the “why” and rooted in the AVID College and Career Readiness Framework

Culture - Creates an nurtures an intentional culture on the campus that aligns to the AVID College and Career Readiness Framework to ensure all students receive what they need.

Profile of an AVID Site Coordinator

My mission is to create a culture of "I can and I will" to West Park students, families, and staff alike, by breaking down barriers that we may face and to change the outlook from a fixed mindset to a growth mindset. - Mr. Vargas

As the AVID Coordinator it is my responsibility to provide clear direction on how to engage high quality, relevant professional learning, networking, and coaching support of the AVID college and career Readiness System.

Instruction - Implements WICOR as a means for bolstering rigor on the campus, with a focus on ensuring high-quality instruction across all classrooms.

Systems - Understand systems thinking and applies that knowledge to AVID implementation and refinement, and sustainability through continuous improvement.

Leadership - Understands and develops a mission and vision driven approach to leadership motivated by the "why" and rooted in the AVID College and Career Readiness Framework

Culture - Creates an nurtures an intentional culture on the campus that aligns to the AVID College and Career Readiness Framework to ensure all students receive what they need.

Profile of an AVID District Director

Responsible for the district-wide implementation of the AVID College-Readiness System. They are district-based leaders who oversee the vision, culture, and decision-making for the district.

- Providing support and training: Guiding, supporting, and training staff and students
- Coordinating with teachers and administrators: Working with teachers and administrators to implement AVID instructional strategies across the school
- Building leadership: Fulfilling the AVID mission to prepare students for success
- Communicating with the public: Sharing information about AVID activities with the public and district administration
- Observing classrooms: Observing AVID classrooms and providing feedback and coaching to teachers
- Maintaining a portfolio: Participating in online and web-hosted meetings and maintaining a portfolio

AVID Framework Overview

Elementary Implementation Teacher

- Collaborates, writes AVID site goals that address AVID Implementation
- Meets Monthly to collaborate and advocate on planning, logistics, student access, and school policy concerning access to rigorous curriculum at each grade level
- Implements a system of grade-level and horizontal articulation
- Implements academic support structures and scaffolded, rigorous instructional practices to help students develop deeper levels of understanding rigorous work.
- Collaborates to increase awareness about AVID to other faculty and staff./Receives professional learning from the AVID Site Team

Next Steps:

- Finalize the Schoolwide Mission using our school improvement goal
- Train all teachers to use WICOR in their classrooms
- Review data from 2023/2024 to compare with data collected in 2024/2025

ACTION ITEMS

ITEM: 2024-2025 LCAP West Park Elementary School

PRESENTER: Dr. Clark, Superintendent of West Park Elementary School District

Date: June 25th, 2024

Action: Request for Approval

Seeking board approval for the 2024-2025 LCAP from West Park Elementary School.

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: West Park Elementary School District

CDS Code: 10-62539-0000000

School Year: 2024-25

LEA contact information:

Dr. Brian Clark

Superintendent

brian_c@wpesd.org

(559) 233-6501

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2024-25 School Year

Projected Revenue by Fund Source

This chart shows the total general purpose revenue West Park Elementary School District expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for West Park Elementary School District is \$4,911,158, of which \$3,027,803 is Local Control Funding Formula (LCFF), \$916,276 is other state funds, \$449,285 is local funds, and \$517,794 is federal funds. Of the \$3,027,803 in LCFF Funds, \$1,173,351 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much West Park Elementary School District plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: West Park Elementary School District plans to spend \$7,328,733 for the 2024-25 school year. Of that amount, \$6,416,146 is tied to actions/services in the LCAP and \$912,587 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The total expenditures not included in the LCAP are related to district administration costs, utilities and other district operational costs

Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, West Park Elementary School District is projecting it will receive \$1,173,351 based on the enrollment of foster youth, English learner, and low-income students. West Park Elementary School District must describe how it intends to increase or improve services for high needs students in the LCAP. West Park Elementary School District plans to spend \$1,704,641 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2023-24

Prior Year Expenditures: Increased or Improved Services for High Needs Students

□ Total Budgeted Expenditures for High Needs Students in the LCAP

\$2,848,348

□ Actual Expenditures for High Needs Students in LCAP

\$2,001,343

\$ 0 \$ 500,000 \$ 1,000,000 \$ 1,500,000 \$ 2,000,000 \$ 2,500,000 \$ 3,000,000

This chart compares what West Park Elementary School District budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what West Park Elementary School District estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, West Park Elementary School District's LCAP budgeted \$2,848,348 for planned actions to increase or improve services for high needs students. West Park Elementary School District actually spent \$2,001,343 for actions to increase or improve services for high needs students in 2023-24.

The difference between the budgeted and actual expenditures of \$-847,005 had the following impact on West Park Elementary School District's ability to increase or improve services for high needs students:

There was no adverse impact on most planned actions as one-time funds with time sensitivity were used to supplement a portion of the budgeted LCAP funds. The lack of qualified candidates to fill the positions of ELA and Math Instructional Specialists, and ELD Coordinator impacted the availability of additional intervention services and planned improvements to the English Learner program. These positions are planned in the 2024-25 LCAP since the need for these additional services remain a priority.

2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Action 1.1 provides for general education teachers who ensure all students have access to a broad course of study as part of the core educational program. Personnel costs associated with the core educational program also include administrative costs to support the effective implementation of the core educational program. This element of the action was implemented as planned including a very successful Academic Leadership Team that met regularly throughout the school year and supported a new curriculum adoption for English language arts and successful collaborative teacher planning time. A challenge with this action is recruiting and retaining qualified and fully credentialed teachers at West Park Elementary School. Several positions were filled with candidates who held alternate credentials such as a long-term substitute in one of the middle school positions. Other elements of this action include providing clubs, athletics, motivational programs, and other co-curricular activities to help students feel connected to the school community. Several clubs were created for students to participate in including a garden club, a kindness club, and cheer.

Action 1.2 provides for teacher and classroom support staff professional development and weekly common teacher planning time. The action was implemented as planned through a partnership with FCOE. A success of this action was the impact of FCOE experts on West Park Elementary School teacher practices during the 2023-24 school year. FCOE experts provided high-quality, classroom-embedded professional learning opportunities for all teachers to support effective differentiated lesson design, data-driven instructional practices, coaching, model lessons, and improved instructional practices. A challenge with this action is the varying degree of teacher engagement in the classroom-embedded learning opportunities.

Action 1.3 provides for an English Learner Coordinator to ensure all English learners receive high-quality designated and integrated English Language Development (ELD) and the development of an annual English Learner Master Plan. This action was not implemented as planned due to the challenge of recruiting a qualified candidate for the position of English Learner Coordinator. In the absence of this position being filled, West Park Elementary School partnered with the FCOE English Learner Network Improvement Community which was instrumental in providing teachers with strategies to provide early interventions for English learners, supporting newcomers, and purchasing and implementing supplemental materials to support the needs of English learners. A significant success of this partnership was the identification and reclassification of 17 English learners. This action also included expenditures on necessary supplementary supplies and technology including hotspots, software programs, and Chromebooks. These elements of the action were implemented as planned. All English learners had access to supplementary supplies and technology to support their learning at school and home.

Action 1.4 provides supplemental resources to support the growth of low-income and English learner students' ELA, math, and science performance. This action was implemented as planned with Renaissance Reading and Math and iReady administered each quarter and providing teachers with online instructional resources to target and support the learning needs of students. A success of this action was using the benchmark assessment results during the professional development partnership with FCOE. Teachers actively participated in learning opportunities which strengthened their skills in using assessment results to drive the instructional process. A challenge is the consistent use of the benchmark assessment results by all teachers on a routine basis.

Action 1.5 provides supplemental academic support programs including Reading Corps and Math Corps that address skill sets that allow low-income, English learner, and Foster Youth students to access enrichment activities and interests. It also provides supplemental materials,

supplies, and resources for staff that allow them to effectively differentiate lessons within the core instructional program and provide well-rounded, contextualized activities that enhance learning for low-income, English learner students and foster youth, building upon and connecting the learning experiences to the contexts of their student's life experiences. This action was not implemented as planned due to challenges with identifying and contracting with high-quality academic support programs in addition to Reading Corps and Math Corps. A success is the continued partnership with Reading Corps and Math Corps with greater student participation.

Action 1.6 provides supplemental instructional support including the opportunity for qualified staff to provide academic support to low-income and English learner students and their families after school hours. This need will be met through tutoring services provided by the California Teaching Fellows Foundation and via phone and web-based platforms. Such program supplements include but are not limited to the PAPER platform. This action was not implemented as planned due to challenges with identifying and contracting with high-quality supplemental instructional support providers beyond the partnership with the California Teaching Fellows Foundation. A future success will occur when West Park Elementary School is moved from the waiting list to receive services from the Fresno State University, Every Neighborhood Partnership Program which provides after-school and weekend services.

Action 1.7 provides for instructional intersessions during fall, winter, and spring breaks. This action was implemented as planned inasmuch as the intersessions occurred as planned. The challenge was that student attendance was lower than expected at the first intersession which resulted in a material difference between planned expenditures and estimated actual expenditures. However, student attendance has increased throughout the year as more families have supported their child's attendance during intersessions.

Action 1.8 includes two math and two ELA instructional specialists to provide direct support to the identified students through well-designed, content-rich lessons in ELA and math delivered in a pedagogically sound and effective manner. The intent was to provide co-planning with teachers during PLC time, providing support with lesson design, real-time instructional coaching and modeling of best practices in the classroom, and the incorporation of instructional rounds into classrooms to improve the effectiveness of all teachers. In addition to the Reading and Math Specialists, a Newcomer Teacher was to provide direct support to newcomer English learner students, focusing primarily on the intermediate grades and middle school students to ensure their successful transition both academically and socially. This action was not implemented as planned due to the challenge of recruiting qualified staff for the positions. The strategy of reposting the ELA and math positions in the spring with revised job descriptions and job title amendments along with other improved recruitment strategies such as attendance at local job fairs and broadly posting the positions through multiple social media platforms will hopefully result in the recruitment of qualified candidates for the 2024-25 school year. The Newcomer Teacher position will not be reposted for the 2024-25 school year.

Action 1.9 provides for ten (10) paraprofessionals to provide direct instructional support to low-income and English learner students in the classroom under the supervision and guidance of appropriately credentialed teachers. The success of this action is that six (6) paraprofessionals who are committed to West Park Elementary School students and teachers provided these services as planned. The challenge is that four (4) positions remained unfilled due to the unavailability of qualified candidates.

Action 1.10 was deleted.

Action 1.11 provides supplemental technology resources and support to ensure equitable access for low-income students, English learner students, and foster youth to 21st-century content standards. This action was implemented as planned and even exceeded expectations as a

result of input from teachers. All teachers received new laptops and related technology, all classrooms were equipped with new interactive Promethean boards, all students were supplied with new tablets including preschool students, and teachers were provided with training to support proper utilization of the technology. The challenge with this action will be to stay focused on the effective and routine use of the resources to effectively leverage the myriad of resources of a 21st-century education available to teachers and students.

Action 1.12 provides students with disabilities specialized and targeted support as outlined in their Individualized Education Plans (IEPs). This action was not implemented as planned because the district was not able to retain a highly qualified Resource Teacher. The position has been filled with a long-term substitute teacher for most of the year. Also, challenges with decreased academic performance and an increased suspension rate for students with disabilities indicate the need for more effective implementation of these services.

Action 1.13 provides additional teachers to support reduced class sizes and smaller staff-to-student ratios thereby providing more targeted support to students. This action was implemented as planned in that small class sizes were maintained. The success is that teachers effectively implemented more targeted small group lessons with the support of the partnership with FCOE experts. A challenge is the need to continue to deepen the skill level of teachers to teach through differentiated strategies to fully realize the benefits of reduced class sizes.

Action 1.14 provides for an instructional leadership model through the formation of a new Academic Leadership Team and by placing a dedicated instructional leader at the elementary school campus. This action was implemented as planned with success realized in the committed teachers who participated regularly throughout the year on the Academic Leadership Team. A challenge with this action is that the team needs to further coalesce to communicate a clear vision for classroom practices and expectations for teachers and students through a supportive, mentoring approach.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Action 1.1 Access to a Board Course of Study. The estimated actual expenditures were less than planned expenditures because the district was unable to fill and maintain core positions. Substitute teachers filled openings for certificated staff. Classified positions that were unfilled were not backfilled with substitutes.

Action 1.2 Professional Development for Teachers and Paraprofessionals. The estimated actual expenditures were greater than planned expenditures because the district invested in more professional development than originally anticipated. One example is the professional development option to support the effective implementation of the local iReady assessments in reading and math.

Action 1.3 Integrated and Designated ELD. The estimated actual expenditures were significantly less than planned expenditures because the position of EL Coordinator was not filled during the 2023-24 school year. The position was posted all year, but the district was unable to recruit and retain a qualified candidate.

Action 1.4 Supplemental Instructional and Assessment Resources. The estimated actual expenditures were more than planned expenditures because estimates for teacher collaboration time to analyze assessment data and design differentiated lessons for low-income students, English learner students, and foster youth were underestimated.

Action 1.6 Student Tutorial Support. The estimated actual expenditures were less than planned expenditures because fewer district teachers provided afterschool tutoring support than originally anticipated.

Action 1.8 Math and Reading Instructional Specialists. The estimated actual expenditures were less than the planned expenditures because the positions of Math and Reading Instructional Specialists were not filled during the 2023-24 school year. The positions were posted all year, but the district was unable to recruit and retain qualified candidates.

Action 1.9 Paraprofessional Support for Students. The estimated actual expenditures were less than the planned expenditures because the district was unable to recruit and retain more qualified paraprofessionals. The position has been posted all year and will continue to be posted in the 2024-25 school year. The district renegotiated the classified salary schedule which may help to recruit qualified candidates in the future.

Action 1.11 Technology and Infrastructure to Support Student Learning. The estimated actual expenditures were more than the planned expenditures because significant investments were made in classroom 21st-century technology that were greater than originally planned.

Action 1.12 Support to Students with Disabilities. The estimated actual expenditures were less than the planned expenditures because the district experienced challenges with retaining a full-time qualified Resource Teacher. A long-term substitute teacher has been in the position for most of the 2023-24 school year.

Action 1.14 School Instructional Leadership. The estimated actual expenditures were greater than planned expenditures because the negotiated salary for the position was more than anticipated.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Students Meeting or Exceeding Standards in ELA: Percentage change from 2022 to 2023

Overall: 17.2% (2022), 15.9% (2023); Change from 2022 to 2023 is -1.3%

Students with Disabilities: 9.5% (2022); 6.3% (2023); Change from 2022 to 2023 is -3.2%

Low-Income: 16.3% (2022), 15.1% (2023); Change from 2022 to 2023 is -1.2%

English Learners: 7.9% (2022), 9.6% (2023); Change from 2022 to 2023 is +1.7%

Long-Term English Learners: N/A (2022), 0.0% (2023)

Asian: 24.0% (2022), 23.8% (2023); Change from 2022 to 2023 is -0.2%

Hispanic: 17.6% (2022), 14.8% (2023); Change from 2022 to 2023 is -2.8%

White: 0.0% (2022), 11.8% (2023); Change from 2022 to 2023 is +11.8%

Students Meeting or Exceeding Standards in Math: Percentage change from 2022 to 2023

Overall: 8.4% (2022), 10.0% (2023); Change from 2022 to 2023 is +1.6%

Students with Disabilities: 9.5% (2022), 3.2% (2023); Change from 2022 to 2023 is -6.3%

Low-Income: 6.8% (2022), 7.6% (2023); Change from 2022 to 2023 is +0.8%

English Learners: 4.5% (2022), % (6.0); Change from 2022 to 2023 is +1.5%

Long-Term English Learners: N/A (2022), 0.0% (2023)

Asian: 8.0% (2022), 15.0% (2023); Change from 2022 to 2023 is +7.0%
Hispanic: 8.5% (2022), 9.3% (2023); Change from 2022 to 2023 is +0.8%
White: 7.7% (2022), 11.8% (2023); Change from 2022 to 2023 is +4.1%

Students Meeting or Exceeding Standards in Science: Percentage change from 2022 to 2023

Overall: 7.8% (2022), 15.6% (2023); Change from 2022 to 2023 is +7.8%
Students with Disabilities: 9.1% (2022), N/A <11 students (2023); Change from 2022 to 2023 is N/A
Low-Income: 7.3% (2022), 12.2% (2023); Change from 2022 to 2023 is +4.9%
English Learners: 0.0% (2022), 3.6% (2023); Change from 2022 to 2023 is +3.6%
Long-Term English Learners: <11 students
Asian: <11 students
Hispanic: 7.8% (2022), 11.1% (2023); Change from 2022 to 2023 is +3.3%
White: <11 students

Contributing Actions 1.2, 1.4, 1.5, 1.6, 1.7, 1.8, 1.9, 1.11, 1.13, and 1.14, all expected an increase in the academic outcomes of English learners, low-income students, and foster youth as measured by the CAASPP English language arts, mathematics, and science assessments, or local assessments. The 2023 California School Dashboard results showed mixed results. The overall proficiency of students in ELA decreased from 2022 to 2023 by 1.3% while the overall math proficiency of students increased by 1.6%. For low-income students, ELA proficiency decreased by 1.2% and math increased by 0.8% from 2022 to 2023. For English learners, ELA proficiency increased by 1.7% and math proficiency increased by 1.5%. Science scores increased overall, for low-income students, and English learners.

Local assessments measured student performance using the iReady assessments in reading and math. In reading, comparisons from the beginning of the year to the mid-year benchmark showed overall growth. In math, full implementation of the iReady assessment did not occur until the 2nd semester. For this reason, comparison data is not yet available.

In reading, 16% of students performed at or above grade level, 34% performed one grade level below, and 50% of students performed below grade level. By mid-year, the percentage of students performing at or above grade in reading increased to 22%, the percentage performing one grade level below stayed constant at 34%, and the percentage of students performing below grade level decreased to 44%. Full implementation of the iReady assessment in math occurred at mid-year with 11% of students performing at or above grade level, 47% performing one grade level below, and 42% performing below grade level.

Growth in reading during the 2023-24 school year as measured by the iReady assessment indicates the effectiveness of the contributing actions grouped above. However, material differences in the planned and actual expenditures for Actions 1.6, 1.7, 1.8, and 1.9 indicate that more growth could have been achieved had they been fully implemented during the 2023-24 school year. A continued focus on filling unfilled positions, a major reason for the material differences, is necessary to realize the full potential of the actions as designed. Also, an intentional focus on English language arts will be integrated into the actions of the 2024-25 school year to maintain growth and reverse the downward trend in performance on the statewide assessment in ELA.

Contributing Action 1.3 expected an increase in the ELPAC summative assessment of English language acquisition and the English Learner Progress Indicator (ELPI). The ELPI declined significantly in 2023 to 17.1% of English learners making progress toward English language proficiency compared to 49.6% in 2022. Action 1.3 was not effective in obtaining the desired results. Most importantly, there was a significant difference in planned and actual expenditures due to the inability to find qualified staff to fill the posted position of English Learner Coordinator. Action 1.3 will continue in the 2024-25 LCAP, but with a new strengthened approach that will result in increases for English learners.

Non-Contributing Actions 1.1 and 1.12 also expected increases in the academic outcomes of all students (Action 1.1) and for students with disabilities (Action 1.12). Action 1.1 provides for general education teachers and administration. This action is also measured by the metric that ensures all students have access to a broad course of study. While students, including English learners, had access to a broad course of study through the implementation of standards-aligned instructional materials, the desired results as measured by statewide assessments were mixed. Similar to the grouping of contributing actions, the non-contributing actions resulted in an overall decline in the statewide assessments ELA, but an overall increase in the statewide assessments in math. The local assessment in reading indicates the downward trend in ELA may be reversing with an increase in overall student performance in reading from the beginning of the year to the 2nd semester.

For students with disabilities, declines in both ELA and math were observed in the statewide assessments in 2023. Action 1.12 provides for the special education program and has not been as effective as desired mostly due to challenges with staff retention. The action will continue in the 2024-25 LCAP with changes to recruiting efforts and overall professional support.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

GOALS

No change.

EXPECTED OUTCOMES

Local Assessments in ELA and Math: The expected outcomes were changed to align with the district's new implementation of iReady Reading and iReady Math.

ACTIONS

Action 1.1 is a comprehensive non-contributing action that includes all personnel costs associated with the core educational program. This action will continue in the 2024-25 LCAP will a strengthened approach in teacher recruitment at local job fairs and multiple social media platforms.

Action 1.2 provides for professional development for teachers and paraprofessionals. This action will continue in the 2024-25 LCAP with a new approach focused on the implementation of the two new adoptions in ELA/ELD and math that were purchased during the 2023-24 school year.

Action 1.3 provides for integrated and designated ELD. This action will continue in the 2024-25 LCAP with a strengthened approach in the recruitment of an English Learner Coordinator through local job fares and multiple social media platforms.

Action 1.4 provides supplemental instructional and assessment resources. This action will continue in the 2024-25 LCAP with a new approach focused on investments in supplemental resources aligned to the new curriculum adoptions.

Action 1.5 provides supplemental academic support such as hands-on learning opportunities, excursions, and a partnership with Reading Corps and Math Corps. This action will continue in the 2024-25 LCAP with a strengthened approach to integrate more hands-on learning experiences that are aligned with the new curriculum adoptions.

Action 1.6 provides tutoring support. This action will continue in the 2024-25 LCAP with a strengthened approach with more classroom teachers offering tutoring support to students after school.

Action 1.7 provides intersessions. This action will continue in the 2024-25 LCAP with a strengthened approach to student recruitment and a longer summer session.

Action 1.8 provides for math and reading instructional coaches. This action will continue in the 2024-25 LCAP with a new approach. The positions were not filled during the 2023-24 school year due to the lack of qualified applicants. However, the need remains. The new approach is to change the job title and recruitment efforts to attract qualified applicants.

Action 1.9 provides paraprofessional support. This action will continue in the 2024-25 LCAP with a strengthened approach to recruit qualified applicants through job fairs and multiple social media platforms.

Action 1.11 will move to Action 1.10. Action 1.10 provides technology resources to support the implementation of 21st-century best practices. This action will continue in the 2024-25 LCAP with a strengthened approach by developing a technology replacement plan to maintain the investments made during the 2023-24 year.

Action 1.12 will move to Action 1.11. Action 1.11 provides a comprehensive program for students with disabilities. This action will continue in the 2024-25 LCAP with a strengthened approach to recruit and retain highly qualified staff, and create structures to support effective articulation between general education and special education teachers.

Action 1.13 will move to Action 1.12. Action 1.12 provides for class size reduction. The action will continue in the 2024-25 LCAP with a strengthened approach to focus professional development on differentiated learning strategies to maximize the benefit of smaller class sizes with increased student-teacher interactions.

Action 1.14 will move to Action 1.13. Action 1.13 provides school leadership. This action will continue in the 2024-25 LCAP with a strengthened approach to lead professional learning communities that prioritize effective implementation of the new curriculum adoptions.

METRICS

Local Assessments in ELA and Math were changed to reflect the district's new implementation of iReady Reading and iReady Math.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
2	Sustain a school culture in which organizational communication is valued, parent involvement is encouraged, student discipline is effective, staff and student are recognized, and student activities and student support contracts result in positive outcomes.

Measuring and Reporting Results

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Actions 2.1 and 2.4 provided a Pupil Services Specialist and plans for a bilingual Community Engagement Specialist to create a team to meet the unique needs of our foster youth, low-income, and English learner students who experience barriers contributing to high levels of chronic absenteeism. The expected outcome of these actions, through continuously improved implementation over time, is that they will result in decreased chronic absenteeism, thereby increasing academic outcomes. In 2023, the chronic absenteeism rate decreased to 33.9% from 53.5% in the previous year. These actions will continue in 2024-25 to further reduce the chronic absenteeism rate and improve future academic outcomes, however, without plans for the bilingual Community Engagement Specialist. The most substantive difference between what was planned and the actual implementation of these actions is the inability to recruit and fill the bilingual Community Engagement Specialist position. This is also the greatest challenge with the implementation of Action 2.4. For Action 2.1, a notable success was the home visits conducted by the Pupil Services Specialists which helped to create greater home-to-school connections and deepen trusting relationships with families. Although the Community Engagement Specialist position was not filled in the 2023-24 school year, the work of the Pupil Services Specialist and other staff focused on the implementation of Action 2.4 including a successful back-to-school night, parent training, and various school events geared towards promoting a positive school culture and climate have shown our community that the district is moving in the right direction.

Actions 2.2 and 2.5 provide key members of a PBIS school team who will work to continuously improve the PBIS system while concurrently developing individual student support plans. The key members include a counselor at West Park Elementary School to provide social and emotional support for students and a Board Certified Behavior Analyst (BCBA) to provide the expertise needed to effectively understand student behaviors of low-income students and foster youth, support staff, and develop individual student plans. For Action 2.2, the most substantive difference between what was planned and the actual implementation of this action was the inability to recruit and fill the BCBA position. This is also the greatest challenge with the implementation of Action 2.2. Action 2.5 provides for the counselor at West Park Elementary School. This action was implemented as planned, however, what was learned during the 2023-24 school year is that the workload is greater than one counselor can provide. For this reason, plans to change this action next year by adding another counselor to West Park Elementary School are already in place. The position is currently posted. The BCBA position will also be posted with plans to fill

the position for the 2024-25 school year. Another challenge in implementing these actions is developing a full PBIS school team and implementing a PBIS system that operates schoolwide and consistently across all staff, students, and settings.

Action 2.3 provides the resources to support effective two-way communication with families of our low-income students, English learner students, and foster youth. This action was implemented as planned. The success of this action is evidenced in the active engagement of families of low-income students, foster youth, and English learners. For example, there was greater attendance at school events such as back-to-school night, parent workshops, and other school events. Also, teachers engaged in more regular communication with families through ParentSquare. Also, 71.5% of parents reported in the annual survey that they agree or strongly agree with the statement, "My child's school supports multiple opportunities to engage in accessible and understandable 2-way communication between educators and families."

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Action 2.1 Students and Parents: Positive Attendance Support. The estimated actual expenditures were less than planned expenditures because the district was challenged with retaining the position of Pupil Services Specialist. The person filling the position left the district in October 2023 and the position was not filled until January 2024.

Action 2.2 Positive Behavioral Interventions and Supports (PBIS). The estimated actual expenditures were less than planned expenditures because the position of Board Certified Behavioral Specialist was not filled during the 2023-24 school year. The district had to develop the new position and seek board approval before posting. The position will be posted with plans to fill the position in the 2024-25 school year.

Action 2.3 Two-Way Communication with Families. The estimated actual expenditures were more than planned expenditures because the costs for additional classified support staff who work directly with the parents came in higher than anticipated.

Action 2.4 Parent and Family Engagement. The estimated actual expenditures were less than planned expenditures because the position of Community Engagement Specialist was not filled during the 2023-24 school year. The district had to develop the new position and seek board approval before posting. The position will be posted with plans to fill the position in the 2024-25 school year.

Action 2.5 Mental Health Support. The estimated actual expenditures were less than planned expenditures because the district experienced challenges with retaining a counselor. The counselor position was filled by several people during the year with the shortest tenure being two weeks before the district was able to secure a full-time counselor in February 2024.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Chronic Absenteeism Rate Percentage Change from 2022 to 2023

Overall 53.5% (2022), 33.9% (2023); Change from 2022 to 2023 is -19.6%

Low-Income 54.1% (2022), 35.7% (2023); Change from 2022 to 2023 is -18.4%

English Learners 49.3% (2022), 27.2% (2023); Change from 2022 to 2023 is -22.1%

Hispanic 54.9% (2022), 35.6% (2023); Change from 2022 to 2023 is -19.3%
White 50% (2022), 19% (2023); Change from 2022 to 2023 is -31%
Students with Disabilities 66.7% (2022), 59.7% (2023); Change from 2022 to 2023 is -7.0%
Foster Youth < 11 students

Suspension Rate Percentage Change from 2022 to 2023

Overall 3.5% (2022), 4.0% (2023); Change from 2022 to 2023 is +0.5%
Low-Income 2.6% (2022), 4.5% (2023); Change from 2022 to 2023 is +1.9%
English Learner 4.7% (2022), 4.2% (2023); Change from 2022 to 2023 is -0.5%
Hispanic 3.7% (2022), 4.3% (2023); Change from 2022 to 2023 is +0.6%
White 0% (2022), 4.5% (2023); Change from 2022 to 2023 is +4.5%
Students with Disabilities 2.0% (2022), 7.1% (2023); Change from 2022 to 2023 is +5.1%

Attendance Rate Percentage Change from 2022 to 2023

Overall 90.5% (2022), 93.0% (2023)

Contributing Actions 2.1, 2.2, 2.4, and 2.5 work together to provide supplemental supports for students and their families, particularly low-income students, English learner students, and foster youth, to remove any potential barriers they may be experiencing that are interfering with their child's engagement in school. Action 2.1 provides for a Pupil Services Specialist, Action 2.2 includes plans for a Board Certified Behavioral Analyst (BCBA), Action 2.4 includes plans for a bilingual Community Engagement Specialist, and Action 2.5 provides for a counselor and contracted services with a non-profit, clinic-level mental health agency to provide mental health support for students and families.

The metric used to measure the effectiveness of Action 2.1 was chronic absenteeism which declined in 2023 by 19.6% to 33.9% in 2023. This supports the effectiveness of this action which will continue in the 2024-25 LCAP. The metrics used to measure the effectiveness of Action 2.2 were office referrals, suspensions, chronic absenteeism, and the attendance rate. Chronic absenteeism has also decreased to 33.9% in 2023. The attendance rate increased from 90.5% in 2022 to 93.0% in 2023. However, an increase in the suspension rate from 2022 to 2023 by 0.5% indicates the need for increased attention to the implementation of the PBIS system while concurrently developing individual student support plans. This part of the action was not fully implemented due to the position of BCBA not being filled during the 2023-24 school year. The position will be posted with plans to move forward with Action 2.2 will occur in 2024-25. The metrics used to measure the effectiveness of Action 2.5 were chronic absenteeism and the suspension rate. Chronic absenteeism decreased, while the suspension rate increased slightly overall. For low-income students, the suspension rate increased by 1.9% in 2023. For English learners, the suspension rate decreased by 0.5%. The results of the metrics for Action 2.5 are mixed. Counseling and mental health services will continue as a high priority in 2024-25 with a renewed focus on connecting students and families to mental health services, especially contracted professional services.

Contributing Action 2.3 provides for electronic two-way communication systems that enhance communication with parents and support the implementation of district surveys. Contributing action 2.3 is expected to increase the engagement of foster youth, low-income, and English

learner students in school as reflected in the attendance rates and the annual family surveys. The attendance rate increased from 90.5% in 2022 to 93.0% in 2023. The family surveys indicate an increased sense of safety and connectedness to school. In 2023-24, 71.4% of parents agree or strongly agree their child feels safe at school compared to 44% in 2022-23.

Contributing Action 2.4 expects to improve engagement and a sense of school connectedness for educational partners, low-income students, English learner students, and foster youth as reported in the survey data and educational partner feedback. However, the action will be implemented in 2024-25 with existing staff. Plans to post for a bilingual Community Engagement Specialist have been discontinued. The family surveys indicate an increased sense of safety and connectedness to school. In 2023-24, 71.4% of parents agree or strongly agree their child feels safe at school compared to 44% in 2022-23.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

GOALS

No change.

EXPECTED OUTCOMES

Seek Parent Input and Promote Parental Participation: The expected outcome was increased to 5 on a scale of 1-5.

Attendance Rate: The expected outcome was increased to 98%.

Chronic Absenteeism Rate: The expected outcomes were adjusted to reflect a realistic improvement trend based on baseline measures.

Suspension Rate: The expected outcomes were adjusted to reflect a realistic improvement trend based on baseline measures.

Expulsion Rate: The expected outcome was decreased to 0%.

Middle School Dropout Rate: The expected outcome was decreased to 0%.

ACTIONS

Action 2.1 provides for a Pupil Services Specialist. This action will continue in the 2024-25 LCAP with a strengthened approach to invest in the success of the new Pupil Services Specialist who joined the district in January 2024 to ensure continuity of service to students and their families.

Action 2.2 provides for a Board Certified Behavioral Analyst (BCBA). This action will continue in the 2024-25 LCAP with a strengthened approach to actively recruit for the position in local job fares and various social media platforms.

Action 2.3 invests in effective two-way communication with families. This action will continue in the 2024-25 LCAP based on feedback from families.

Action 2.4 provides for a bilingual Community Engagement Specialist. This action will continue in the 2024-25 LCAP with a strengthened approach with existing staff. Plans for the bilingual Community Engagement Specialist have been discontinued.

Action 2.5 provides for a counselor and contracted services with a non-profit, clinic-level mental health agency to provide mental health support for students and families. The action will continue in the 2024-25 LCAP with an additional counselor.

METRICS

No changes.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
3	Provide effective school operations to improve school attendance, support labor, maintain transportation services, sustain facilities and infrastructure, practice sound purchasing/acquisition protocols, provide food services, and secure appropriate operation/service agreements.

Measuring and Reporting Results

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Action 3.1 provides for the expansion of outdoor learning environments/areas that can be utilized for student instruction of core academic areas through project-based, hands-on learning opportunities. This action was not implemented as planned due to challenges with workflow. The multi-purpose room modernization project must be completed before the expansion of outdoor learning environments can occur. The district is currently working with architects to move this action forward. It is anticipated the work will take place during the 2024-25 school year.

Action 3.2 provides a security system to decrease vandalism and provide perimeter protection. This action was not implemented as planned. The challenge is timing. Current modernization projects must be completed before final improvements to the facility monitoring system can be completed.

Action 3.3 provides for custodians to maintain the cleanliness and safety of our educational facilities, allowing students, staff, and families to enjoy a clean and secure environment for learning activities. This action was implemented as planned. The success of the action was improved facility cleanliness as reported by staff and students. The only challenge was that custodial staff had to work around modernization construction areas.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Action 3.1 Expanded Learning Environments. The estimated actual expenditures were less than planned expenditures because the multi-purpose room modernization project must be completed before improvements to the outdoor area outside the cafeteria can be done. The district is currently working with architects to design permanent expanded learning spaces. In the interim, the district invested in temporary shade structures and outdoor seating.

Action 3.2 Facility Monitoring. The estimated actual expenditures were less than planned expenditures because ongoing modernization projects must be completed before improvements to the facility monitoring system can be done.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Chronic Absenteeism Rate Percentage Change from 2022 to 2023

Overall 53.5% (2022), 33.9% (2023); Change from 2022 to 2023 is -19.6%
Low-Income 54.1% (2022), 35.7% (2023); Change from 2022 to 2023 is -18.4%
English Learners 49.3% (2022), 27.2% (2023); Change from 2022 to 2023 is -22.1%

Hispanic 54.9% (2022), 35.6% (2023); Change from 2022 to 2023 is -19.3%
White 50% (2022), 19% (2023); Change from 2022 to 2023 is -31%
Students with Disabilities 66.7% (2022), 59.7% (2023); Change from 2022 to 2023 is -7.0%
Foster Youth < 11 students

Contributing Action 3.1 anticipated an increase in student engagement as measured by a reduction in chronic absenteeism for English learner students, low-income students, and foster youth. This action is also anticipated academic performance in ELA and math based on local assessments to improve. The district changed the local assessments during the 2022-23 school year so a direct comparison to the previous year is not possible. However, the percentages of students scoring above or on grade level in reading and math indicate students will improve their performance on the statewide assessments in 2024.

Action 3.2 is focused on campus safety and its effectiveness can be measured by the reduction in chronic absenteeism. While this action was not implemented in 2023-24, plans remain in place to implement the action when the modernization projects are completed.

Action 3.3 is focused on a clean and safe campus that is welcoming to the community, staff, and students. An anticipated outcome of this action is 100% on the FIT and reductions in chronic absenteeism indicating students want to be at school.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

GOALS

No change.

EXPECTED OUTCOMES

Expanded Outdoor Learning Environments: The expected outcomes were revised to reflect the district's shift to the implementation of iReady Reading and iReady Math as a local benchmark assessment.

ACTIONS

All actions will be continued in the 2024-25 LCAP with no changes.

METRICS

Expanded Outdoor Learning Environments ELA and Math were changed to reflect the district's new implementation of iReady Reading and iReady Math.

Chronic Absenteeism Rate was added as a metric in Goal 3 to measure the impact of a safe and clean school campus.

Attendance Rate was added as a metric in Goal 3 to measure the impact of a safe and clean school campus.

Student, Staff, and Parent Survey results to measure educational partners' connectedness and sense of school safety were added as metrics in Goal 3.

--

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcff@cde.ca.gov.

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

Goals and Actions

Goal(s)

Description:

Copy and paste verbatim from the 2023–24 LCAP.

Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “Measuring and Reporting Results” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)

Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
 - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
 - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
 - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
 - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

California Department of Education

November 2023

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
West Park Elementary School District	Dr. Brian Clark Superintendent	brian_c@wpesd.org (559) 233-6501

Plan Summary [2024-25]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Serving students since 1885, West Park Elementary School District is committed to providing quality learning opportunities customized to the needs of each learner. The well-being and safety of each student and staff member is a priority. The West Park Elementary School District serves students in prekindergarten through Grade 8 at West Park Elementary School and is the authorizer of West Park Charter Academy, a transitional kindergarten through Grade 12 public charter school. There are two charter school locations, one in Fresno, and one in Hanford. West Park Elementary School and the district offices are located in a rural 25 square-mile area southwest of the City of Fresno. The West Park Elementary School District LCAP focuses exclusively on West Park Elementary School and is considered a single school district for state accountability and reporting. The West Park Charter Academy is required by state law to complete a separate LCAP specific to the needs and priorities of the charter school locations which is approved annually by the authorizer.

West Park Elementary School has a student enrollment of 297 students. The student population is predominately Hispanic/Latino (79%), with 12% Asian, 7% White, and less than 1% African American. Most students attending West Park Elementary School are from low-income families, 77% are identified as socio-economically disadvantaged. Approximately, 38% of students are English learner students, 15% are students with disabilities, <1% are homeless youth, and 1% are foster youth. West Park Elementary School engages all learners through a focus on equity, access, and academic rigor with inclusive practices in a variety of environments. Low student-teacher ratios and the support of additional adults on campus ensure personalized attention to the needs of each learner. The district is focused on equity through the integration of California's Social and Emotional Guiding Principles: 1) Whole child development, 2) Commitment to equity, 3) Building

capacity through an intentional focus on relationship-centered learning environments, 4) Partner with families and community partnerships, and 5) Learning and continuous improvement. Access to technology supports equitable learning opportunities by providing all students with an electronic device for use at both home and school. Teachers and student support staff are provided professional development and are encouraged to participate in learning opportunities that enhance student learning.

The condition of school facilities impacts student success. Disparities across schools are a reality that demands attention where equitable learning opportunities are a priority. West Park Elementary School District is prioritizing facility renovations to create environments where teachers can teach to the best of their ability and students can learn to the best of their ability. Students and staff who attend and work in visually appealing schools, tend to value their school more. Beginning in 2023 and continuing into 2024-25, West Park Elementary School facilities are undergoing modernization for the first time in decades. The investments are positively impacting the culture and climate of the school. Our students, staff, and school community take great pride in West Park Elementary School and work collaboratively to foster student success.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

REQUIRED ACTIONS

A reflection on annual performance based on the 2023 California School Dashboard indicates several areas and student groups that necessitate required actions within the 2024-25 LCAP.

- 1) The Academic Indicator in English Language Arts is RED overall and for English learners, Hispanic students, and low-income students.
- 2) The Academic Indicator in math is RED overall and for English learners, Hispanic students, and low-income students.
- 3) The English Learner Progress Indicator is RED.
- 4) The Suspension Rate Indicator is RED for Students with Disabilities.

ACADEMIC INDICATORS IN ELA AND MATH

Student performance on the 2023 Smarter Balanced Assessment (SBAC) in English language arts (ELA) and math is mixed. Student performance on the 2023 SBAC in ELA declined from 2022 to 2023 from 17.2% meeting or exceeding standards to 15.9% meeting or exceeding standards in English language arts. However, in mathematics, student performance on the SBAC increased from 2022 to 2023 from 8.4% meeting or exceeding standards in math to 10.0% meeting or exceeding standards in math.

A comparison of student performance at West Park Elementary to the overall performance of students in Fresno County indicates a significant need to increase performance in both ELA and math. In 2022-23, 43.1% of Fresno County students met or exceeded English language arts standards compared to 15.9% at West Park Elementary School. In mathematics, 30.4% of Fresno County students met or exceeded standards compared to 10.0% at West Park Elementary School.

In 2023, low-income student performance in English language arts declined from 16.3% in 2022 to 15.1%. English learner students performed lower than students overall in English language arts, however, their performance increased in 2023 from 7.9% to 9.6%. There are fewer than 10 foster youth in the district and for this reason, their scores are not reported.

In 2023, low-income student performance in math increased from 6.8% in 2022 to 7.6%. English learner student performance in math also increased from 4.5% in 2022 to 6.0% in 2023. Asian, Hispanic, and White students also saw increases in math to 15.0%, 9.3%, and 11.8%, respectively.

The performance of students with disabilities saw the greatest declines in both ELA and math compared to other student groups. Their performance in ELA declined from 9.5% in 2022 to 6.3% in 2023. In math, the performance of students with disabilities declined from 9.5% in 2022 to 3.2% in 2023.

Students Meeting or Exceeding Standards in ELA: Percentage change from 2022 to 2023

Overall: 17.2% (2022), 15.9% (2023); Change from 2022 to 2023 is -1.3%

Students with Disabilities: 9.5% (2022), 6.3% (2023); Change from 2022 to 2023 is -3.2%

Low-Income: 16.3% (2022), 15.1% (2023); Change from 2022 to 2023 is -1.2%

English Learners: 7.9% (2022), 9.6% (2023); Change from 2022 to 2023 is +1.7%

Long-Term English Learners: 0% (2023)

Asian: 24.0% (2022), 23.8% (2023); Change from 2022 to 2023 is -0.2%

Hispanic: 17.6% (2022), 14.8% (2023); Change from 2022 to 2023 is -2.8%

White: 0% (2022), 11.8% (2023); Change from 2022 to 2023 is +11.8%

Students Meeting or Exceeding Standards in Math: Percentage change from 2022 to 2023

Overall: 8.4% (2022), 10.0% (2023); Change from 2022 to 2023 is +1.6%

Students with Disabilities: 9.5% (2022), 3.2% (2023); Change from 2022 to 2023 is -6.3%

Low-Income: 6.8% (2022), 7.6% (2023); Change from 2022 to 2023 is +0.8%

English Learners: 4.5% (2022), 6.0% (2023); Change from 2022 to 2023 is +1.5%

Long-Term English Learners: 0% (2023)

Asian: 8.0% (2022), 15.0% (2023); Change from 2022 to 2023 is +7.0%

Hispanic: 7.7% (2022), 9.3% (2023); Change from 2022 to 2023 is +1.6%

White: 7.7% (2022), 11.8% (2023); Change from 2022 to 2023 is +4.1%

ENGLISH LEARNER PROGRESS INDICATOR

The English Learner Progress Indicator (ELPI) declined significantly from 49.6% making progress toward English language proficiency in 2022 to 17.1% in 2023. The main reason for this decline is believed to be the lack of training and oversight of the administration of the English Language Proficiency Assessments in California (ELPAC) in the spring of 2023. This challenge has been addressed in 2024 with a highly organized system of implementation of the state assessments and effective training for teachers. Another reason for the lower proficiency of English learner students during the 2022-23 school year was the lack of a full-time English Learner Coordinator. This position is

still currently posted and has been since the 2022-23 school year, however, the ability to attract and retain a qualified individual has been unsuccessful.

CHRONIC ABSENTEEISM INDICATOR

Chronic absenteeism declined significantly from 53.5% in 2022 to 33.9% in 2023 in response to the efforts of the district to engage families and students and help them feel more connected to school. However, a comparison to chronic absenteeism in Fresno County in 2023 which is at 25.3% indicates the need for a continued focus on the district's commitment to our educational partners to sustain a positive school culture where two-way communication is valued.

Chronic Absenteeism Rate:

- Overall: 53.5% (2022), 33.9% (2023)
- Low-Income: 54.1% (2022), 34.7% (2023)
- English Learners: 49.3% (2022), 27.2% (2023)
- Hispanic: 54.9% (2022), 35.6% (2023)
- White: 50.0% (2022), 19.0% (2023)
- Students with Disabilities 66.7% (2022), 59.7% (2023)

SUSPENSION RATE INDICATOR

Suspensions increased slightly from 3.5% in 2022 to 4.0% in 2023. Suspensions for students with disabilities increased significantly from 2.0% in 2022 to 7.1% in 2023. The suspension rate decreased for English learner students. While the suspension rate increased slightly overall, it is still lower than the overall suspension rate for Fresno County which is at 5.6%.

Suspension Rate:

- Overall: 3.5% (2022), 4.0% (2023)
- Low-Income: 2.6% (2022), 4.5% (2023)
- English Learners: 4.7% (2022), 4.2% (2023)
- Hispanic: 3.7% (2022), 4.3% (2023)
- White: 0% (2022), 4.5% (2023)
- Students with Disabilities 2.0% (2022), 7.1% (2023)

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Not applicable

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

West Park Elementary School

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

Title I schools are eligible for comprehensive support and improvement (CSI) based on their performance on the California School Dashboard. West Park Elementary School is eligible for CSI based on its performance on the 2023 California School Dashboard. West Park Elementary School's criteria for eligibility is attributable to three of five 2023 Dashboard Indicators being RED overall. The three 2023 Dashboard indicators were the English Language Progress Indicator, the ELA Academic Indicator, and the Math Academic Indicator.

There are school planning requirements for schools eligible for CSI. For single school districts using the LCAP as their planning document, the school-level CSI planning requirements may be incorporated into the LCAP. West Park Elementary School District is a single school, TK-8, school district. For this reason, this LCAP serves as the annual planning document, and the school planning requirements for CSI will be incorporated into this LCAP. Firstly, CSI schools must engage with educational partners in the development of the CSI plan. This requirement is met by the engagement process outlined in the Engaging Educational Partners section of this LCAP. Secondly, a school-level needs assessment is required. This requirement is addressed in the explanation for why each goal was developed. Progress of the CSI plan must be monitored by each of the State Indicators. This requirement is met in the measurable outcomes section of each goal. CSI schools must include evidence-based actions in their CSI plan. The actions included and funded with CSI funds will be integrated within this LCAP. Finally, the CSI plan must identify and address any resource inequities. The resource inequities are addressed in this prompt.

The most significant resource inequity at West Park Elementary School is inequitable student access to qualified teachers due to challenges with hiring and retaining fully credentialed teachers in all classrooms. Another inequity is student access to mental health services. The district has been able to retain one qualified counselor since mid-year. The district is currently in the process of hiring a second counselor to ensure all students have equitable access to mental health services. To address the challenges with recruiting and retaining highly qualified teachers, the district will participate in several job fairs this spring and use multiple social media platforms to actively recruit teachers early. In 2023-24, the district recognized a significant resource inequity in student access to current standards-aligned curriculum. The district took the first steps to remedy this problem by purchasing both a new ELA/ELD curriculum and a new math curriculum including supplemental materials and teacher professional development to ensure the teaching and learning needs of teachers and students are met. The district also invested in Character Counts, a curriculum that promotes six pillars of character, caring, citizenship, fairness, respect, responsibility, and trustworthiness, to reinforce a safe and positive school environment conducive to teaching and learning.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

The plan for CSI funds is to expand the investment in building the capacity of teachers and classroom staff who provide direct support to students. The district will partner with FCSS to provide evidence-based professional development and coaching support to all teachers. The district will utilize program analysis strategies to monitor and evaluate the effectiveness of professional development opportunities teachers are participating in during the 2024-25 school year to ensure all students have equitable access to content standards including English learner student access to ELD standards.

The reason West Park Elementary School is eligible for CSI is because of low performance in ELA, math, and English learner progress. The district is also required to include actions in the 2024-25 LCAP focused on these same areas due to the RED status of the Academic Indicators in English Language Arts and Math, and the English Learner Progress Indicator. To provide continuity of service and a higher probability of continuous improvement, the district will continue the partnership with FCSS to provide technical assistance for differentiated assistance even though they did not qualify based on the district's performance on the 2023 California School Dashboard. The partnership with FCSS is a complimentary support to the district as they monitor and evaluate the effectiveness of the CSI plan.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Teachers	<p>Teachers were engaged in the development of the 2024-25 LCAP through Academic Leadership Team meetings held on 8/23, 9/20, 10/25, 11/15, 1/24, 3/20, and 5/22, staff meetings held every Wednesday, Curriculum Adoption Committee meetings held on 7/12, 7/19, 7/24, 9/6, 10/24, 2/7, 2/14, 2/21, 4/17, and 4/24, Differentiated Assistance meetings held on 9/26, 10/11, 11/1, 2/28, 3/13, 4/10, and 5/29, and the staff survey.</p> <p>The teachers communicated the need for new curriculum adoptions in ELA/ELD, math, and SEL including supplemental materials and manipulatives to support differentiated learning opportunities. All three adoptions were made during the 2023-24 school year and professional development actions will be included in the 2024-25 LCAP to support the effective implementation of the adoptions.</p> <p>Teachers are advocating for consistent implementation of the adopted curriculum schoolwide. Teachers also communicated the need for more professional development to support English learner students and more paraprofessional staff to provide small group supplemental instruction in the classroom. Teachers want an SEL block to ensure students receive direct SEL instruction on a routine basis. Teachers are interested in increasing student opportunities for music, art, hands-on learning experiences, and excursions. Teachers advocated for the recruitment and retention of highly qualified staff through more competitive salaries.</p>

Educational Partner(s)	Process for Engagement
Principal/Administrators	<p>The principal and administrators were engaged in the development of the 2024-25 LCAP through staff meetings, the Curriculum Adoption Committee meetings held on 7/12, 7/19, 7/24, 9/6, 10/24, 2/7, 2/14, 2/21, 4/17, and 4/24, Differentiated Assistance meetings held on 9/26, 10/11, 11/1, 2/28, 3/13, 4/10, and 5/29, Senate Meetings held on 6/22, 7/20, 8/24, 9/21, 11/16, 1/18, 2/21, and 5/17, and the staff survey.</p> <p>The principal and administrators communicated the need for more highly qualified staff including teachers, counselors, and paraprofessionals. The principal and administrators are advocating for effective teacher PLCs that engage in common planning using regular benchmark assessment results. They want a more streamlined implementation of the new curriculum adoptions. The principal and administrators are also interested in providing professional development for teachers and paraprofessionals in the areas of SEL, crisis intervention, and academics.</p>
Certificated Bargaining Unit (WPECA)	<p>The Certificated Bargaining Unit (WPECA) met on 5/10/23 and 6/2/23 to discuss competitive salaries that support effective recruitment and retention of highly qualified certificated staff. WPECA also discussed stipends, teacher incentives, and benefits. These topics all impact the ability of the district to recruit and retain highly qualified staff and are integrated into the actions of the 2024-25 LCAP. A meeting with WPECA is scheduled for 6/7/24 to review a draft of the 2024-25 LCAP.</p>
Classified Bargaining Unit	<p>The Classified Bargaining Unit (CSEA) met on 7/27/23, 9/20/23, 11/8/23, and 12/12/23 to discuss competitive salaries that support effective recruitment and retention of classified staff. CSEA communicated an interest in professional development on crisis prevention intervention (CPI). Paraprofessionals communicated the need for more professional development to support the effective implementation of the newly adopted curriculums. CSEA also expressed the need for a more organized system that provides for effective time management of their roles and responsibilities. A meeting with WPECA is scheduled for 6/7/24 to review a draft of the 2024-25 LCAP.</p>

Educational Partner(s)	Process for Engagement
Parents	<p>Parents were engaged in the development of the 2024-25 LCAP through Coffee with Parents held on 10/24, 11/28, 1/23, 3/19, and 5/21, family events held on 1/28 (Carnival), 12/9 (Breakfast with Santa), and 3/30 (Easter Event), and the annual parent survey.</p> <p>Parents expressed the desire for more classified staff to ensure campus safety. They also advocated for improved communication.</p>
Students	<p>Students were engaged in the development of the 2024-25 LCAP through the family events listed above and the annual student survey. Students were also involved in the development of the 2024-25 LCAP through informal student-to-leader conversations with the Superintendent and Principal.</p> <p>Students communicated a desire for more student activities including academic, athletic, and social. They also advocated for more field trips.</p>
SELPA	<p>Site leadership consulted with the SELPA monthly, and most recently on 5/32, to ensure the 2024-25 LCAP actions focused on students with disabilities are aligned with IEP goals and other improvement plans designed to improve outcomes for students with disabilities.</p>
Other School Personnel	<p>Other school personnel including facilities, technology, and food services staff were engaged in the development of the 2024-25 LCAP through the staff survey and Senate Committee meetings held on 6/22, 7/20, 8/24, 9/21, 11/16, 1/18, 2/21, and 5/17.</p> <p>Other school personnel expressed an interest in more materials and supplies to effectively maintain campus facilities. They also advocated for upgraded technology and infrastructures and the streamlining of structures and procedures.</p>
Comprehensive Support & Improvement (CSI) Partner Engagement	<p>The engagement of educational partners to meet the requirements of CSI and the development of the CSI plan occurred during School Site Council meetings scheduled on 10/19, 11/16, 12/5, 12/14, 1/25, 2/29, 3/21, 4/26, 5/3, and 5/23. Partners expressed interest in increased campus security, the need to continue the focus on improving campus</p>

Educational Partner(s)	Process for Engagement
	culture, the desire for classrooms that embrace 21st-century learning opportunities, the continuance of small class sizes, and higher expectations for student learning. The CSI funds will be used to expand the investment in building the capacity of teachers and classroom staff who provide direct support to students. The district will partner with FCSS to provide evidence-based professional development and coaching support to all teachers.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The 2024-25 LCAP was influenced by the feedback provided by educational partners in the following ways:

Action 1.1 provides for the recruitment and retention of highly qualified staff through more competitive salaries.

Action 1.2 prioritizes professional development focused on the effective implementation of the new ELA/ELD and math curriculum. A new science curriculum is planned for adoption during the 2024-25 school year and professional development to support the initial implementation is also reflected in this action.

Action 1.3 adds a focus on supporting the needs of LTELs through professional development to support effective integrated ELD in the core academic areas.

Action 1.4 provides for continued weekly teacher release time to engage in professional learning communities (PLCs).

Action 1.9 aligns with the input from teachers and parents alike for more qualified classified staff to support classroom instruction and campus safety.

Action 2.3 prioritizes effective two-way communication with families. Parents continue to advocate for improved communication between school and home.

Action 3.1 provides for continued resources to invest in upgraded technology, facilities, and infrastructures which is supported by input from all educational partners.

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	Improve student academic achievement for all students, including English learners, foster youth, low-income students, and students with exceptional needs.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)
- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 7: Course Access (Conditions of Learning)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Goal 1 was developed to articulate our commitment to student academic progress through equitable access to programs and services that meet the needs of all students particularly the unique needs, conditions, and circumstances of low-income students, English learner students, and foster youth. This goal demonstrates a dedication to continuous improvement through evidenced-based practices that effectively support equitable student learning and outcomes.

Student performance on the 2023 Smarter Balanced Assessment (SBAC) in English language arts (ELA) and math is mixed. Student performance on the 2023 SBAC in ELA declined from 2022 to 2023 from 17.2% meeting or exceeding standards to 15.9% meeting or exceeding standards in English language arts. However, in mathematics, student performance on the SBAC increased from 2022 to 2023 from 8.4% meeting or exceeding standards in math to 10.0% meeting or exceeding standards in math. A comparison of performance to the overall performance of students in Fresno County indicates a significant need to increase performance in both ELA and math. In 2022-23, 43.1% of Fresno County students met or exceeded English language arts standards compared to 15.9% at West Park Elementary School. In mathematics, 30.4% of Fresno County students met or exceeded standards compared to 10.0% at West Park Elementary School.

In 2023, low-income student performance in English language arts declined from 16.3% to 15.1%. English learner students performed lower than students overall in English language arts, however, their performance increased in 2023 from 7.9% to 9.6%. There are fewer than 10 foster youth in the district and for this reason, their scores are not reported.

Students Meeting or Exceeding Standards in ELA: Percentage change from 2022 to 2023
 Overall: 17.2% (2022), 15.9% (2023); Change from 2022 to 2023 is -1.3%
 Students with Disabilities: 9.5% (2022), 6.3% (2023); Change from 2022 to 2023 is -3.2%
 Low-Income: 16.3% (2022), 15.1% (2023); Change from 2022 to 2023 is -1.2%
 English Learners: 7.9% (2022), 9.6% (2023); Change from 2022 to 2023 is +1.7%
 Long-Term English Learners: 0% (2023)

Asian: 24.0% (2022), 23.8% (2023); Change from 2022 to 2023 is -0.2%
Hispanic: 17.6% (2022), 14.8% (2023); Change from 2022 to 2023 is -2.8%
White: 0% (2022), 11.8% (2023); Change from 2022 to 2023 is +11.8%

Students Meeting or Exceeding Standards in Math: Percentage change from 2022 to 2023
Overall: 8.4% (2022), 10.0% (2023); Change from 2022 to 2023 is +1.6%
Students with Disabilities: 9.5% (2022), 3.2% (2023); Change from 2022 to 2023 is -6.3%
Low-Income: 6.8% (2022), 7.6% (2023); Change from 2022 to 2023 is +0.8%
English Learners: 4.5% (2022), 6.0% (2023); Change from 2022 to 2023 is +1.5%
Long-Term English Learners: 0% (2023)
Asian: 8.0% (2022), 15.0% (2023); Change from 2022 to 2023 is +7.0%
Hispanic: 7.7% (2022), 9.3% (2023); Change from 2022 to 2023 is +1.6%
White: 7.7% (2022), 11.8% (2023); Change from 2022 to 2023 is +4.1%

In 2023, student performance in mathematics increased overall by 1.6%. The performance of each significant student group also increased except for students with disabilities. Low-income student performance in mathematics increased by 0.8%, and English learner student performance increased by 1.5%. However, a performance gap persists for low-income and English learners students compared to all students.

Students Meeting or Exceeding Standards in Science: Percentage change from 2022 to 2023
Overall: 7.8% (2022), 15.6% (2023); Change from 2022 to 2023 is +7.8%
Students with Disabilities: Fewer than 11 students
Low-Income: 7.3% (2022), 12.2% (2023); Change from 2022 to 2023 is +4.9%
English Learners: 0% (2022), 3.8% (2023); Change from 2022 to 2023 is +3.8%
Long-Term English Learners: Fewer than 11 students
Asian: Fewer than 11 students
Hispanic: 7.8% (2022), 11.1% (2023); Change from 2022 to 2023 is +3.3%
White: Fewer than 11 students.

The 2023 California Science Test (CAST) results show progress overall and for each significant student group. Student performance overall increased from 7.8% to 15.6% meeting or exceeding standards in science.

The actions in Goal 1 are designed to ensure continuously improving student academic achievement over time. The Smarter Balanced Assessment in mathematics and the California Science Test showed positive growth overall in 2023. Student performance in English language arts decreased overall and for most significant student groups but increased for English learners. The efforts of the district to understand the root causes and reverse the trend of low student performance are beginning to have an impact. For this reason, the 2024-25 LCAP will continue the course of improvement with a new strengthened approach to actions that will improve outcomes in English language arts and sustain growth in mathematics and science.

An area of identified need to be addressed by the actions in Goal 1 will be English learner progress. The English Learner Progress Indicator (ELPI) declined significantly in 2023 to 17.1% of English learners making progress toward English language proficiency compared to 49.6% in 2022. The actions in Goal 1 have not been effective in obtaining the desired results. The significant difference in planned and actual expenditures in the previous year's plan highlights the need to find a qualified person to fill the posted position of English Learner Coordinator.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline

Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Access to a Broad Course of Study including programs and services for unduplicated pupils and students with exceptional needs	<p>All students have access to a broad course of study. Low-income, English learner students, foster and homeless youth, and students with exceptional needs have access to additional support through increased staffing and supplemental instructional materials to ensure equitable access to the California content standards.</p> <p>General education teachers are responsible for ensuring all students have access to a broad course of study as part of the core educational program. Personnel costs associated with the core educational program also include administrative costs associated with implementing the core educational program. Teachers and administrators work in collaboration with supplemental team members who provide additional support for English learner students, low-income and foster youth including the English Learner Coordinator (Action 1.3), bilingual paraprofessionals (Action 1.9), and ELA and math instructional coaches (Action 1.8). Beyond the core</p>	\$3,544,420.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>instructional program, the Academic Leadership Team will serve as teachers leaders to support a quality instructional program that is accessible to all learners through peer mentorship and support during collaborative teacher planning time.</p> <p>District educational partners believe in the importance of programs and activities that enhance the core curriculum to encourage students' active engagement in school. The district will provide clubs, athletics, motivational programs, and other co-curricular activities to help students feel connected to the school community.</p>		
1.2	Professional Development for Teachers and Paraprofessionals	<p>The Academic Leadership Team will work collaboratively with district leadership to identify and select specific professional learning opportunities provided by content experts for all teachers and classroom support staff to support the continuous improvement of instructional practices that effectively meet the learning needs of low-income students, English learner students, and foster youth. Deepening teacher knowledge and skill of the California Content Standards remains a priority, but a new focus will be on English language arts and English language development. Professional learning opportunities will be provided to all teachers and paraprofessionals.</p> <p>A strengthened approach to this action is to also prioritize the effective implementation of the district's new core adoptions in ELA/ELD and math. The professional development will continue to focus on differentiated lessons that meet the specific needs of English learner students, low-income students, and foster and homeless youth. It will also focus on the vertical alignment of instruction. Follow-up, in-classroom coaching, and feedback will be provided by instructional experts throughout the year to support teachers with the implementation of what they learned through professional development courses. Providing ongoing professional learning and coaching support to our staff will provide low-income students, English learner students, and foster youth with greater access to the California Content Standards. Professional development activities and classroom-based support for teachers and paraprofessionals will continue until significant growth in academic achievement for low-income students,</p>	\$215,500.00	Yes

Action # Title	Description	Total Funds	Contributing
	<p>English learner students, and foster youth in the areas of ELA, ELD, math, and science are realized.</p> <p>Weekly common teacher planning time will bring teachers together to learn from one another and collaborate on continuous improvement projects focused on the needs of low-income students, English learner students, and foster youth, which will lead to improvements in lesson quality, instructional effectiveness, and student achievement.</p> <p>This action is a required action to address the RED Academic Indicator in ELA for the following groups: Overall performance, English learner students, low-income, and Hispanic students.</p> <p>This action is a required action to address the RED Academic Indicator in math for the following groups: Overall performance, English learner students, low-income, and Hispanic students.</p> <p>This action is a required action to address the RED English Learner Progress Indicator.</p>		
1.3 Integrated and Designated ELD	<p>Designated and integrated English Language Development (ELD) will be provided to all English learner students. It will be taught by appropriately credentialed teachers and supported by qualified bilingual paraprofessionals. The English Learner Coordinator will ensure the development and implementation of an annual English Learner Master Plan. Designated and integrated ELD will be provided daily with designated instruction provided in small-group settings with a certificated teacher and a paraprofessional's support. The Coordinator will provide direct support to teachers and students to ensure high-quality designated ELD is provided daily for all English learner students and integrated ELD strategies are masterfully implemented in all core academic areas.</p> <p>This action will be strengthened by focusing attention on the differences in instructional needs of long-term English learners (LTELs) versus newcomers or younger students. Professional development to support effective integrated ELD in the core academic areas, especially for English learner students stuck at the intermediate levels of English proficiency, will be a new focus of teacher learning opportunities. Professional</p>	\$121,953.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>development will prioritize academic language including English syntax, grammar, and vocabulary. Writing instruction will also be a focus of English learner students including LTELs. The professional development for upper- and middle-grade teachers is particularly important to help long-term English learners reading below grade level who are struggling with content areas that require literacy.</p> <p>This action includes expenditures on necessary supplementary supplies and technology including hotspots, software programs, and Chromebooks, all focused on meeting the needs of English learner students in Level 1 and Level 2.</p> <p>This action is a required action to address the needs of long-term English learner (LTEL) students.</p>		
1.4	Supplemental Instructional and Assessment Resources	The district will provide supplemental resources that provide the assessment data needed to support effective instruction for low-income students, English learner students, and foster youth through differentiated strategies, leveled reading, and guided and independent practice. These resources include but are not limited to Renaissance Reading and Math and iReady online instructional and assessment resources.	\$132,951.00	Yes
1.5	Supplemental Supports	<p>Supplemental materials, supplies, and resources will be provided to staff to support effective differentiated lessons within the core instructional program and well-rounded, contextualized activities that enhance learning for low-income, English learner students, and foster youth, building upon and connecting the learning experiences to the contexts of their student's life experiences.</p> <p>The district will also provide supplemental academic support programs including Reading Corps and Math Corps that address skill sets that will allow low-income, English learner, and foster youth students to access enrichment activities and interests. Using these resources, teachers design project-based and experiential learning opportunities, blended subject lessons, interventions, differentiated lessons, and extended lessons to</p>	\$177,790.00	Yes

		deliver enhanced lessons supporting base skills, cultural knowledge, career interest, world experiences, health and nutrition, visual and performing arts, social responsibilities, and self-worth. These lessons will incorporate supplemental text, resources, realia, and presenters from the community.		
1.6	Student Tutorial Support	<p>To meet this need for supplemental instructional support for low-income students, English learner students, foster youth, and Hispanic youth, the district will provide the opportunity for qualified staff to provide academic support to students and their families after school hours. This need will be met through tutoring services provided by district teachers, the California Teaching Fellows Foundation, and via phone and web-based platforms.</p> <p>This action is a required action to address the RED Academic Indicator in ELA for the following groups: Overall performance, English learner students, low-income, and Hispanic students.</p> <p>This action is a required action to address the RED Academic Indicator in math for the following groups: Overall performance, English learner students, low-income, and Hispanic students.</p>	\$290,366.00	Yes
1.7	Intersessions	In collaboration with the Academic Leadership Team, district leadership will plan and offer instructional intersessions during fall, winter, and spring breaks, and during the summer to increase student learning time and improve student outcomes for traditionally underserved youth including low-income students, English learner students, and foster youth.	\$170,000.00	Yes
1.8	Reading and Math Instructional Coaches	The district will provide a Reading and a Math Instructional Coach who will provide direct support to teachers and identified students by ensuring that well-designed, content-rich lessons in ELA and math are delivered in a pedagogically sound and effective manner. This support will consist of co-planning with teachers during PLC time, providing support with lesson design; real-time instructional coaching, and modeling of best practices in	\$211,617.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>the classroom, and the incorporation of instructional rounds into classrooms to improve the effectiveness of all teachers.</p> <p>This action is a required action to address the RED Academic Indicator in ELA for English learner students.</p> <p>This action is a required action to address the RED Academic Indicator in math for English learner students.</p> <p>This action is a required action to address the RED English Learner Progress Indicator.</p>		
1.9	Paraprofessional Support for Students	The district will invest in ten (10) paraprofessionals to provide direct instructional support to low-income students, English learner students, and foster youth in the classroom under the supervision and guidance of appropriately credentialed teachers.	\$247,007.00	Yes
1.10	Technology and Infrastructure to Support Student Learning	The district will provide supplemental technology resources and support to ensure equitable access for low-income students, English learner students, and foster youth to 21st-century content standards. With current technology, teachers are able to provide current and relevant learning opportunities aligned with the content standards. Technology will provide for improved communication and partnerships between educators and the families of low-income students, English learner students, and foster youth. The district will continue to maintain and replace technology and the related infrastructure to ensure effective learning opportunities that include equitable access for low-income, English learners, and foster youth.	\$120,000.00	Yes
1.11	Support To Students With Disabilities	Students with disabilities will be provided specialized and targeted support as outlined in their Individualized Education Plans (IEPs). Students with disabilities will have access to specialized academic instruction and other designated instructional services as outlined in their IEP to ensure equitable access to free and appropriate public education. Services provided to students with disabilities will be aligned with all district programs to ensure students achieve their highest academic potential and all social-emotional needs are met.	\$233,370.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>Students with disabilities at West Park Elementary had disproportionately higher suspension rates compared to all students during the 2022-23 school year resulting in a RED Suspension Rate Indicator for students with disabilities. Students with intellectual disabilities are at increased risk of developing challenging behavior. The district will engage in a root cause analysis of the underlying reasons for the behaviors that resulted in suspension to determine which students' behaviors are related to their identified disabilities. The district will partner with FCSS experts to develop individualized behavior plans for students with disabilities with disproportionately higher rates of suspension. Teachers will be provided professional development to deepen their knowledge and skills to support the needs of students experiencing behaviors that interrupt the learning process.</p> <p>This action is a required action to address the RED Suspension Rate Indicator for students with disabilities.</p>		
1.12	Class Size Reduction	West Park Elementary School is committed to ensuring lower class sizes in grades K-6 beyond statutory requirements to ensure teachers can effectively differentiate their support to provide increased attention to students in need of additional support including low-income students, English learner students, foster and homeless youth. These identified students are traditionally underserved students who are provided equitable access to core learning opportunities through individualized and personalized instruction and support within all learning environments.	\$171,754.00	Yes
1.13	School Instructional Leadership	West Park Elementary School District will continue to refine the instructional leadership model with a dedicated instructional leader at the elementary school campus and will continue the role of the Academic Leadership Team. Instructional leadership is a model of school leadership in which the administrator spends the majority of their time (.5 FTE) collaborating with teacher leaders and working alongside teachers to provide support and guidance in establishing best instructional practices in the classroom, specifically instructional practices that meet the unique	\$82,716.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>needs of low-income students, English learner students, and foster and homeless youth. Instructional leaders communicate with staff and set clear goals related to student achievement together with teachers. The instructional leader is an expert teacher who possesses the skills to provide coaching and mentoring to teachers, as well as professional learning opportunities that allow teachers to explore best practices in teaching. The instructional leader will also provide support and oversight of professional learning communities where teachers share best practices and brainstorm innovative ways to improve learning and drive student achievement. The goal of the instructional leadership model is to increase student academic achievement by developing reflective educators who are equipped to provide timely and targeted interventions and supports in the classroom when and where they are needed.</p>		

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	Sustain a school culture in which organizational communication is valued, parent involvement is encouraged, student discipline is effective, staff and students are recognized, and student activities and supports result in positive outcomes.	Broad Goal

State Priorities addressed by this goal.

- Priority 3: Parental Involvement (Engagement)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Goal 2 was developed to articulate our commitment to our educational partners to strengthen parent and family engagement, re-establish the district's vision and mission, improve our routines and procedures, and demonstrate efficacy and consistency of routines and procedures that promote high levels of student engagement and a love for learning.

Chronic absenteeism declined significantly from 53.5% in 2022 to 33.9% in 2023 in response to the efforts of the district to engage families and students and help them feel more connected to school. However, a comparison to chronic absenteeism in Fresno County in 2023 which is at 25.3% indicates the need for a continued focus on the district's commitment to our educational partners to sustain a positive school culture where two-way communication is valued. The suspension rate overall increased slightly from 3.5% in 2022 to 4.0% in 2023, but a highlight was a decrease in the suspension rate for English learners from 4.7% in 2022 to 4.2% in 2023. Additionally, the district's suspension rate is lower than the overall suspension rate in Fresno County which is 5.6%.

Attendance Rate: 90.5% (2023), 93.0% (2024)

Chronic Absenteeism Rate:

Overall: 53.5% (2022), 33.9% (2023)

Low-Income: 54.1% (2022), 34.7% (2023)

English Learners: 49.3% (2022), 27.2% (2023)

Hispanic: 54.9% (2022), 35.6% (2023)

White: 50.0% (2022), 19.0% (2023)

Students with Disabilities 66.7% (2022), 59.7% (2023)

Suspension Rate:

Overall: 3.5% (2022), 4.0% (2023)

Low-Income: 2.6% (2022), 4.5% (2023)
 English Learners: 4.7% (2022), 4.2% (2023)
 Hispanic: 3.7% (2022), 4.3% (2023)
 White: 0% (2022), 4.5% (2023)
 Students with Disabilities 2.0% (2022), 7.1% (2023)

The actions in Goal 2 are designed to create and sustain a positive school culture and provide for the social and emotional well-being of students, families, and staff. The initial steps the district is taking to attain this goal are having the intended impact as demonstrated in the chronic absenteeism rates. While the suspension rate increased slightly, it is still lower than the overall suspension rate for Fresno County which is at 5.6%. For this reason, the 2024-25 LCAP will continue the course of improvement with a new strengthened approach to actions that will improve the culture and climate of the school, continue to reduce chronic absenteeism, sustain low suspension rates, and increase attendance.

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Students and Parents: Positive Attendance Support	<p>To ensure our low-income students, English learners, and foster youth are connected to school and in class actively learning, supplemental supports designed to monitor student attendance and intervene early will be provided promptly and on a routine basis to assist in the removal of any potential barriers the families of our low-income students, English learner students, and foster youth may be experiencing that is interfering with their child's regular attendance and active engagement in school.</p> <p>To provide this increased support principally directed to these families, the district will provide a Pupil Services Specialist to implement an effective Student Attendance Review Team (SART) and Student Attendance Review Board (SARB) processes that focus on supporting families, engage in regular communication with families regarding attendance and absences, and provide frequent positive recognition of positive student</p>	\$118,064.00	Yes

Action # Title	Description	Total Funds	Contributing
	engagement in school. Regular attendance at school for both students and staff is a priority of the district. For this reason, students and staff will be recognized for regular attendance at school.		
2.2	<p>Positive Behavioral Interventions and Supports (PBIS)</p> <p>In 2024-25, a PBIS school team will continue to improve the schoolwide PBIS system based on the identified needs of the staff needs assessment. Professional development will continue to focus on alternatives to suspensions. An additional strategy will add the development of a discipline matrix to support appropriate student interventions. The counselor at West Park Elementary School will continue to provide social and emotional support for students (the cost is reflected in Action 2.5). The Board Certified Behavior Analyst (BCBA) will provide the expertise needed to effectively understand the student behaviors of low-income students and foster youth, support staff, and develop individual student plans to support healthier students who are more engaged in school and can more effectively access core academic content. These supports are particularly important in addressing the needs and circumstances of foster youth who commonly experience greater levels of trauma and low-income students who may not otherwise have access to mental health services.</p> <p>The PBIS philosophy is student-centered and focused on character development and consistent positive reinforcement, providing structured, positive learning environments that our foster youth, low-income, and English learner students need. Implementation of the PBIS philosophy includes stipends for the additional work and meetings, the cost of supplemental materials and supplies, branding and messaging, substitute teacher costs, and educational incentives for low-income and English learner students.</p>	\$203,908.00	Yes
2.3	<p>Two-Way Communication with Families</p> <p>Electronic two-way communication systems such as automated phone calling systems, Google platform communication and outreach tools, Parent Square, Zoom, etc. enhance communication with parents and support the implementation of annual district surveys. District staff assist parents and other staff to enhance the effective use of technology.</p>	\$124,500.00	Yes

Action #	Title	Description	Total Funds	Contributing
2.4	Parent and Family Engagement	<p>Parent and family engagement will be supported through planned activities such as workshops with guest speakers, family nights, back-to-school night, open house, academic awards ceremonies, technology classes, English classes, and a parent club. The Pupil Services Specialist (Action 2.1) will provide additional resources necessary to provide a robust family engagement plan that meets the unique needs of low-income families, English learner families, and foster youth. There is a continued need to build the capacity of the district to provide high-quality family engagement opportunities. The action includes a supplemental materials and supplies budget to ensure parents and families have the resources they need to effectively engage in personal learning and development. Surveys will be administered annually to assess parental participation, engagement, safety, and satisfaction.</p>	\$24,250.00	Yes
2.5	Mental Health Support	<p>West Park Elementary School District is committed to ensuring the physical and mental health of low-income students, English learner students, and foster youth by providing a counselor and contracted services with a non-profit, clinic-level mental health agency to provide mental health support for students and families. Mental health support is an important resource, especially in addressing the needs and circumstances of foster youth who typically experience greater levels of trauma and low-income students who may not otherwise have access to mental health services.</p>	\$140,190.00	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	Provide effective school operations to improve school attendance, support labor, maintain transportation services, sustain facilities and infrastructure, practice sound purchasing/acquisition protocols, provide food services, and secure appropriate operation/service agreements.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 5: Pupil Engagement (Engagement)

An explanation of why the LEA has developed this goal.

This goal underscores the importance of providing all students and staff with safe, clean facilities conducive to learning thereby allowing teachers to teach and students to learn at the highest levels. The metrics are based on the district's FIT report and local survey results and will be used to ensure that all of West Park Elementary facilities are in good repair, and are well-kept (clean). Each school year, school staff will provide the community with facility updates, needs, concerns, etc. In addition, all educational partners will have ongoing opportunities to comment and share concerns on the District's website, as well as at meetings throughout the school year.

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	Expanded Learning Environments	<p>To increase student-to-student educational interactions and accelerate and enhance learning opportunities, an expansion of outdoor learning environments is planned. The district will develop additional outdoor learning areas that can be utilized for student instruction of core academic areas through project-based, hands-on learning opportunities. Outdoor spaces conducive to learning will increase their students' depth of knowledge and application.</p> <p>Improvements to outdoor play spaces will provide an inviting and safe place for students to socialize and deepen their connection to school. Improvements to outdoor play spaces/fields will tap into students' interests outside of academics and may be the reason for some students to prioritize their attendance at school.</p>	\$250,000.00	Yes
3.2	Facility Monitoring	<p>West Park Elementary School is located in an area where response and monitoring off-hours require more manpower than it can afford. The intent of this action is to decrease vandalism and to increase the supervision of areas that have low supervision. Perimeter protection and storage capacity will be increased, and coverage extended for delayed reporting of incidents. This will also provide data through automated electronic monitoring. The action will increase server capacity to allow for the expansion of the security system.</p>	\$40,000.00	No
3.3	Clean and Safe Schools	<p>West Park Elementary School District custodians serve the important role of maintaining the cleanliness and safety of our educational facilities.</p>	\$110,258.00	No

Action #	Title	Description	Total Funds	Contributing
		allowing students, staff, and families to enjoy a clean and secure environment for learning activities. Proper cleaning and maintenance can make a meaningful impact on educational success for both young learners and teachers. Research supports a positive correlation between facility cleanliness, air quality, and academic performance.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Need: The 2023 California Assessments of Student Performance and Progress (CAASPP) show the results for our low-income students, English learner students, and foster youth are performing significantly below their peers throughout the county and state on the CAASPP English language arts, mathematics, and science assessments. Performance in ELA decreased overall, but performance in math increased overall. Local assessments administered during the 2024 school year indicate growth in student performance in the core content areas which indicates student performance on the 2024 CAASPP assessments will also show growth. These early indicators of success suggest continued investment in this action with a strengthened approach by developing a technology replacement plan.</p> <p>Scope: Schoolwide</p>	<p>internet is a problem in rural Fresno County which is well-documented by local and state research. Access to technology resources both in school and at home will directly address the needs of low-income students, English learner students, and foster youth. An additional need to address the learning of low-income students, English learner students, and foster youth is to ensure teachers also have access to the necessary technology to deliver the curriculum that is designed to leverage 21-st century learning opportunities including visual instructional supports, virtual classrooms, and access to resources that are only available electronically.</p> <p>Providing these additional technology resources will support the implementation of current 21st-century technology-embedded teaching and learning structures that are standard best practices, ensuring equitable access for low-income students and foster youth whose financial circumstances may not allow for access to the latest technological resources. By maintaining and upgrading technology for teachers and the identified students to ensure continued electronic access to learning and teaching, the academic achievement of English Learners and low-income students will increase year over year, as measured by CAASPP assessments in ELA and math, or local assessments.</p> <p>This action is provided on an LEA-wide basis because all students need access to technology, however, it is principally directed to the circumstances of low-income students, English</p>	Local Assessment Math (iReady)

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.12	<p>Action: Class Size Reduction</p> <p>Need: The 2023 California Assessments of Student Performance and Progress (CAASPP) show the results for our low-income students, English learner students, and foster youth are performing significantly below their peers throughout the county and state on the CAASPP English language arts, mathematics, and science assessments. Performance in ELA decreased overall, but performance in math increased overall. Local assessments administered during the 2024 school year indicate growth in student performance in the core content areas which indicates student performance on the 2024 CAASPP assessments will also show growth. These early indicators of success suggest continued investment in this action with a strengthened approach through additional investments in teacher professional development focused on the effective implementation of the newly adopted curriculum.</p> <p>Scope: Schoolwide</p>	<p>learner students, and foster youth who may otherwise have no access to technology.</p> <p>Evidence and experience demonstrate that students perform better when they have access to more effective teaching and more focused learning. In a reduced class size setting, more teacher-to-student and student-to-teacher interactions allow teachers to recognize the needs of individual students and customize instruction and support. Teachers know their students on a more individual basis and can more easily identify learning needs early, when early intervention has the greatest impact on student growth. In a small class setting, the environment supports more student connection and greater social and emotional student health.</p> <p>By continuing to sustain additional teachers, the district will make it possible for a smaller staff-to-student ratio to be able to provide this targeted support. Maintaining a commitment to smaller class sizes has the potential to impact individual student learning in the core academic areas and increase English learner students' language proficiency levels as evidenced in the CAASPP results or local measures. We expect that the state or local achievement data in the areas of ELA and math for foster youth, low-income and English learners will increase as the program is designed to meet the learning needs and experiences most associated with these specific student groups. However, because we expect that all students struggling academically will benefit, this action is provided on a school-wide basis.</p>	<p>Smarter Balanced ELA Smarter Balanced Math Local Assessment Reading (iReady) Local Assessment Math (iReady)</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		This action is provided on an LEA-wide basis because all students benefit from reduced class size, however, it is principally directed to meet the needs of low-income students, English learner students, and foster youth who will experience increased equitable access to the content standards including ELD standards for English learner students.	
1.13	<p>Action: School Instructional Leadership</p> <p>Need: The 2023 California Assessments of Student Performance and Progress (CAASPP) show the results for our low-income students, English learner students, and foster youth are performing significantly below their peers throughout the county and state on the CAASPP English language arts, mathematics, and science assessments. Performance in ELA decreased overall, but performance in math increased overall. Local assessments administered during the 2024 school year indicate growth in student performance in the core content areas which indicates student performance on the 2024 CAASPP assessments will also show growth. These early indicators of success suggest continued investment in this action with a strengthened approach and focus on the formation of professional learning communities.</p> <p>Scope: Schoolwide</p>	<p>Improved instructional strategies as a result of the instructional leadership model will benefit low-income students and foster youth who experience an achievement gap due to fewer resources outside of school, increased hunger, and greater childhood traumas. English learner students will also benefit significantly from improved instructional strategies that address their varying language abilities and limited academic vocabulary.</p> <p>The instructional leader has a great deal of responsibility to low-income students, English learner students, foster youth, teachers, parents, and the community. They are supportive, motivating, and knowledgeable about student learning, including academic and social-emotional learning. Together, the instructional leader and instructional leadership team communicate a clear vision for classroom practices and communicate expectations for teachers and students through a supportive, mentoring approach.</p> <p>The impact of an instructional leadership model is to continuously improve equity and access to high-quality learning experiences and improved academic outcomes for all students with an</p>	<p>Smarter Balanced ELA Smarter Balanced Math Local Assessment Reading (iReady) Local Assessment Math (iReady)</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		<p>emphasis on closing achievement gaps. By implementing this action as described, we expect the achievement of low-income students, English learner students, and foster youth will increase on both state and local assessments in ELA and math.</p> <p>This action is provided on an LEA-wide basis because all students will have access to the instructional leader and all students will benefit from improved instructional strategies. However, this action is principally directed toward low-income students, English learner students, and foster youth who may disproportionately experience circumstances such as childhood trauma, hunger, and/or language barriers that result in an achievement gap.</p>	
2.1	<p>Action: Students and Parents: Positive Attendance Support</p> <p>Need: Chronic absenteeism rates for low-income students and English learner students continue at higher rates than desirable, however, are decreasing. In 2023, the chronic absenteeism rate declined to 33.9% from 53.5% in the previous year. Chronically absent students are not only missing out on school and opportunities to learn, but they are at the greatest risk of falling behind which disproportionately impacts our low-income students, English learner students and foster youth who are already experiencing lower achievement levels compared to all students.</p>	<p>Supplemental supports focused on high levels of student engagement in school are designed to support the families of our low-income students, English learner students, and foster youth by assisting with the removal of barriers that may interfere with active engagement in school and affect them disproportionately such as transportation needs, medical needs, or other circumstances that make it difficult to ensure their child is in school, on-time, every day.</p> <p>This action will address the need to reduce chronic absenteeism by monitoring student attendance and intervening early with support on a prompt and routine basis to assist in the removal of any potential barriers the families of our low-income students, English learner students, and foster</p>	Chronic Absenteeism Rate Local Assessment in ELA Local Assessment in Math Student and Parent Survey Measure of Connectedness to School

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Research also shows that chronic absenteeism is an early predictor of high school dropout. For this reason, chronic absenteeism disproportionately impacts low-income students, English learners, and foster youth since it has the potential to accelerate achievement gaps and compound other factors impacting academic achievement.</p> <p>Scope: Schoolwide</p>	<p>youth may be experiencing that is interfering with their child's engagement in school.</p> <p>This action is being provided on an LEA-wide basis because monitoring student attendance and intervening early is beneficial for all students. However, this action is designed to target the needs of low-income, English learner students, and foster youth so that chronic absenteeism does not affect them disproportionately.</p> <p>We expect that this action, through continuously improved implementation over time, will result in decreased chronic absenteeism, thereby increasing academic outcomes.</p>	
2.2	<p>Action: Positive Behavioral Interventions and Supports (PBIS)</p> <p>Need: Disproportionate suspension rates, high chronic absenteeism, and low student connectedness to school persist.</p> <p>In 2022-23, the suspension rate increased to 4.0% from 3.5% in 2021-22 and is disproportionately higher for low-income students (4.5%). However, the suspension rate for English learners declined from 2021-22 to 2022-23, from 4.7% to 4.2%. In 2022-23, chronic absenteeism declined significantly from 53.5% to 33.9%.</p>	<p>A Board Certified Behavior Analyst (BCBA) will provide the expertise needed to effectively understand the student behaviors of low-income students and foster youth, support staff, and develop individual student plans, which will result in healthier students who are more engaged in school and able to more effectively access core academic content.</p> <p>This action is provided on an LEA-wide basis because timely and appropriate social and emotional support is beneficial to all students. However, the action is principally focused on the needs and circumstances of foster youth who commonly experience greater levels of trauma and low-income students who may not otherwise have access to mental health services.</p> <p>The implementation of the PBIS system with integrity should result in decreases in office</p>	<p>Suspension Rate</p> <p>Chronic Absenteeism Rate</p> <p>Attendance Rate</p> <p>Student Survey Measure of Connectedness to School</p> <p>Student Survey Measure of Safety</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>A local needs assessment continues to support the need for a structured, consistently implemented, positive schoolwide behavior system that will provide the support needed to help foster youth, low-income, and English learner students actively engage in school and contribute to a healthy school environment. Research shows that effectively implementing a system of Positive Behavioral Interventions and Supports (PBIS) in schools has a significant positive impact on lowering suspension and expulsion rates, increasing student engagement in school, and improving staff morale and perceptions of school climate. PBIS is a whole school framework for establishing consistent positive discipline practices across all staff, students, and settings. It is a multi-tiered system of prevention that establishes a foundation for a healthy school environment. The model emphasizes teaching and acknowledging students for meeting behavioral expectations and providing consistent and corrective responses for problem behavior. The focus of PBIS is prevention; not punishment.</p> <p>There is evidence this action is having the desired impact of increasing student engagement in school and a continued need exists to provide staff focused on campus supervision and support. Yet, based on the varying outcome measures, this action will be changed to enhance the focus on developing and implementing a consistent schoolwide PBIS system across all staff, students, and settings.</p>	<p>referrals, suspensions, and chronic absenteeism, improved survey results indicating student connectedness to school, and increases in attendance rates for our low-income students, English learner students, and foster youth.</p>	

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Scope: Schoolwide</p>		
2.3	<p>Action: Two-Way Communication with Families</p> <p>Need: The district's low-income and English learner students and their families are at the greatest risk of not receiving accessible district communications regarding learning, safety, engagement, and other important topics due to challenges such as accessible language and translation. In our experience, low-income families often cannot meet school staff or attend events where information is provided because of work hours or lack of transportation. Parents and families who don't speak English as their primary language may face additional barriers to receiving and understanding district communications. Chronic absenteeism persists at higher than desirable levels and must decrease for students to be in school to learn. A shared understanding between educators and families about the importance of regular attendance in school is possible through effective two-way communication.</p> <p>Scope:</p>	<p>Communication gaps are minimized with district technology. Technology and resources that increase access to information benefit our families and students. Access to important information facilitates and expands the opportunities of the families of our low-income students, English learner students, and foster youth. It improves their overall experience as an educational partner and improves their ability to provide valuable input regarding their child's educational needs which impacts their academic, social, emotional, and behavioral success at school.</p> <p>Through the effective use of two-way communication tools, anticipated increases in parent decision-making and the active engagement of foster youth, low-income, and English learner students in school are expected as reflected in attendance rates and the annual family surveys.</p> <p>This action is provided on an LEA-wide basis because all families need to be included in regular communications with the school, however, a focused effort on outreach to families that are marginalized or disengaged from school such as the families of low-income students, English learner students, or foster youth will help create an inclusive culture that values all voices and results in the academic and social-emotional success of</p>	<p>Parent survey results measuring parent input in decision making</p> <p>Parent survey results measuring parent connectedness to school</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Schoolwide	low-income students, English learner students, and foster youth.	
2.4	<p>Action: Parent and Family Engagement</p> <p>Need: Based on parent educational partner input and survey data, parents and families continue to show interest in a parent club, volunteer opportunities, and parent classes that help parents know how to support their child's learning at home such as basic technology skills. Continued family engagement opportunities will support a more positive school climate and increase student engagement in school. Providing family engagement opportunities principally directed to the families of low-income students, English learner students, foster youth, and families of students with exceptional needs, will address the circumstances that impact student learning like the ability of non-English speaking families to support their child's learning at home and understanding how to access community resources such as health care and mental health services.</p> <p>Scope: Schoolwide</p>	<p>The Community Engagement Specialist will continue to collaborate with the Pupil Services Specialist to provide additional resources necessary to provide a robust family engagement plan that meets the unique needs of low-income families, English learner families, and foster youth.</p> <p>This action is provided on an LEA-wide basis because research supports that the opportunities for parents and families are positively correlated with increased engagement of their children in school. The Family Engagement Framework, a California Department of Education publication acknowledges that "family engagement is one of the single most important factors in helping students succeed in school. Parents, families, and other caring adults provide the primary educational environment for children early in life and can reinforce classroom learning throughout the school years."</p> <p>This action is expected to improve engagement and a sense of school connectedness for our educational partners, low-income students, English learner students, and foster youth as reported in the survey data and educational partner feedback.</p>	
2.5	<p>Action: Mental Health Support</p>	This action is expected to improve the mental health of low-income students and foster youth as	Chronic absenteeism Rate Attendance Rate

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Need: Chronic absenteeism rates for low-income students and English learner students continue at higher rates than desirable, however, are decreasing. In 2023, the chronic absenteeism rate declined to 33.9% from 53.5% in the previous year. A survey of students and parents indicates that continued attention be given to the emotional well-being of low-income and English learner students. The insecurities of income stability and the need for a stronger sense of community at school indicate an intentional and immediate response is needed to provide the interventions and support low-income students and English learner students need to re-engage in school.</p> <p>Research demonstrates and our own experience confirms that students who receive social, emotional, mental health, and behavior support achieve better academically. School climate, classroom behavior, engagement in learning, and students' sense of connectedness and well-being all improve as well. According to the U.S. Department of Health and Human Services, one in five children and adolescents experience mental health problems during their school years. Examples include stress, anxiety, bullying, family problems, depression, learning disability, and alcohol and substance abuse. Serious mental health problems, such as self-injurious behaviors and suicide, are on the rise, particularly among youth. Unfortunately,</p>	<p>reported in the survey data and educational partner feedback. It is anticipated that with increased mental health support, both chronic absenteeism and suspensions will decrease.</p> <p>This action is provided on an LEA-wide basis because all students benefit from mental health supports, however, the action is principally directed to meet the needs and circumstances of low-income and foster youth who may experience disproportionately higher rates of childhood trauma and food scarcity that can contribute to or trigger mental health challenges and concerns.</p>	<p>Surveys of students and parents measuring school safety</p> <p>Surveys of students and parents measuring connectedness to school</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>many children and youth do not receive the help they need, and disparities in access to care exist among low-income communities.</p> <p>Scope: Schoolwide</p>		
3.1	<p>Action: Expanded Learning Environments</p> <p>Need: Significant achievement gaps exist between overall student performance on statewide and local assessments and that of English learner students. Low-income students are performing significantly lower than their peers in both English language arts and math.</p> <p>The investment in campus modernization and temporary outdoor learning spaces resulted in a decrease in the chronic absenteeism rate increased significantly during the 2022-23 and an increase in the attendance rate in 2023-24. This data indicates the district is headed in the right direction, but investments in permanent structures are needed to sustain student engagement long term.</p> <p>Our low-income students also have the least access to safe play spaces, parks, and places for fitness. Other than school, the nearest playground is miles away. The need to increase student engagement in school through the improvement of expanded learning environments and play spaces that create a</p>	<p>The expansion of outdoor learning spaces will create stimulating learning environments for low-income students and English learner students who may need hands-on learning opportunities to effectively engage in school. As students become more actively engaged in school, they will also be more likely to attend school regularly thereby further reducing chronic absenteeism.</p> <p>For our low-income students and English learners, investing in outdoor play spaces will work together to increase their engagement in school, encourage regular attendance at school, and reduce the chronic absenteeism rate.</p> <p>This action is provided on an LEA-wide basis because all students benefit from outdoor learning spaces and engaging outdoor play spaces, but are especially important to low-income students and foster youth who may not otherwise have access to safe play spaces such as parks and places for fitness.</p>	<p>Expanded Outdoor Learning Environments ELA Expanded Outdoor Learning Environments Math Chronic Absenteeism Rate Attendance Rate</p>

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
1.3	<p>Action: Integrated and Designated ELD</p> <p>Need: The district's English learner students experienced a significant decline in English language proficiency as measured by the 2023 ELPAC summative assessment of English language acquisition and the 2023 English Learner Progress Indicator (ELPI). According to the 2023 ELPI, 49.6% were making progress in 2022. However, in 2023, only 17.1% made progress toward English language proficiency. Long-term English learners (LTEs) showed slightly higher performance on the 2023 ELPAC summative</p>	<p>The district needs expert staff on site to help teachers with the effective implementation of integrated ELD instructional strategies. Staff is also needed to provide designated English language developing instruction to all English learners including long-term English learners. The expertise of an English Learner Coordinator is needed to meet the unique needs of LTEs such as the lack of oral and literacy skills needed for academic success.</p> <p>Designated and integrated ELD taught using evidence-based instructional best practices is intended to support English learners' language acquisition which will lead to increased ELPAC scores for English learner students including LTEs and improved performance of English</p>	<p>ELPI Smarter Balanced ELA Local Assessment Reading (iReady) Reclassification Rate</p>

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
	assessment compared to all English learner students. Scope: Limited to Unduplicated Student Group(s)	learner students in all academic areas. Evidence of English learner student growth is anticipated as measured by the listed metrics.	

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

N/A

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

The district will use concentration grant add-on funds to partially fund Reading and Math Instructional Coaches (Goal 1, Action 8). Although these positions were originally included in the 2023-24 LCAP, the district has been unsuccessful in recruiting qualified staff, leaving these positions unfilled. We remain committed to increasing the number of specialized staff providing services to students and teachers as requested by educational partners, the district will enhance recruitment efforts and continue to seek to fill these positions in the 2024-25 school year. To account for add-on carryover, the addition of two paraprofessionals will also be funded with concentration grant add-on funds.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students	N/A	1:49.5
Staff-to-student ratio of certificated staff providing direct services to students	N/A	1:13.5

Local Control and Accountability Plan Instructions

[Plan Summary](#)

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e](1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e](1)). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b](4-6)).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b](1) and [2]).
 - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- o Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b](7)).
- o Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (EC sections 52064[b](6), [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in EC sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

School districts and COEs: *EC* sections [52060\(g\)](#) ([California Legislative Information](#)) and [52066\(g\)](#) ([California Legislative Information](#)) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section [47606.5\(d\)](#) ([California Legislative Information](#)) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062](#) ([California Legislative Information](#));
 - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
 - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
 - Inclusion of metrics other than the statutorily required metrics
 - Determination of the target outcome on one or more metrics
 - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
 - Inclusion of action(s) or a group of actions
 - Elimination of action(s) or group of actions
 - Changes to the level of proposed expenditures for one or more actions
 - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
 - Analysis of effectiveness of the specific actions to achieve the goal
 - Analysis of material differences in expenditures
 - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
 - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
 - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in EC sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of EC sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

**Focus Goal(s)
Description**

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
 - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
 - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
 - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a holistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: EC Section 42238.024(b)(1) (California Legislative Information) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal
Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
 - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
 - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
 - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric #	
• Enter the metric number.	
Metric	
• Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.	
Baseline	
• Enter the baseline when completing the LCAP for 2024–25.	
○ Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).	
○ Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.	
○ Indicate the school year to which the baseline data applies.	
○ The baseline data must remain unchanged throughout the three-year LCAP.	<ul style="list-style-type: none">▪ This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 . Leave blank until then.	Enter information in this box when completing the LCAP for 2026–27 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 and 2026–27 . Leave blank until then.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
 - Include a discussion of relevant challenges and successes experienced with the implementation process.
 - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
- In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
- When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
- As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #	
	<ul style="list-style-type: none">• Enter the action number.
Title	
	<ul style="list-style-type: none">• Provide a short title for the action. This title will also appear in the action tables.
Description	
	<ul style="list-style-type: none">• Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No.
 - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
 - Language acquisition programs, as defined in EC Section 306, provided to students, and
 - Professional development for teachers.
 - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
 - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
 - These required actions will be effective for the three-year LCAP cycle.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the "minimum proportionality percentage" or "MPP." The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for any action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclutory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in EC Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA’s needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in EC Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
 - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. *This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.*
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action is included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
 - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
 - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to EC Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display "Not Required."

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**

- This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.

- **4. Total Planned Contributing Expenditures (LCFF Funds)**

- This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).

- **7. Total Estimated Actual Expenditures for Contributing Actions**

- This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).

- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**

- This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).

- **5. Total Planned Percentage of Improved Services (%)**

- This amount is the total of the Planned Percentage of Improved Services column.

- **8. Total Estimated Actual Percentage of Improved Services (%)**

- This amount is the total of the Estimated Actual Percentage of Improved Services column.

- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**

- This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
 - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education
November 2023

ITEM: 2024-2025 LCAP West Park Charter Academy

PRESENTER: Dr. Clark, Superintendent of West Park Elementary School District

Date: June 25th, 2024

Action: Request for Approval

Seeking board approval for the 2024-2025 LCAP from West Park Charter Academy.

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: West Park Charter Academy
CDS Code: 10-62539-6112387
School Year: 2024-25
LEA contact information:
Dr. Brian Clark
Superintendent
brian_c@wpesd.org
(559) 233-6501

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2024-25 School Year

Projected Revenue by Fund Source

This chart shows the total general purpose revenue West Park Charter Academy expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for West Park Charter Academy is \$3,259,046, of which \$2,732,675 is Local Control Funding Formula (LCFF), \$200,215 is other state funds, \$75,000 is local funds, and \$251,156 is federal funds. Of the \$2,732,675 in LCFF Funds, \$694,156 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much West Park Charter Academy plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: West Park Charter Academy plans to spend \$3,685,722 for the 2024-25 school year. Of that amount, \$3,494,868 is tied to actions/services in the LCAP and \$190,854 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The total expenditures not included in the LCAP are related to district administration costs, utilities and other district operational costs

Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, West Park Charter Academy is projecting it will receive \$694,156 based on the enrollment of foster youth, English learner, and low-income students. West Park Charter Academy must describe how it intends to increase or improve services for high needs students in the LCAP. West Park Charter Academy plans to spend \$1,130,648 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what West Park Charter Academy budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what West Park Charter Academy estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, West Park Charter Academy's LCAP budgeted \$1,379,524 for planned actions to increase or improve services for high needs students. West Park Charter Academy actually spent \$723,278 for actions to increase or improve services for high needs students in 2023-24.

2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
West Park Charter Academy	Dr. Brian Clark Superintendent	brian_c@wpesd.org (559) 233-6501

Goals and Actions

Goal

Goal #	Description
1	All students at West Park Charter Academy will increase in achievement and proficiency levels in ELA, ELD, and Math, and be prepared for postsecondary opportunities.

Measuring and Reporting Results

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The addition of a dedicated Director at WPCA in the summer of 2023 and the efforts of the CTE Counselor impacted the growth of partnerships with local community colleges which provides students with access to Career / Technical Education (CTE) programs, dual enrollment programs, and High School Enrichment Program (HSEP). With these positions fully in place during the 2023-24 school year, growth was realized in the areas of student academic achievement and the state College and Career Indicator over the past several years.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Action 1.2 - Expenditures were less than anticipated because the goal of providing needed materials was successfully achieved through the expenditure of less than budgeted amount.

Action 1.3 - Expenditures were less than estimated actuals because the contractual relationship with FCSS was not realized. It is anticipated that this relationship will be renewed in the coming year.

Action 1.5 - Expenditures were less than estimated actuals because funds budgeted for technology replacement were not needed. It is anticipated that due to the additional year of use on existing devices that the additional funding will be needed for this year.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The metrics indicate progress was made during the 2022-23 school year based on the 2023 Dashboard results. To a great extent, the effectiveness of the 22/23 actions came about due to the presence of a dedicated leader at WPCA in the 2023-24 school year with

demonstrated expertise and success as an instructional leader in an independent study program and a renewed dedication by district and school staff to student achievement.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Upon reflection by leadership and staff, the additions of Actions 1.6 and 1.7 during the previous LCAP cycle led to successful implementation of both Actions. It is felt that the seven Actions in Goal 1 are sufficient going forward into the next cycle.

A report of the Total Estimated Actual Expenditures for last year’s actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year’s actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There were substantive differences in planned actions and the actual implementation of some actions (Actions 2.2, 2.4, 2.5 and 2.6). These will be explained below.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Action 2.2 - This Action was primarily funded by other funding sources.

Action 2.4 - While progress has been made in this Action, the needed parent in-servicing remains to be implemented and will be during the coming year.

Action 2.5 - A robust snack program was implemented at both sites. Breakfast/Lunch still remains to be strategized and implemented.

Action 2.6 - Existing personnel numbers made the initiation of a shared mental health practitioner impractical. This Action remains a high priority for the coming year.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The improvement in school culture and climate during the 23/24 school year can be explained by the following: 1. Enhanced opportunity for staff input in educational program and outreach opportunities. 2. Additional parent and student recognition events led to the increase in the sense of connectiveness and school safety. 3. The addition of a dedicated Director led to enhanced planning and successful implementation of school events.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The planned additional mental health support personnel did not materialize due to lack of staffing. The addition of a third counselor enabled the school to meet many of the same goals expressed in our previous plan. It is believed that the data above indicates the effectiveness of this revised plan. The addition of the third counselor also allowed for enhanced monitoring of all students, but particularly those of low-income and foster status. However, the addition of targeted mental health support remains a key goal.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
3	West Park Charter Academy will provide all educational partners with safe learning facilities and support effective operations to ensure 21st Century learning takes place.

Measuring and Reporting Results

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in planned actions and the actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Action 3.1 - Estimated actuals were less than planned expenditures because of increased efficiency in cleaning and custodial services.

Action 3.3 - Estimated actuals were less than planned expenditures because the furnishings which had been replaced in the previous year, sufficed for the year.

Action 3.4 - Estimated actuals were less than planned expenditures because the level and frequency of anticipated repair and maintenance did not materialize.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The actions were effective in making progress toward the goal as indicated in the FIT report and a local parent/student survey. In fact, the local student survey indicated an increase in the percentage of students who report facilities being well kept.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There were no changes made to Goal 3.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcff@cde.ca.gov.

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

Goals and Actions

Goal(s)

Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
 - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
 - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
 - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
 - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

California Department of Education
November 2023

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
West Park Charter Academy	Dr. Brian Clark Superintendent	brian_c@wpesd.org (559) 233-6501

Plan Summary [2024-25]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

West Park Charter Academy (WPCA) is a TK-12 independent study program with two learning centers located in the heart of the Central San Joaquin Valley (Fresno and Hanford, CA). The program serves students from not only those two cities but also from many surrounding communities and school districts. Students at WPCA are required to meet with their teacher for a minimum of one hour per week, although many of our students visit the learning centers throughout the week for required labs/classes, tutoring, use of technology, etc. (in addition to the one hour per week appointment with their teacher). WPCA has ensured that all students have access to print and digital core and supplemental curriculum, as well as devices needed for learning (i.e. Chromebooks).

WPCA’s students come to the program with a vast array of educational backgrounds, experiences, academic proficiency, and social and emotional learning needs. Some students seek the independence, flexibility, and “college feel” of the program, while some are working to recover credits; others have not met their academic potential in a traditional school setting. In the Spring of 2024, enrollment is 180 students. The majority of students attending WPCA (76%) are from low-income families, 77% are Hispanic, 10% are English learner students, and less than 1% are foster youth.

WPCA’s teachers, counselors, and support staff are committed to the program’s mission and vision to help every student maximize their academic and personal potential, as well as prepare them to be competitive in the 21st Century workplace. Paraprofessionals meet the requirements for serving as tutors for students in grades TK-12. Every staff member is committed to their personal growth and participates in professional learning opportunities throughout each school year. Through training and support, WPCA’s staff is better prepared to serve our students which helps to increase students’ academic achievement. The ultimate goal is for all students at WPCA to be well-prepared for

postsecondary opportunities upon graduation, whether that is attending college or a vocational program, joining the military, or joining the workforce.

WPCA was granted a six-year Western Association of Schools and College (WASC) Accreditation through 2024, with a 2-day follow-up visit in 2021. In February of 2021, WPCA hosted a 2-day mid-cycle WASC visit which was conducted virtually due to the pandemic. During the visit, WPCA's educational partners had the opportunity to provide feedback regarding their involvement, participation, and overall experience. The WASC Visiting Committee synthesized the information and presented the educational partners with areas of strength and areas of focus. Since the February 2021 WASC follow-up visit, WPCA staff has worked collaboratively to address and respond to the WASC Visiting Committee's recommendations and has continued to build on its strengths.

In the 2023-24 school year, WPCA's WASC Accreditation is up for renewal. The ongoing six-year cycle began with an intensive self-study whereby WPCA must demonstrate the capacity, commitment, and competence to support high-quality student learning and ongoing school improvement. WPCA must assess its program and its impact on student learning with respect to the WASC criteria/indicators and other accreditation factors.

In May of 2024, WPCA's WASC accreditation visit was conducted. The school awaits the determination of the committee, however, their exit report provided a positive review of our program.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The California School Dashboard is designed to help parents and educators identify strengths and areas for improvement. The Dashboard reports how schools and student groups are performing as measured by state and local indicators aligned to the state priorities. The state priority areas reflect the belief that many factors can positively impact student success. The priorities are grouped into the following three categories; 1) conditions for learning, 2) engagement, and 3) student outcomes.

The West Park Charter Academy 2023 California School Dashboard and local survey data indicate high levels of student and family engagement in the West Park Charter Academy program. However, the priority area of student outcomes is an identified need which is discussed in the next section.

The West Park Charter Academy 2022-23 Chronic Absenteeism Rate was 1% as reported in the 2023 California School Dashboard. This rate is significantly lower than most schools throughout California during the 2022-23 school year. The independent study design of the program likely contributed to low chronic absenteeism since students do not physically attend school with the exception of a required weekly one-hour meeting with teachers at the learning centers and other optional visits to the learning centers to participate in meetings or in-person learning opportunities. The design of West Park Charter Academy's program also contributes to lower suspension and expulsion rates as students do not frequently interact without adult supervision or in non-academic environments. As reported in the 2023 California School Dashboard, there were no suspensions during the 2022-23 school year. Also, a survey of students during the 2023-24 school year revealed high levels of respect between students and teachers, further positively impacting high engagement levels. Nearly all students in grades 9-12

responded to the survey, 88% believe their teacher wants them to succeed in school, and 72% believe the teachers and adults at school treat students fairly.

A survey of families during the 2023-24 school year demonstrated that 80% of parents agree or strongly agree that West Park Charter Academy has created a welcoming environment for all families in the community, promotes the academic success of all students, and provides families with information and resources to support student learning and development in the home. Most students (71%) and their parents agree that students feel safe while attending the learning centers.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Not Applicable

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

West Park Charter Academy

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

West Park Charter Academy's (WPCA's) Comprehensive Support and Improvement (CSI) plan is based on student achievement and partner engagement data regarding the academic and social-emotional needs of students. WPCA will utilize its LCAP to outline strategies to address the needs that have surfaced and will continue to address the needs during the 2024-25 school year. Although many actions in the plan have been a focus for several years, there are some key areas that WPCA will focus on during the 2024-25 school year to reverse the graduation rate trend evidenced in 2022 that led to the identification of WPCA as a CSI school.

Educational partners will have ongoing opportunities to provide feedback during the 2024-25 school year. These opportunities include monthly board meetings during open sessions, quarterly ELAC meetings, surveys, family engagement events, a comment/suggestion portal on the district's website, and through Parent Square which is an online communications platform. Partner feedback will be collected by program staff and administration and reviewed/discussed routinely during leadership meetings. Strategies provided by the FCSS team will be utilized to reflect on feedback provided by educational partners in order to be intentional and take the necessary time to identify underlying

root causes and respond to the needs of students, staff, and families. The partnership with families is a significant element of the CSI plan and will provide insights to fully understand how to reverse the declining graduation rate, increase college going rates, and improve student academic performance overall.

The CSI plan will be adjusted as necessary depending on students' needs. Educational partner input is also critical to the overall refinement of the plan and selection of evidence-based interventions.

In addition to the analysis of student academic progress, input/feedback plays a vital role in selecting effective evidence-based interventions. Through staff surveys, staff meetings, and committee meetings, various interventions have been identified and are currently being implemented. One example includes the professional learning that teachers are receiving during the 2023-24 school year. In response to the differentiated needs of teachers and support staff, WPCA has shifted from a "whole group" approach to a one-on-one coaching model. As evidenced through staff feedback, this shift is benefitting teachers by providing them with the differentiated support needed to meet the individual needs of their students. In 2024-25, SPCA teachers and the instructional leader will work closely together in collaboration with FCSS content specialists and leadership coaches to identify and implement evidence-based interventions. Professional learning opportunities in the areas of ELA, ELD, and Math will be provided to teachers and support staff including one-on-one and/or small-group coaching, workshops, and webinars. Some of the areas that teachers and support staff will receive training and coaching in include:

- Best practices in virtual instruction: effective use of technology (software & hardware) to provide strong instruction to students
- Implementation of the California Common Core State Standards (ELA, ELD and Math): essential standards that will be focused on to close the gap in students' learning loss
- Formative Assessment: to identify learning loss and check for understanding
- Social-Emotional Support: supports that will be provided to students by teachers, academic/guidance counselors, and the program's school psychologist
- Mandatory weekly tutorial services for students receiving a D or an F in a core class

All of the program's efforts and interventions were identified through the analysis of educational partner input and student data. It is evident that our students need additional support to progress academically in ELA, ELD and Math, graduate, and equitably access postsecondary opportunities. A lack of these additional supports has contributed to the program's graduation rate being significantly lower than the state's average. For this reason, teachers and support staff will receive a combination of collective and individual (differentiated) professional learning to address the areas listed above in order to significantly change outcomes for students. The district believes that supporting and equipping teachers and support staff directly correlates to improved student achievement. The instructional leader will receive weekly support from FCSS leadership coaches. This will allow for reflection and dialogue, and ensure that the planned actions are being implemented.

The goal is that WPCA's CSI plan will strengthen equitable opportunities and access to future educational opportunities for all students. Through the plan, each student will continue to receive a high-quality, rigorous, standards-based education (from a credentialed teacher)—one that prepares each and every student for post-secondary opportunities. All students will have access to a Chromebook (to be used at home for school-related assignments/research/projects). In addition, all students who enroll are provided with a district Gmail account (with access to the G-Suite resources), access to the standards-aligned core curriculum (print and digital curriculum), access to CTE Pathways and/or other courses at local community colleges, and other necessary materials/supplies.

Looking forward to 2024-25, WPCA will continue to support student achievement and improve the graduation rate by utilizing feedback from surveys, interviews, informational meetings, and district meetings, and monitoring students' credit completion progress (at least 27.5 credits per semester). Doing so will support the program's continuous improvement toward equity, access, and academic achievement for all students.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

West Park Elementary School District administration and certificated staff will continue to work closely together, and also in conjunction with the FCSS CSI support specialist(s)/Leadership Coaches throughout the 2024-25 school year in monitoring the implementation and effectiveness of the CSI plan. The program's plan will continue to address the academic needs of students at West Park Charter Academy. The data/metrics to be monitored throughout the school year include (but are not limited to):

- 2024 Dashboard data/results
- 2024 CAASPP results (administered in the Spring '24 semester)
- 2024 ELPAC results (administered in the Spring '24 semester)
- 2023-24 benchmark results (iReady)
- 2023-24 Renaissance results (STAR Reading & STAR Math)
- 2023-24 progress in supplemental literacy programs (Lexia Core5, Lexia PowerUp, & Reading Plus)
- 2023-24 demographic data (enrollment, attendance, staffing)
- 2023-24 educational partner survey results
- 2023-24 process data (LCP, budgeting, PLCs)
- 2023-24 semester course completion rates

Since WPCA is identified as CSI due to its graduation rate, leaders, counselors, and teachers will routinely monitor students' progress and credit completion (1-2 times per semester). A requirement to graduate from WPCA is that students earn 220 credits, which means all students must earn a minimum of 27.5 credits per semester to stay on pace for graduation.

The following information is used by WPCA's counselors and administrators as a guide for credit completion and is shared/reviewed with students and parents/guardians:

- Freshmen: 55 credits earned by end of year
- Sophomores: 110 cumulative credits earned by end of year
- Juniors: 165 cumulative credits earned by end of year
- Seniors: 220 cumulative credits earned by end of year

WPCA will monitor and evaluate the effectiveness of the CSI plan using the following methods:

- CSI Webinars—Program administration will continue attending the CSI webinars provided by the FCSS and CDE during the 2024-25 school year. The administration will actively participate, share progress and areas of growth, and share and receive ideas/input from other school administrators.
- Educational Partner Input—Partners will be given multiple opportunities to provide feedback/input through surveys, the district's website (comment section), and direct contact with teachers and administration.
- Board Meetings—The West Park Elementary School District (Public) Board Meetings take place on the second Tuesday of each month and are open to the public.
- Staff Meetings—The WPCA teaching and support staff meet once a week to discuss and respond to the academic and social-emotional needs of students.
- ELAC Meetings—WPCA holds ELAC meetings four times yearly (twice per semester).
- Professional Learning Community (PLC) Meetings—WPCA's PLC committee meets four times per year (twice per semester) to review/discuss and create plans to address the curricular needs of the program.
- Educational Partner Surveys/Results—Multiple opportunities to provide input/feedback are given to students, parents/guardians, and staff throughout the school year.
- High School Senior Exit Interviews—Interviews occur twice a year; once before Winter Break for December graduates, and once in the Spring for May graduates. In addition to gaining valuable experience in being interviewed by a panel (the program's counselors and director), students are able to provide qualitative data pertaining to the impact that WPCA has had on them academically and social-emotionally. This student feedback is collected, analyzed, and reviewed by teachers and support staff. In the past years, student feedback has resulted in more academic and social-emotional support including additional paraprofessionals and tutors with math and writing skills, and college campus field trips.

In addition to the above-mentioned efforts, the program's administration, teachers, counselors, and support staff will monitor the implementation of the plan with monthly check-ins. The check-ins will ensure the program maintains momentum with regard to supporting students' academic and social-emotional growth, as well as the staff's professional development. As outlined in the Parent/Student and Certificated Staff Handbooks, protocols for attendance, work completion, participation, and credit completion remain the same. All parents/guardians and students will receive regular progress reports, and when necessary, students will be referred for mandatory tutoring. Outreach to parents/guardians and students will be made via phone calls, mailed letters, emails, messages via Parent Square, and home visits. Additionally, the program's two academic/guidance and CTE counselor are available to support the academic and social-emotional needs of students.

The effectiveness of the CSI Plan is measured by:

- An increased graduation rate to well above 68% which led to the school's identification as a CSI school
- An increased number of students progressing academically on state and district ELA and Math assessments (including ELD)
- An increased number of students successfully completing high school credits each semester
- An increased number of students earning higher grades (and meeting or exceeding standards on assessments)
- An increased number of students successfully completing CTE, dual-enrollment, and/or high school enrichment program courses at all local colleges in Fresno County.

WPCA is confident that by remaining diligent in addressing the areas outlined in its current plan it will yield improved results. WPCA will keep student outcomes at the forefront, and will continue to monitor students' progress very closely; through careful analysis, reflection, and

discussion, the necessary improvements will lead to improved results.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Teachers	WPCA certificated school personnel has various opportunities to provide feedback/input throughout the 2023-24 school year. This will continue in he 2024-25 school year. This will include: Staff meetings, Monthly public board meetings, Parent/Community luncheons, and ELAC meetings.
Director	WPCA administering, including the director of charter schools and the superintendent, provide ongoing input during the development of LCAP. The draft 2024-25 LCAP was presented to all educational partners on the district website for comment and suggestions from May 30 to June 23, 2024.
Other Personnel	WPCA will continue to consult with all statutorily required groups on an ongoing basis. All educational partners have various opportunities to provide feedback/input regarding the program's LCAP goals and actions, WASC Action Plan, and all other academic and support services.
Parents	WPCA will continue to consult with parents and required groups on an ongoing basis. All parents have various opportunities to provide feedback/input regarding the program's LCAP goals and actions, WASC Action Plan, and all other academic and support services.

Educational Partner(s)	Process for Engagement
Students	WPCA will continue to consult with all students and required groups on an ongoing basis. All students have various opportunities to provide feedback/input regarding the program's LCAP goals and actions, WASC Action Plan, and all other academic and support services.
CSI Educational Partners	WPCA will continue to consult with all CSI educational partners and required groups on an ongoing basis. All CSA educational partners have various opportunities to provide feedback/input regarding the program's LCAP goals and actions, WASC Action Plan, and all other academic and support services.
A description of how the adopted LCAP was influenced by the feedback provided by educational partners.	
Feedback from educational partners compiled through surveys, meetings, and interviews informs the direction of WPCA's programs which are student-centered and focus on improving student outcomes.	

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	All students at West Park Charter Academy will increase in achievement and proficiency levels in ELA, ELD, and Math, and be prepared for postsecondary opportunities.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)
- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 7: Course Access (Conditions of Learning)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

This goal was developed to meet the needs of all our students including our unduplicated population so that students can increase academic achievement and be prepared for postsecondary opportunities.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Teaching and Supporting Staff	WPCA provides highly-qualified certificated and classified staff to reach the desired academic goals. Students have access to teachers and support staff who are committed to increasing their capacity and are lifelong learners who learn through professional development and professional learning communities (PLCs). Students have access to high-quality instruction and academic support to improve in academic achievement. The overall effectiveness of this action will be measured by ongoing progress monitoring of the metrics listed above, as well as through educational partner feedback.	\$2,182,247.00	No
1.2	Supplemental Curriculum and Resources	All students at WPCA have access to the California Content Standards including English Language Development (ELD) Standards for English learner students. WPCA will invest in supplemental curriculum and resources to provide additional standards-aligned resources to differentiate instruction to meet the unique needs of English learner students and other historically underrepresented youth who may struggle to attain grade-level standards.	\$117,620.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.3	Professional Development, Learning and Support	<p>WPCA teaching and support staff will engage in ongoing professional development, professional learning communities, support, and academic coaching to build personal capacity and enhance the full implementation of the California Content Standards, ELD Standards, and ensure that students are prepared for college and career.</p> <p>Student assessment data, staff input, the WASC Action Plan, and other qualitative data will be used to drive professional learning opportunities for staff. Ongoing reviews and program monitoring will be conducted to ensure that program needs are addressed.</p>	\$381,840.00	Yes
1.4	Progress-Monitoring Resources and Tools	WPCA will support students' academic needs by providing the necessary progress-monitoring resources and tools. Print and digital tools will allow teachers, support staff, and administration to determine students' areas of growth (formative assessment), which then will be used to drive instruction. This supports the full implementation of the California Content Standards in ELA and Math, ELD Standards, and the Next Generation Science Standards (NGSS). Ongoing reviews and program monitoring will be conducted to ensure that program needs are being addressed.	\$81,756.00	Yes
1.5	Technology/Devices Needed for Teaching and Learning	WPCA staff and students will be provided with the necessary devices, equipment, and technology needed to provide students with a 21st-Century learning environment and ensure equitable access to grade-level standards for all students. To achieve this end, teachers and support staff are provided with a laptop, iPad, and Apple Pencil. Students are provided with a Chromebook, the district's IT department provides troubleshooting and technical support, updates, and other assistance to staff and students. In providing the necessary technology/devices, effective, standards-based instruction and learning can be achieved. To ensure that the program's technology needs are being addressed and met, staff, students, and parents/guardians have opportunities to provide feedback during staff meetings, Faculty Advisory meetings, Curriculum Committee Meetings, Professional Learning Community meetings, and leadership meetings.	\$72,622.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.6	School Instructional Leadership	WPCA is committed to increasing the academic progress of all students through a dedicated instructional leader who will work collaboratively with teachers to provide support and guidance in establishing best instructional practices, specifically instructional practices that meet the unique needs of traditionally underserved students including low-income, English learner students, and foster and homeless youth. Instructional leaders communicate with staff and set clear goals related to student achievement together with teachers. The instructional leader is an expert teacher who possesses the skills to provide coaching and mentoring to teachers, as well as professional learning opportunities that allow teachers to explore best practices in teaching. The goal is to increase student academic achievement and college and career readiness by developing reflective educators who are equipped to provide timely and targeted interventions and supports when and where they are needed.	\$154,091.00	Yes
1.7	College and Career Readiness	WPCA will provide students with opportunities to prepare themselves for college and career readiness. Students will tour local colleges. Students will benefit from the support they receive from WPCA's CTE and academic/guidance counselors, as well as the programs partnership with local community colleges (Fresno City College and West Hills College) and tour higher level universities. Students will have access to a wide range of courses at local community colleges through the schools' Career Technical Education (CTE) programs, dual-enrollment programs, or High School Enrichment Program (HSE). This ensures that all students have access to courses and materials/supplies that will prepare them for postsecondary opportunities. The College/Career Indicator on the CA Dashboard will reflect the program's effectiveness with regards to this action.	\$224,877.00	Yes

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Support Student Attendance	There is a need to ensure and support student engagement in rural regions through attendance and transportation by maintaining 92% annual attendance. Providing students with passes for transportation to and from school, they are able to attend weekly instructional appointments, labs, classes, tutoring, and counseling sessions. Program staff will provide direct support to students and families to help families access the resources they	\$130,815.00	Yes

Action #	Title	Description	Total Funds	Contributing
		need to sustain high levels of attendance and engagement in school. The program's teachers, counselors, administrators, and district office staff will monitor students, attendance trends throughout the school year. This progress monitoring is essential in making sure students are 1) utilizing their access to transportation, 2) attending weekly instructional appointments, labs, classes, etc.		
2.2	Opportunities for Student and Parent/Guardian Engagement	There is a need to provide WPCA's students and parents/guardians with co-curricular and extra-curricular opportunities and increase opportunities for engagement and school connectedness. The program and district office staff will work cooperatively to plan and carry out various on and off-site engagement opportunities throughout the school year. The overall effectiveness of this action will be dependent on the participation, feedback, surveys, etc.	\$5,000.00	Yes
2.3	Student and Staff Recognition	There is a need to recognize WPCA's students, academic achievement, progress, and attendance, as well as the staff's recognition that supports the program's Mission and Vision. This recognition will come in the form of honor roll certificates, 4.0 medals, perfect attendance certificates, items for graduation/promotion ceremonies, etc. By doing so, staff and students will feel a sense of pride and achievement, as well as increase the program's culture and climate. The effectiveness of this action will be measured by stakeholder participation, feedback, surveys, etc.	\$26,000.00	Yes
2.4	Support Parent/Guardian Communication	WPCA will increase its parent communication through improved accessibility to the district's website, grading and attendance systems, and other platforms. Providing WPCA's parents/guardians with access to free communications tools will ensure that student progress, updates, etc. can be communicated in a timely and effective manner. The effectiveness of this action will depend on stakeholder feedback, survey results, etc.	\$10,000.00	Yes
2.5	Healthy Snacks and Lunches for Students	There is a need to provide students at WPCA with healthy snacks, breakfast and lunch when on-site. Doing so will support both student	\$5,000.00	Yes

Action #	Title	Description	Total Funds	Contributing
		attendance and their ability to learn. To ensure that there are sufficient snacks and lunches, the Machado Office (main office) will monitor the inventory on an ongoing basis. The overall effectiveness will depend on stakeholder feedback and survey results.		
2.6	Mental Health Support	WPCA ensures the physical and mental health of all students by providing mental health support to students and families. Mental health and support is an important resource, especially in addressing the needs and circumstances of foster youth who typically experience greater levels of trauma and low-income students who may not otherwise have access to mental health services.	\$50,000.00	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	West Park Charter Academy will provide all educational partners with safe learning facilities and support effective operations to ensure 21st Century learning takes place.	Broad Goal

State Priorities addressed by this goal.

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	Safe and Clean Facilities	There is a need to provide WPCA's students, staff, and parents/guardians with safe and clean facilities. To achieve this end, both learning centers and Machado Office will be 1) inspected monthly 2) cleaned five days per week. By doing so, all students and staff can focus on learning and teaching. The overall effectiveness will depend on stakeholder feedback, survey results, etc.	\$33,000.00	No

Action #	Title	Description	Total Funds	Contributing
3.2	Furniture and Equipment for the Program's Learning Centers and Offices	WPCA will maintain and/or replace furniture and equipment at the learning centers and offices, which will support learning and the program's operations. Ongoing maintenance and replacement of chairs, desks, tables, shelving units, etc. ensures that staff, students, and parents/guardians have a physical atmosphere conducive to teaching and learning. Stakeholder feedback and survey results will provide program administration with information needed for any maintenance and/or replacement of furniture.	\$15,000.00	No
3.3	Security and Safety Equipment for the Program's Learning Centers and Offices	There is a need to maintain the security and safety equipment/technology at WPCA's learning centers and offices. This action ensures that the program's assets (devices, curriculum, materials, etc.) are protected each day, which in turn, supports instruction and learning. The effectiveness of this action will be determined by the number of incidents at learning centers and offices. Educational partner's feedback and survey results will also help to determine the effectiveness of this action.	\$5,000.00	No

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2024-25]

The Budgeted Expenditures for Actions identified as Contributing may be found in the Contributing Actions Table.

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.2	<p>Action: Supplemental Curriculum and Resources</p> <p>Need: There is a need for students to have access to intervention support and have access to standards-aligned curriculum and resources.</p> <p>Scope:</p>	<p>This action ensures that all students in need of additional academic who interventions and support have access to standards-aligned supplemental curriculum and resources. The program's foster youth, English Learners, and low-income students will benefit from access to print and digital supplemental curriculum that meets their academic needs and also addresses various learning styles and modalities (i.e. graphic organizers, rubrics, instructional video clips, images, etc.). Staff will 1)</p>	Access to standards-aligned instructional materials

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Schoolwide	identify the program's curriculum needs, 2) review curricular materials, 3) discuss the benefits of implementation, 4) plan implementation, and 5) calendar progress monitoring checks, surveys, and reports to educational partners. Ongoing review, partner feedback, and local indicators will determine the overall effectiveness of this action. Any adjustments and/or curricular needs that are in alignment with this plan will be addressed.	
1.3	<p>Action: Professional Development, Learning and Support</p> <p>Need: There is a need for teachers to have continuous professional development opportunities to better serve their students.</p> <p>Scope: Schoolwide</p>	<p>Professional Development, Learning, and Support: This action ensures that all teaching and support staff have access to ongoing professional development, learning, and support. These opportunities are intended to enhance academic instruction, teaching practices, student learning activities/projects, and provide staff with strategies/activities/practices to support the social-emotional well-being of all students. The professional development opportunities are principally directed to meet the learning needs of English learner students, and low-income and foster youth who may be experiencing barriers that impact learning. Training and one-on-one coaching sessions will be utilized throughout each school year. Professional development will be provided by the Fresno County Superintendent of Schools (FCSS) in the areas of ELA, Math, Technology, Visual & Performing Arts (VAPA). The overall focus of this support will be determined, guided, and assessed for effectiveness by student assessment results, educational partner feedback/input, and the program's WASC Action Plan.</p>	Implementation of standards for all students and enable ELs access to CCSS and ELD standards
1.4	<p>Action: Progress-Monitoring Resources and Tools</p>	This action addresses the need for the program's foster youth, English Learners, and low-income	Smarter Balanced Math

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Need: There is a need for teachers to have access to progress monitoring tools so that they can make the best academic decisions for their students.</p> <p>Scope: Schoolwide</p>	<p>students to have their academic progress monitored throughout each school year. Resources/tools such as Renaissance (STAR Reading and STAR Math), ESGI, Illuminate, and School Pathways (SIS) provide data for teachers, support staff, and administration to closely monitor each students' academic growth in the areas of literacy and math. Student data is reviewed and analyzed routinely by district and program administration, teachers, and counselors during professional learning communities, staff meetings, and other meetings.</p> <p>This process allows staff to identify and respond to trends (strengths and areas of growth) within the program's unduplicated students. The overall effectiveness of this action will be determined by the access and use of the progress-monitoring resources/tools by teachers and support staff, and students' increased academic performance.</p>	<p>Note: Local benchmarks will be used until CAASPP results become available</p>
1.5	<p>Action: Technology/Devices Needed for Teaching and Learning</p> <p>Need: There is a need for teachers and students to have access to technology for teaching and learning.</p> <p>Scope: Schoolwide</p>	<p>This action ensures that the program's foster youth, English Learners, and low-income students have access to devices needed for learning. Educational partner input indicates there continues to be a need to provide students with Chromebooks. In providing students with these devices, they have access to print and digital core and elective curricula, as well as online supplemental literacy and math programs. Additionally, teachers and support staff are provided with devices needed for instruction. Each staff member is equipped with a laptop, an iPad, and an Apple Pencil. To ensure that this action is effective and meets the needs of our unduplicated students, partner feedback/input regarding their</p>	<p>Smarter Balanced Math</p> <p>Note: Local benchmarks will be used until CAASPP results become available</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.6	<p>Action: School Instructional Leadership</p> <p>Need: There is a need for administrative coaching to guide the administrator with the development of the program.</p> <p>Scope: Schoolwide</p>	<p>device/technology needs will be reviewed and analyzed by district administration.</p> <p>This action reflects WPCA's commitment to increase the academic progress of all students while focusing on providing the necessary support to teachers so they are successful in meeting the unique needs of their English learner students, low-income students, and foster youth. A dedicated school instructional leader is an expert teacher who possesses the skills to provide coaching and mentoring to teachers, as well as professional learning opportunities that allow teachers to explore best practices. Their support and guidance will establish best instructional practices, especially instructional practices that meet the unique needs of traditionally underserved students. The goal is to increase student academic achievement, close the achievement gap, and prepare students for college and career by developing reflective educators who are equipped to provide timely and targeted interventions and supports when and where they are needed. The effectiveness of this action will be evidenced by an increase in the 2023 student performance in English language arts and math as measured by the Smarter Balanced Assessments (SBAC).</p>	FCSS Administrator Coaching and Mentorship.
1.7	<p>Action: College and Career Readiness</p> <p>Need: There is a need to provide access to college and dual-enrollment courses for all our students .</p>	<p>WPCA is identified for Comprehensive Support and Intervention as a result of the sharp decline in the graduation rate in 2023. As a result, a focus on preparing students for college and career is essential during the 2024-25 school year. The work of the CTE and academic counselors will be enhanced by designing a progress monitoring system that ensures each child has an individual plan that is actively monitored by a team throughout the year so that</p>	An increase in the amount of students enrolled in college and enrichment courses.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Scope: Schoolwide</p>	<p>timely and targeted interventions whether they are academic, emotional or behavior, can be put into place to ensure students stay on track for graduation. The program's partnership with the local community colleges (Fresno City College and West Hills College) will be renewed by the new dedicated instructional leader ensuring students such as English learners, low-income and foster youth that often experience barriers to postsecondary opportunities are guaranteed access to a wide range of courses at local community colleges through the school's Career Technical Education (CTE) programs, dual-enrollment programs, or High School Enrichment Program (HSEP). The College/Career Indicator on the CA Dashboard will reflect the program's effectiveness with regard to this action.</p>	
2.1	<p>Action: Support Student Attendance</p> <p>Need: There is a need to ensure and support student engagement in rural regions through attendance and transportation by maintaining 92% annual attendance.</p> <p>Scope: Schoolwide</p>	<p>There is a need to ensure and support student engagement in rural regions through attendance and transportation by maintaining 92% annual attendance. Providing students with passes for transportation to and from school, they are able to attend weekly instructional appointments, labs, classes, tutoring, and counseling sessions. Program staff will provide direct support to students and families to help families access the resources they need to sustain high levels of attendance and engagement in school. The program's teachers, counselors, administrators, and district office staff will monitor students' attendance trends throughout the school year. This progress monitoring is essential in making sure students are 1) utilizing their access to transportation, 2) attending weekly instructional appointments, labs, classes, etc.</p>	Attendance Rate

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
2.2	<p>Action: Opportunities for Student and Parent/Guardian Engagement</p> <p>Need: There is a need to provide students and parents with co-curricular opportunities.</p> <p>Scope: Schoolwide</p>	There is a need to provide WPCA's students and parents/guardians with co-curricular and extra-curricular opportunities and increase opportunities for engagement and school connectedness. The program and district office staff will work cooperatively to plan and carry out various on and off-site engagement opportunities throughout the school year. The overall effectiveness of this action will be dependent on the participation, feedback, surveys, etc.	Sense of School Safety Surveys
2.3	<p>Action: Student and Staff Recognition</p> <p>Need: There is a need to recognize WPCA's students' academic achievement, progress, and attendance, as well as the staff's recognition that supports the program's Mission and Vision.</p> <p>Scope: Schoolwide</p>	This recognition will come in the form of honor roll certificates, 4.0 medals, perfect attendance certificates, items for graduation/promotion ceremonies, etc. By doing so, staff and students will feel a sense of pride and achievement, as well as increase the program's culture and climate. The effectiveness of this action will be measured by stakeholder participation, feedback, surveys, etc.	Sense of School Connectedness
2.4	<p>Action: Support Parent/Guardian Communication</p> <p>Need: There is a need to increase parent communication Through improved accessibility to the district.</p>	WPCA will increase its parent communication through improved accessibility to the district's website, grading and attendance systems, and other platforms. Providing WPCA's parents/guardians with access to free communications tools will ensure that student progress, updates, etc. can be communicated in a timely and effective manner. The effectiveness of this action will depend on stakeholder feedback,	Chronic Absenteeism Rate

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Scope: Schoolwide		
2.5	Action: Healthy Snacks and Lunches for Students Need: There is a need to provide students at WPCA with healthy snacks, breakfast and lunch when on-site.	Doing so will support both student attendance and their ability to learn. To ensure that there are sufficient snacks and lunches, the Machado Office (main office) will monitor the inventory on an ongoing basis. The overall effectiveness will depend on stakeholder feedback and survey results.	Increased attendance and Academic improvement.
	Scope: Schoolwide		
2.6	Action: Mental Health Support Need: There is need for mental health services for students and parents Scope: Schoolwide	WPCA ensures the physical and mental health of all students by providing mental health support to students and families. Mental health and support is an important resource, especially in addressing the needs and circumstances of foster youth who typically experience greater levels of trauma and low-income students who may not otherwise have access to mental health services.	Decrease in student/parent referrals.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
-------------------	--------------------	---	------------------------------------

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

WPCA will increase the number of staff providing direct services to low-income students by adding mental health professionals through contracted services. Mental health support is an important resource, especially in addressing the needs and circumstances of foster youth who typically experience greater levels of trauma and low-income students and foster youth who may not otherwise have access to mental health services.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students	n/a	1:180
Staff-to-student ratio of certificated staff providing direct services to students	n/a	1:36

Local Control and Accountability Plan Instructions

Plan Summary

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e](1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
 - **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e](1)). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
 - **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b](4-6)).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b](1) and [2]).
- **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- o Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- o Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

2024-25 Local Control and Accountability Plan for West Park Charter Academy

School districts and COEs: EC sections [52060\(q\)](#) ([California Legislative Information](#)) and [52066\(g\)](#) ([California Legislative Information](#)) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: EC Section [47606.5\(d\)](#) ([California Legislative Information](#)) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062](#) ([California Legislative Information](#));
 - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of EC Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).

- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows: Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
 - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
 - Inclusion of metrics other than the statutorily required metrics
 - Determination of the target outcome on one or more metrics
 - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
 - Inclusion of action(s) or a group of actions
 - Elimination of action(s) or group of actions
 - Changes to the level of proposed expenditures for one or more actions
 - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
 - Analysis of effectiveness of the specific actions to achieve the goal
 - Analysis of material differences in expenditures
 - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
 - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
 - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in EC sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of EC sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

**Focus Goal(s)
Description**

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
 - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
 - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
 - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a holistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: *EC Section 42238.024(b)(1) (California Legislative Information)* requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal
Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
 - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
 - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
 - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric #	
• Enter the metric number.	
Metric	
• Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.	
Baseline	
• Enter the baseline when completing the LCAP for 2024–25.	
<ul style="list-style-type: none"> ○ Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate). ○ Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. ○ Indicate the school year to which the baseline data applies. ○ The baseline data must remain unchanged throughout the three-year LCAP. <ul style="list-style-type: none"> ▪ This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain 	

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the “Measuring and Reporting Results” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 . Leave blank until then.	Enter information in this box when completing the LCAP for 2026–27 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 and 2026–27 . Leave blank until then.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
 - Include a discussion of relevant challenges and successes experienced with the implementation process.
 - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
- In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
- When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
- As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

Actions:
Complete the table as follows. Add additional rows as necessary.

Action #	
	<ul style="list-style-type: none">• Enter the action number.
Title	
	<ul style="list-style-type: none">• Provide a short title for the action. This title will also appear in the action tables.
Description	
	<ul style="list-style-type: none">• Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No.
 - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
 - Language acquisition programs, as defined in EC Section 306, provided to students, and
 - Professional development for teachers.
 - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
 - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
 - These required actions will be effective for the three-year LCAP cycle.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for any action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in EC Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- o The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - o The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
 - o The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action is included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
 - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
 - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to EC Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display "Not Required."

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
 - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
 - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
 - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
 - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
 - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
 - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
 - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
 - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education
November 2023

ITEM: Fiscal Year 2024-2025 Budget Adoption

PRESENTER: Chief Business Officer Tamita Boyd/H. Bellonzi

Date: June 25th, 2024

Action: Request for Approval

District staff request the board's approval of the 2024-2025 budget adoption. The report was presented in a Public Hearing at the June 11th, 2024 Board Meeting.

2024-2025

WEST PARK ESD
BUDGET

ANNUAL BUDGET REPORT:

July 1, 2024 Budget Adoption

Select applicable boxes:

X This budget was developed using the state-adopted Criteria and Standards. It includes the expenditures necessary to implement the Local Control and Accountability Plan (LCAP) or annual update to the LCAP that will be effective for the budget year. The budget was filed and adopted subsequent to a public hearing by the governing board of the school district pursuant to Education Code sections 33129, 42127, 52060, 52061, and 52062.

X If the budget includes a combined assigned and unassigned ending fund balance above the minimum recommended reserve for economic uncertainties, at its public hearing, the school district complied with the requirements of subparagraphs (B) and (C) of paragraph (2) of subdivision (a) of Education Code Section 42127.

Budget available for inspection at:

Place: West Park Elementary School District

Date: 6/7/24

Adoption Date: 6/25/24

Signed: _____

Clerk/Secretary of the Governing Board
(Original signature required)

Public Hearing:

Place: West Park Elementary
School District

Date: 6/11/24

Time: 5:30 p.m.

Criteria and Standards Review Summary

The following summary is automatically completed based on data provided in the Criteria and Standards Review (Form 01CS). Criteria and standards that are "Not Met," and supplemental information and additional fiscal indicators that are "Yes," may indicate areas of potential concern for fiscal solvency purposes and should be carefully reviewed.

CRITERIA AND STANDARDS			Met	Not Met
1	Average Daily Attendance	Projected (funded) ADA has not been overestimated by more than the standard for the prior fiscal year, or two or more of the previous three fiscal years.	X	
2	Enrollment	Enrollment has not been overestimated by more than the standard for the prior fiscal year, or two or more of the previous three fiscal years.	X	
3	ADA to Enrollment	Projected second period (P-2) ADA to enrollment ratio is consistent with historical ratios for the budget and two subsequent fiscal years.		X
4	Local Control Funding Formula (LCFF) Revenue	Projected change in LCFF revenue is within the standard for the budget and two subsequent fiscal years.		X
5	Salaries and Benefits	Projected ratios of total unrestricted salaries and benefits to total unrestricted general fund expenditures are consistent with historical ratios for the budget and two subsequent fiscal years.		X
6a	Other Revenues	Projected operating revenues (e.g., federal, other state, and other local) are within the standard for the budget and two subsequent fiscal years.		X
6b	Other Expenditures	Projected operating expenditures (e.g., books and supplies, and services and other operating) are within the standard for the budget and two subsequent fiscal years.		X
7	Ongoing and Major Maintenance Account	If applicable, required contribution to the ongoing and major maintenance account (i.e., restricted maintenance account) is included in the budget.	X	
8	Deficit Spending	Unrestricted deficit spending, if any, has not exceeded the standard for two or more of the last three fiscal years.	X	
9a	Fund Balance	Unrestricted general fund beginning balance has not been overestimated by more than the standard for two or more of the last three fiscal years.	X	
9b	Cash Balance	Projected general fund cash balance will be positive at the end of the current fiscal year.	X	
10	Reserves	Projected available reserves (e.g., reserve for economic uncertainties, unassigned/unappropriated amounts) meet minimum requirements for the budget and two subsequent fiscal years.	X

FINANCIAL REPORTS
2024-25 Budget
School District Certification

10 62539 0000000
Form CB
F8BA7J7N5P(2024-25)

SUPPLEMENTAL INFORMATION			No	Yes
S1	Contingent Liabilities	Are there known or contingent liabilities (e.g., financial or program audits, litigation, state compliance reviews) that may impact the budget?	X	
S2	Using One-time Revenues to Fund Ongoing Expenditures	Are there ongoing general fund expenditures in excess of one percent of the total general fund expenditures that are funded with one-time resources?	X	
S3	Using Ongoing Revenues to Fund One-time Expenditures	Are there large non-recurring general fund expenditures that are funded with ongoing general fund revenues?	X	
S4	Contingent Revenues	Are any projected revenues for the budget or two subsequent fiscal years contingent on reauthorization by the local government, special legislation, or other definitive act (e.g., parcel taxes, forest reserves)?	X	
S5	Contributions	Have contributions from unrestricted to restricted resources, or transfers to or from the general fund to cover operating deficits, changed by more than the standard for the budget or two subsequent fiscal years?		X
SUPPLEMENTAL INFORMATION (continued)			No	Yes
S6	Long-term Commitments	Does the district have long-term (multiyear) commitments or debt agreements? • If yes, have annual payments for the budget or two subsequent fiscal years increased over prior year's (2023-24) annual payment?	X	X
S7a	Postemployment Benefits Other than Pensions	Does the district provide postemployment benefits other than pensions (OPEB)? • If yes, are they lifetime benefits? • If yes, do benefits continue beyond age 65? • If yes, are benefits funded by pay-as-you-go?	X X X	X
S7b	Other Self-Insurance Benefits	Does the district provide other self-insurance benefits (e.g., workers' compensation, employee health and welfare, or property and liability)?	X	X
S8	Status of Labor Agreements	Are salary and benefit negotiations still open for: • Certificated? (Section S8A, Line 1) • Classified? (Section S8B, Line 1) • Management/supervisor/confidential? (Section S8C, Line 1)		X X X
S9	Local Control and Accountability Plan (LCAP)	• Did or will the school district's governing board adopt an LCAP or an update to the LCAP effective for the budget year? • Adoption date of the LCAP or an update to the LCAP:		X 06/25/2024
S10	LCAP Expenditures	Does the school district's budget include the expenditures necessary to implement the LCAP or annual update to the LCAP as described in the Local Control and Accountability Plan and Annual Update Template?		X
ADDITIONAL FISCAL INDICATORS			No	Yes
A1	Negative Cash Flow	Do cash flow projections show that the district will end the budget year with a negative cash balance in the general fund?	X	
A2	Independent Position Control	Is personnel position control independent from the payroll system?		X
A3	Declining Enrollment	Is enrollment decreasing in both the prior fiscal year and budget year?	X	
A4	New Charter Schools Impacting District Enrollment	Are any new charter schools operating in district boundaries that are impacting the district's enrollment, either in the prior fiscal year or budget year?	X	
A5	Salary Increases Exceed COLA	Has the district entered into a bargaining agreement where any of the budget or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?	X	
ADDITIONAL FISCAL INDICATORS (continued)			No	Yes
A6	Uncapped Health Benefits	Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?	X	
A7	Independent Financial System	Is the district's financial system independent from the county office system?	X	
A8	Fiscal Distress Reports	Does the district have any reports that indicate fiscal distress? If yes, provide copies to the COE, pursuant to EC 42127.8(a).	X	
A9	Change of CBO or Superintendent	Have there been personnel changes in the superintendent or chief business official (CBO) positions within the last 12 months?		X

**Adopted Budget
2024-25 Budget Attachment
Balances In Excess of Minimum Reserve Requirements**

Education Code Section 42127(a)(2)(B) requires a statement of the reasons that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year identified in the budget.

Reasons for Fund Balances in Excess of Minimum Reserve for Economic Uncertainties			
Form	Fund	2024-25 Budget	Description of Need
01	General Fund/County School Service Fund	\$246,971.46	Modernization - Multipurpose Room HVAC replacement project (finalize)
01	General Fund/County School Service Fund	\$801,603.67	Provide deferred maintenance projects such as re-roofing the school, adding an appropriate irrigation system to play yard, Fire/Bell/Intercom System, etc.
17	Special Reserve Fund for Other Than Capital Outlay Projects	\$758,545.75	Board Fund Balance Policy requiring available reserves of at least 10% but not more than 25% of total general fund expenditures
Insert Lines above as needed			
Total of Substantiated Needs		\$1,807,120.88	

Education Code Section 42127 (d)(1) requires a county superintendent to either conditionally approve or disapprove a school district budget if the district does not provide for EC 42127 (a)(2)(B) public review and discussion at its public budget hearing.

ANNUAL CERTIFICATION REGARDING SELF-INSURED WORKERS' COMPENSATION CLAIMS

Pursuant to Education Code Section 42141, if a school district, either individually or as a member of a joint powers agency, is self-insured for workers' compensation claims, the superintendent of the school district annually shall provide information to the governing board of the school district regarding the estimated accrued but unfunded cost of those claims. The governing board annually shall certify to the county superintendent of schools the amount of money, if any, that it has decided to reserve in its budget for the cost of those claims.

To the County Superintendent of Schools:

Our district is self-insured for workers' compensation claims as defined in Education Code Section 42141(a):

Total liabilities actuarially determined:	\$	
Less: Amount of total liabilities reserved in budget:	\$	
Estimated accrued but unfunded liabilities:	\$	0 00

This school district is self-insured for workers' compensation claims through a JPA, and offers the following information:

☒ This school district is not self-insured for workers' compensation claims.

Signed

Date of Meeting:

Clerk/Secretary of the Governing Board

(Original signature required)

For additional information on this certification, please contact:

Name: Tamita Boyd

Title: CBO

Telephone: 559-233-8501

Section I - Expenditures	Funds 01, 09, and 82			2023-24 Expenditures
	Goals	Functions	Objects	
A. Total state, federal, and local expenditures (all resources)	All	All	1000-7999	15,414,222.41
B. Less all federal expenditures not allowed for MOE (Resources 3000-5999, except 3385)	All	All	1000-7999	2,317,433.00
C. Less state and local expenditures not allowed for MOE: (All resources, except federal as identified in Line B)				
1. Community Services	All	5000-5999	1000-7999	0.00
2. Capital Outlay	All except 7100-7199	All except 5000-5999	6000-6999 except 6600, 6910	774,781.00
3. Debt Service	All	9100	5400-5450, 5800, 7430-7439	52,065.00
4. Other Transfers Out	All	9200	7200-7299	0.00
5. Interfund Transfers Out	All	9300	7600-7629	0.00
		9100	7689	
6. All Other Financing Uses	All	9200	7651	0.00
7. Nonagency	7100-7199	All except 5000-5999, 9000-9999	1000-7999	10,000.00
8. Tuition (Revenue, in lieu of expenditures, to approximate costs of services for which tuition is received)	All	All	8710	0.00

9. Supplemental expenditures made as a result of a Presidentially declared disaster	Manually entered. Must not include expenditures in lines B, C1-C8, D1, or D2.		
10. Total state and local expenditures not allowed for MOE calculation (Sum lines C1 through C9)			836,846.00
D. Plus additional MOE expenditures:			1000-7143, 7300-7439
1. Expenditures to cover deficits for food services (Funds 13 and 61) (If negative, then zero)	All	All	minus 8000-8699
2. Expenditures to cover deficits for student body activities	Manually entered. Must not include expenditures in lines A or D1.		95,565.00
E. Total expenditures subject to MOE (Line A minus lines B and C10, plus lines D1 and D2)			12,355,508.41
Section II - Expenditures Per ADA			2023-24 Annual ADA/Exps. Per ADA
A. Average Daily Attendance (Form A, Annual ADA column, sum of lines A6 and C9)			276.21
B. Expenditures per ADA (Line I.E divided by Line II.A)			44,732.30

Section III - MOE Calculation (For data collection only. Final determination will be done by CDE)	Total	Per ADA
A. Base expenditures (Preloaded expenditures from prior year official CDE MOE calculation). (Note: If the prior year MOE was not met, CDE has adjusted the prior year base to 90 percent of the preceding prior year amount rather than the actual prior year expenditure amount.)	7,799,960.77	28,092.78
1. Adjustment to base expenditure and expenditure per ADA amounts for LEAs failing prior year MOE calculation (From Section IV)	0.00	0.00
2. Total adjusted base expenditure amounts (Line A plus Line A.1)	7,799,960.77	28,092.78
B. Required effort (Line A.2 times 90%)	7,019,964.69	25,283.50
C. Current year expenditures (Line I.E and Line II.B)	12,355,508.41	44,732.30
D. MOE deficiency amount, if any (Line B minus Line C) (If negative, then zero)	0.00	0.00

<p>E. MOE determination (If one or both of the amounts in line D are zero, the MOE requirement is met; if both amounts are positive, the MOE requirement is not met. If either column in Line A.2 or Line C equals zero, the MOE calculation is incomplete.)</p> <p>F. MOE deficiency percentage, if MOE not met; otherwise, zero (Line D divided by Line B) (Funding under ESSA covered programs in FY 2025-26 may be reduced by the lower of the two percentages)</p>	<p>MOE Met</p>	<p>0.00%</p>
<p>SECTION IV - Detail of Adjustments to Base Expenditures (used in Section III, Line A.1)</p>		
<p>Description of Adjustments</p>	<p>Total Expenditures</p>	<p>Expenditures Per ADA</p>
<p>Total adjustments to base expenditures</p>	<p>0.00</p>	<p>0.00</p>

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 7200-7700, goals 0000 and 9000) 282,481.00
2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800.
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) 7,581,081.00

C. Percentage of Plant Services Costs Attributable to General Administration

- (Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) 3.73%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 0.00

Part III - Indirect Cost Rate Calculation (Funds 01, 09, and 62, unless indicated otherwise)

A. Indirect Costs

1. Other General Administration, less portion charged to restricted resources or specific goals
(Functions 7200-7600, objects 1000-5999, minus Line B9) 677,198.96
2. Centralized Data Processing, less portion charged to restricted resources or specific goals
(Function 7700, objects 1000-5999, minus Line B10) 8,700.00

3. External Financial Audit - Single Audit (Function 7100, resources 0000-1999, goals 0000 and 9000, objects 5000 - 5999)	0.00
4. Staff Relations and Negotiations (Function 7120, resources 0000-1999, goals 0000 and 9000, objects 1000 - 5999)	7,500.00
5. Plant Maintenance and Operations (portion relating to general administrative offices only) (Functions 8100-8400, objects 1000-5999 except 5100, times Part I, Line C)	35,044.23
6. Facilities Rents and Leases (portion relating to general administrative offices only) (Function 8700, resources 0000-1999, objects 1000-5999 except 5100, times Part I, Line C)	10,521.17
7. Adjustment for Employment Separation Costs	
a. Plus: Normal Separation Costs (Part II, Line A)	0.00
b. Less: Abnormal or Mass Separation Costs (Part II, Line B)	0.00
8. Total Indirect Costs (Lines A1 through A7a, minus Line A7b)	738,984.35
9. Carry-Forward Adjustment (Part IV, Line F)	(295,192.34)
10. Total Adjusted Indirect Costs (Line A8 plus Line A9)	443,772.01
B. Base Costs	
1. Instruction (Functions 1000-1999, objects 1000-5999 except 5100)	7,493,016.41
2. Instruction-Related Services (Functions 2000-2999, objects 1000-5999 except 5100)	2,984,100.76
3. Pupil Services (Functions 3000-3999, objects 1000-5999 except 4700 and 5100)	1,423,321.95
4. Ancillary Services (Functions 4000-4999, objects 1000-5999 except 5100)	7,500.00
5. Community Services (Functions 5000-5999, objects 1000-5999 except 5100)	0.00
6. Enterprise (Function 6000, objects 1000-5999 except 4700 and 5100)	0.00
7. Board and Superintendent (Functions 7100-7180, objects 1000-5999, minus Part III, Line A4)	244,364.00
8. External Financial Audit - Single Audit and Other (Functions 7190-7191, objects 5000 - 5999, minus Part III, Line A3)	15,000.00
9. Other General Administration (portion charged to restricted resources or specific goals only) (Functions 7200-7600, resources 2000-9999, objects 1000-5999; Functions 7200-7600, resources 0000-1999, all goals except 0000 and 9000, objects 1000-5999)	3,701.00
10. Centralized Data Processing (portion charged to restricted resources or specific goals only) (Function 7700, resources 2000-9999, objects 1000-5999; Function 7700, resources 0000-1999, all goals except 0000 and 9000, objects 1000-5999)	0.00
11. Plant Maintenance and Operations (all except portion relating to general administrative offices) (Functions 8100-8400, objects 1000-5999 except 5100, minus Part III, Line A5)	904,479.23
12. Facilities Rents and Leases (all except portion relating to general administrative offices) (Function 8700, objects 1000-5999 except 5100, minus Part III, Line A6)	271,547.70
13. Adjustment for Employment Separation Costs	
a. Less: Normal Separation Costs (Part II, Line A)	0.00
b. Plus: Abnormal or Mass Separation Costs (Part II, Line B)	0.00
14. Student Activity (Fund 08, functions 4000-5999, objects 1000-5999 except 5100)	1,500.00
15. Adult Education (Fund 11, functions 1000-6999, 8100-8400, and 8700, objects 1000-5999 except 5100)	0.00
16. Child Development (Fund 12, functions 1000-6999, 8100-8400 & 8700, objects 1000-5999 except 4700 & 5100)	493,675.00
17. Cafeteria (Funds 13 & 61, functions 1000-6999, 8100-8400 & 8700, objects 1000-5999 except 4700 & 5100)	382,806.00
18. Foundation (Funds 19 & 57, functions 1000-6999, 8100-8400 & 8700, objects 1000-5999 except 4700 & 5100)	0.00
19. Total Base Costs (Lines B1 through B12 and Lines B13b through B18, minus Line B13a)	14,225,012.06
C. Straight Indirect Cost Percentage Before Carry-Forward Adjustment	
(For information only - not for use when claiming/recovering indirect costs)	
(Line A8 divided by Line B19)	5.19%
D. Preliminary Proposed Indirect Cost Rate	
(For final approved fixed-with-carry-forward rate for use in 2025-26 see www.cde.ca.gov/fg/ac/ic/)	
(Line A10 divided by Line B19)	3.12%
Part IV - Carry-forward Adjustment	
The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates	

the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8) 738,964.35

B. Carry-forward adjustment from prior year(s)

1. Carry-forward adjustment from the second prior year 257,474.40
2. Carry-forward adjustment amount deferred from prior year(s), if any 0.00

C. Carry-forward adjustment for under- or over-recovery in the current year

1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (9.08%) times Part III, Line B19); zero if negative 0.00
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (9.08%) times Part III, Line B19) or (the highest rate used to recover costs from any program (9.48%) times Part III, Line B19); zero if positive (295,192.34)

D. Preliminary carry-forward adjustment (Line C1 or C2) (295,192.34)

E. Optional allocation of negative carry-forward adjustment over more than one year

Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.

Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation: 3.12%
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment (\$-147596.17) is applied to the current year calculation and the remainder (\$-147596.17) is deferred to one or more future years: 4.16%
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment (\$-98397.45) is applied to the current year calculation and the remainder (\$-196794.89) is deferred to one or more future years: 4.50%

LEA request for Option 1, Option 2, or Option 3

1

F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected) (295,192.34)

b. Other Uses	7630-7699	0.00	0.00%		0.00%	
10. Other Adjustments (Explain in Section F below)						
11. Total (Sum lines B1 thru B10)		5,350,288.00	-8.65%	4,887,436.00	1.54%	4,962,933.00
C. NET INCREASE (DECREASE) IN FUND BALANCE (Line A6 minus line B11)						
		(1,146,218.00)		(541,466.00)		(496,217.00)

Description	Object Codes	2024-25 Budget (Form 01) (A)	% Change (Cols. C-A/A) (B)	2025-26 Projection (C)	% Change (Cols. E-C/C) (D)	2026-27 Projection (E)
D. FUND BALANCE						
1. Net Beginning Fund Balance (Form 01, line F1e)		2,577,666.93		1,431,448.93		889,982.93
2. Ending Fund Balance (Sum lines C and D1)		1,431,448.93		889,982.93		393,765.93
3. Components of Ending Fund Balance						
a. Nonspendable	9710-9719	2,000.00		2,000.00		2,000.00
b. Restricted	9740					
c. Committed						
1. Stabilization Arrangements	9750	0.00				
2. Other Commitments	9760	0.00				
d. Assigned	9780	0.00				
e. Unassigned/Unappropriated						
1. Reserve for Economic Uncertainties	9789	370,212.00		347,650.00		351,948.00
2. Unassigned/Unappropriated	9790	1,059,236.93		540,332.93		39,817.93
f. Total Components of Ending Fund Balance (Line D3f must agree with line D2)		1,431,448.93		889,982.93		393,765.93
E. AVAILABLE RESERVES						
1. General Fund						
a. Stabilization Arrangements	9750	0.00		0.00		0.00
b. Reserve for Economic Uncertainties	9789	370,212.00		347,650.00		351,948.00
c. Unassigned/Unappropriated	9790	1,059,236.93		540,332.93		39,817.93
(Enter reserve projections for subsequent years 1 and 2 in Columns C and E; current year - Column A - is extracted.)						
2. Special Reserve Fund - Noncapital Outlay (Fund 17)						
a. Stabilization Arrangements	9750					
b. Reserve for Economic Uncertainties	9789	770,045.75				
c. Unassigned/Unappropriated	9790			0.00		0.00
3. Total Available Reserves (Sum lines E1a thru E2c)		2,199,494.68		887,982.93		391,765.93
F. ASSUMPTIONS						
Please provide below or on a separate attachment, the assumptions used to determine the projections for the first and second subsequent fiscal years. Further, please include an explanation for any significant expenditure adjustments projected in lines B1d, B2d, and B10. For additional information, please refer to the Budget Assumptions section of the SACS Financial Reporting Software User Guide.						
Salaries increased by 1.5% for Step/Column adjusts, STRS and PERS adjusted per SSC Dashboard, other benefits adjusted for increased salary amounts. Supplies and Services increased by 3% for inflation. Supplies reduced by new curriculum purchased, future years cost of supplemental materials continue. Services reduced for management consulting contracts.

4. Total Available Reserves - by Percent (Line E3 divided by Line F3c)		29.71%		13.25%		5.77%
F. RECOMMENDED RESERVES						
1. Special Education Pass-through Exclusions						
For districts that serve as the administrative unit (AU) of a special education local plan area (SELPA):						
a. Do you choose to exclude from the reserve calculation the pass-through funds distributed to SELPA members?	Yes					

Description	Object Codes	2024-25 Budget (Form 01) (A)	% Change (Cols. C-A/A) (B)	2025-26 Projection (C)	% Change (Cols. E-C/C) (D)	2026-27 Projection (E)
b. If you are the SELPA AU and are excluding special education pass-through funds:						
1. Enter the name(s) of the SELPA(s):						
2. Special education pass-through funds						
(Column A: Fund 10, resources 3300-3499, 6500-6540 and 6546, objects 7211-7213 and 7221-7223; enter projections for subsequent years 1 and 2 in Columns C and E)						
		0.00				
2. District ADA						
Used to determine the reserve standard percentage level on line F3d (Col. A: Form A, Estimated P-2 ADA column, Lines A4 and C4; enter projections)						
		276.21		276.21		276.21
3. Calculating the Reserves						
a. Expenditures and Other Financing Uses (Line B11)		7,404,234.00		6,703,004.00		6,788,989.00
b. Plus: Special Education Pass-through Funds (Line F1b2, if Line F1a is No)		0.00		0.00		0.00
c. Total Expenditures and Other Financing Uses (Line F3a plus line F3b)		7,404,234.00		6,703,004.00		6,788,989.00
d. Reserve Standard Percentage Level (Refer to Form 01CS, Criterion 10 for calculation details)		5.00%		5.00%		5.00%
e. Reserve Standard - By Percent (Line F3c times F3d)		370,211.70		335,150.20		339,448.45

Provide methodology and assumptions used to estimate ADA, enrollment, revenues, expenditures, reserves and fund balance, and multiyear commitments (including cost-of-living adjustments)
Deviations from the standards must be explained and may affect the approval of the budget

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Projected funded average daily attendance (ADA) has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years by more than the following percentage levels:

	Percentage Level	District ADA
	3.0%	0 to 300
	2.0%	301 to 1,000
	1.0%	1,001 and over
District ADA (Form A, Estimated P-2 ADA column, lines A4 and C4):	276.21	
District's ADA Standard Percentage Level:	3.0%	

1A. Calculating the District's ADA Variances

DATA ENTRY: For the Third, Second, and First Prior Years, enter Estimated Funded ADA in the Original Budget Funded ADA column; enter district regular ADA and charter school ADA corresponding to financial data reported in the General Fund, only, for the Third, Second, and First Prior Years. All other data are extracted.

Fiscal Year		Original Budget Funded ADA (Form A, Lines A4 and C4)	Estimated/Unaudited Actuals Funded ADA (Form A, Lines A4 and C4)	ADA Variance Level (If Budget is greater than Actuals, else N/A)	Status
Third Prior Year (2021-22)	District Regular	348	348		
	Charter School				
	Total ADA	348	348	0.0%	Met
Second Prior Year (2022-23)	District Regular	329	329		
	Charter School				
	Total ADA	329	329	0.1%	Met
First Prior Year (2023-24)	District Regular	305	305		
	Charter School		0		
	Total ADA	305	305	N/A	Met
Budget Year (2024-25)	District Regular	281			
	Charter School	0			
	Total ADA	281			

1B. Comparison of District ADA to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for the first prior year.

Explanation:
(required if NOT met)

- 1b. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation:
(required if NOT met)

2. CRITERION: Enrollment

STANDARD: Projected enrollment has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years by more than the following percentage levels:

Percentage Level	District ADA
3.0%	0 to 300
2.0%	301 to 1,000
1.0%	1,001 and over

District ADA (Form A, Estimated P-2 ADA column, lines A4 and C4): 278.2

District's Enrollment Standard Percentage Level: 3.0%

2A. Calculating the District's Enrollment Variances

DATA ENTRY: Enter data in the Enrollment, Budget, column for all fiscal years and in the Enrollment, CALPADS Actual column for the First Prior Year; all other data are extracted or calculated. CALPADS Actual enrollment data preloaded in the District Regular lines will include both District Regular and Charter School enrollment. Districts will need to adjust the District Regular enrollment lines and the Charter School enrollment lines accordingly. Enter district regular enrollment and charter school enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

Fiscal Year	Budget	Enrollment CALPADS Actual	Enrollment Variance Level (If Budget is greater than Actual, else N/A)	Status
Third Prior Year (2021-22)				
District Regular	309	308		
Charter School				
Total Enrollment	309	308	0.3%	Met
Second Prior Year (2022-23)				
District Regular	307	307		
Charter School				
Total Enrollment	307	307	0.0%	Met
First Prior Year (2023-24)				
District Regular	297	297		
Charter School				
Total Enrollment	297	297	0.0%	Met
Budget Year (2024-25)				
District Regular	297			
Charter School				
Total Enrollment	297			

2B. Comparison of District Enrollment to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Enrollment has not been overestimated by more than the standard percentage level for the first prior year.

Explanation:
(required if NOT met)

1b. STANDARD MET - Enrollment has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation:
(required if NOT met)

3. CRITERION: ADA to Enrollment

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the budget year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).

3A. Calculating the District's ADA to Enrollment Standard

DATA ENTRY: All data are extracted or calculated. Data should reflect district regular and charter school ADA/enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

Fiscal Year	P-2 ADA Estimated/Unaudited Actuals (Form A, Lines A4 and C4)	Enrollment CALPADS Actual (Criterion 2, Item 2A)	Historical Ratio of ADA to Enrollment
Third Prior Year (2021-22)			
District Regular	269	308	
Charter School		0	
Total ADA/Enrollment	269	308	87.4%
Second Prior Year (2022-23)			
District Regular	278	307	
Charter School	0		
Total ADA/Enrollment	278	307	90.4%
First Prior Year (2023-24)			
District Regular	276	297	
Charter School			
Total ADA/Enrollment	276	297	93.0%
		Historical Average Ratio:	90.3%
		District's ADA to Enrollment Standard (historical average ratio plus 0.5%):	90.8%

3B. Calculating the District's Projected Ratio of ADA to Enrollment

DATA ENTRY: Enter data in the Estimated P-2 ADA column for the two subsequent years. Enter data in the Enrollment column for the two subsequent years. Data should reflect district regular and charter school ADA/enrollment corresponding to financial data reported in the General Fund only, for all fiscal years. All other data are extracted or calculated.

Fiscal Year	Estimated P-2 ADA Budget (Form A, Lines A4 and C4)	Enrollment Budget/Projected (Criterion 2, Item 2A)	Ratio of ADA to Enrollment	Status
Budget Year (2024-25)				
District Regular	276	297		
Charter School	0			
Total ADA/Enrollment	276	297	93.0%	Not Met
1st Subsequent Year (2025-26)				
District Regular	276	297		
Charter School				
Total ADA/Enrollment	276	297	92.6%	Not Met
2nd Subsequent Year (2026-27)				
District Regular	276	297		
Charter School				
Total ADA/Enrollment	276	297	92.6%	Not Met

3C. Comparison of District ADA to Enrollment Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a STANDARD NOT MET - Projected P-2 ADA to enrollment ratio is above the standard for one or more of the budget or two subsequent fiscal years. Provide reasons why the projected ratio exceeds the district's historical average ratio by more than 0.5%.

Explanation:
(required if NOT met)

During COVID, the district student attendance as low as 87.4%. The district has worked hard over the past 2 years to bring this up to 93% which is greater than the 0.5% this criterion is looking at

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's cost-of-living adjustment (COLA), plus or minus one percent

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's COLA, plus or minus one percent

4A. District's LCFF Revenue Standard

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies

LCFF Revenue Standard selected: LCFF Revenue

4A1. Calculating the District's LCFF Revenue Standard

DATA ENTRY: Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated. Enter data for Steps 2a through 2b1. All other data is calculated.

Projected LCFF Revenue

	Prior Year (2023-24)	Budget Year (2024-25)	1st Subsequent Year (2025-26)	2nd Subsequent Year (2026-27)
Step 1 - Change in Population				
a. ADA (Funded) (Form A, lines A6 and C4)	305.07	281.16	276.69	276.21
b. Prior Year ADA (Funded)		305.07	281.16	276.69
c. Difference (Step 1a minus Step 1b)		(23.91)	(4.47)	(.48)
d. Percent Change Due to Population (Step 1c divided by Step 1b)		(7.84%)	(1.59%)	(.17%)
Step 2 - Change in Funding Level				
a. Prior Year LCFF Funding		4,328,794.00	4,482,316.00	4,613,530.00
b1. COLA percentage		1.07%	2.93%	3.08%
b2. COLA amount (proxy for purposes of this criterion)		46,316.10	131,331.66	142,096.72
c. Percent Change Due to Funding Level (Step 2b2 divided by Step 2a)		1.07%	2.93%	3.08%
Step 3 - Total Change in Population and Funding Level (Step 1d plus Step 2c)		(6.77%)	1.34%	2.91%
LCFF Revenue Standard (Step 3, plus/minus 1%):		-7.77% to -5.77%	0.34% to 2.34%	1.91% to 3.91%

4A2. Alternate LCFF Revenue Standard - Basic Aid

DATA ENTRY: If applicable to your district, input data in the 1st and 2nd Subsequent Year columns for projected local property taxes; all other data are extracted or calculated.

Basic Aid District Projected LCFF Revenue

	Prior Year (2023-24)	Budget Year (2024-25)	1st Subsequent Year (2025-26)	2nd Subsequent Year (2026-27)
Projected Local Property Taxes (Form 01, Objects 8021 - 8089)	384,531.00	381,668.00		
Percent Change from Previous Year		N/A	N/A	N/A
Basic Aid Standard (percent change from previous year, plus/minus 1%):		N/A	N/A	N/A

4A3. Alternate LCFF Revenue Standard - Necessary Small School

DATA ENTRY: All data are extracted or calculated

Necessary Small School District Projected LCFF Revenue

	Budget Year (2024-25)	1st Subsequent Year (2025-26)	2nd Subsequent Year (2026-27)
Necessary Small School Standard (COLA Step 2c, plus/minus 1%):	N/A	N/A	N/A

4B. Calculating the District's Projected Change in LCFF Revenue

DATA ENTRY: Enter data in the 1st and 2nd Subsequent Year columns for LCFF Revenue; all other data are extracted or calculated

	Prior Year (2023-24)	Budget Year (2024-25)	1st Subsequent Year (2025-26)	2nd Subsequent Year (2026-27)
LCFF Revenue (Fund 01, Objects 8011, 8012, 8020-8089)	4,772,828.00	4,477,857.00	4,632,861.00	4,764,238.00
District's Projected Change in LCFF Revenue:		(6.18%)	3.46%	2.84%
LCFF Revenue Standard		-7.77% to -5.77%	0.34% to 2.34%	1.91% to 3.91%
Status:		Met	Not Met	Met

4C. Comparison of District LCFF Revenue to the Standard

DATA ENTRY: Enter an explanation if the standard is not met

- 1a STANDARD NOT MET - Projected change in LCFF revenue is outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard(s) and a description of the methods and assumptions used in projecting LCFF revenue

Explanation:
(required if NOT met)

This criterion was not met in the 2nd subsequent year due to changes in ADA calculation and other state changes per School Services Dashboard and FCMAT LCFF Calculator

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage

5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: All data are extracted or calculated

	Estimated/Unaudited Actuals - Unrestricted (Resources 0000-1999)		Ratio	
	Salaries and Benefits	Total Expenditures	of Unrestricted Salaries and Benefits	
Fiscal Year	(Form 01, Objects 1000-3999)	(Form 01, Objects 1000-7499)	to Total Unrestricted Expenditures	
Third Prior Year (2021-22)	2,269,923.69	3,146,321.75	72.1%	
Second Prior Year (2022-23)	2,575,516.21	3,929,722.72	65.5%	
First Prior Year (2023-24)	3,649,230.00	6,112,377.03	59.7%	
	Historical Average Ratio:		65.8%	
		Budget Year	1st Subsequent Year	2nd Subsequent Year
		(2024-25)	(2025-26)	(2026-27)
District's Reserve Standard Percentage (Criterion 10B, Line 4):		5.0%	5.0%	5.0%
District's Salaries and Benefits Standard				
(historical average ratio, plus/minus the greater				
of 3% or the district's reserve standard percentage):		60.8% to 70.8%	60.8% to 70.8%	60.8% to 70.8%

5B. Calculating the District's Projected Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: If Form MYP exists, Unrestricted Salaries and Benefits, and Total Unrestricted Expenditures data for the 1st and 2nd Subsequent Years will be extracted; if not, enter data for the two subsequent years. All other data are extracted or calculated.

Fiscal Year	Budget - Unrestricted		Ratio	
	Salaries and Benefits	Total Expenditures	of Unrestricted Salaries and Benefits	
	(Form 01, Objects 1000-3999)	(Form 01, Objects 1000-7499)	to Total Unrestricted Expenditures	
	(Form MYP, Lines B1-B3)	(Form MYP, Lines B1-B8, B10)		Status
Budget Year (2024-25)	3,785,698.00	5,350,288.00	70.8%	Met
1st Subsequent Year (2025-26)	3,832,702.00	4,887,436.00	78.4%	Not Met
2nd Subsequent Year (2026-27)	3,880,324.00	4,962,933.00	78.2%	Not Met

5C. Comparison of District Salaries and Benefits Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a STANDARD NOT MET - Projected ratio(s) of unrestricted salary and benefit costs to total unrestricted expenditures are outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard, a description of the methods and assumptions used in projecting salaries and benefits, and what changes, if any, will be made to bring the projected salary and benefit costs within the standard.

Explanation:
(required if NOT met)

Salaries and benefits continue to increase each year and as a result other expenditures are reviewed to maintain fiscal solvency.

6. CRITERION: Other Revenues and Expenditures

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent

For each major object category, changes that exceed the percentage change in population and the funded COLA plus or minus five percent must be explained

6A. Calculating the District's Other Revenues and Expenditures Standard Percentage Ranges

DATA ENTRY: All data are extracted or calculated

	Budget Year (2024-25)	1st Subsequent Year (2025-26)	2nd Subsequent Year (2026-27)
1 District's Change in Population and Funding Level (Criterion 4A1, Step 3):	(6.77%)	1.34%	2.91%
2. District's Other Revenues and Expenditures Standard Percentage Range (Line 1, plus/minus 10%):	-16.77% to 3.23%	-8.68% to 11.34%	-7.09% to 12.91%
3. District's Other Revenues and Expenditures Explanation Percentage Range (Line 1, plus/minus 5%):	-11.77% to -1.77%	-3.65% to 6.34%	-2.09% to 7.91%

6B. Calculating the District's Change by Major Object Category and Comparison to the Explanation Percentage Range (Section 6A, Line 3)

DATA ENTRY: If Form MYP exists, the 1st and 2nd Subsequent Year data for each revenue and expenditure section will be extracted; If not, enter data for the two subsequent years. All other data are extracted or calculated

Explanations must be entered for each category if the percent change for any year exceeds the district's explanation percentage range.

Object Range / Fiscal Year	Amount	Percent Change Over Previous Year	Change is Outside Explanation Range
Federal Revenue (Fund 01, Objects 6100-6200) (Form MYP, Line A2)			
First Prior Year (2023-24)	1,925,706.00		
Budget Year (2024-25)	517,794.00	(73.11%)	Yes
1st Subsequent Year (2025-26)	517,794.00	0.00%	No
2nd Subsequent Year (2026-27)	517,794.00	0.00%	No

Explanation:
(required if Yes)

Federal revenues adjusted for one time funding

Other State Revenue (Fund 01, Objects 6300-6599) (Form MYP, Line A3)			
First Prior Year (2023-24)	1,046,682.00		
Budget Year (2024-25)	916,276.00	(12.46%)	Yes
1st Subsequent Year (2025-26)	916,276.00	0.00%	No
2nd Subsequent Year (2026-27)	916,276.00	0.00%	No

Explanation:
(required if Yes)

State revenues adjusted for one time funding

Other Local Revenue (Fund 01, Objects 6600-6799) (Form MYP, Line A4)			
First Prior Year (2023-24)	460,470.00		
Budget Year (2024-25)	449,285.00	(2.43%)	No
1st Subsequent Year (2025-26)	449,285.00	0.00%	No
2nd Subsequent Year (2026-27)	449,285.00	0.00%	No

Explanation:
(required if Yes)

88C. Cost Analysis of District's Labor Agreements - Management/Supervisor/Confidential Employees

DATA ENTRY: Enter all applicable data items; there are no extractions in this section

	Prior Year (2nd Interim) (2023-24)	Budget Year (2024-25)	1st Subsequent Year (2025-26)	2nd Subsequent Year (2026-27)
Number of management, supervisor, and confidential FTE positions	9	9	9	9

Management/Supervisor/Confidential

Salary and Benefit Negotiations

1 Are salary and benefit negotiations settled for the budget year?

No

If Yes, complete question 2

If No, identify the unsettled negotiations including any prior year unsettled negotiations and then complete questions 3 and 4

If n/a, skip the remainder of Section 88C.

Negotiations Settled

2 Salary settlement:

Budget Year
(2024-25)

1st Subsequent Year
(2025-26)

2nd Subsequent Year
(2026-27)

Is the cost of salary settlement included in the budget and multiyear projections (MYPs)?

Total cost of salary settlement
% change in salary schedule from prior year (may enter text, such as "Reopener")

Negotiations Not Settled

3 Cost of a one percent increase in salary and statutory benefits

6377

Budget Year
(2024-25)

1st Subsequent Year
(2025-26)

2nd Subsequent Year
(2026-27)

4 Amount included for any tentative salary schedule increases

0

0

0

Management/Supervisor/Confidential

Health and Welfare (H&W) Benefits

1 Are costs of H&W benefit changes included in the budget and MYPs?

2 Total cost of H&W benefits

3 Percent of H&W cost paid by employer

4 Percent projected change in H&W cost over prior year

Budget Year
(2024-25)

1st Subsequent Year
(2025-26)

2nd Subsequent Year
(2026-27)

Management/Supervisor/Confidential

Step and Column Adjustments

1 Are step & column adjustments included in the budget and MYPs?

2 Cost of step and column adjustments

3 Percent change in step & column over prior year

Budget Year
(2024-25)

1st Subsequent Year
(2025-26)

2nd Subsequent Year
(2026-27)

Management/Supervisor/Confidential

Other Benefits (mileage, bonuses, etc.)

1 Are costs of other benefits included in the budget and MYPs?

2 Total cost of other benefits

3 Percent change in cost of other benefits over prior year

Budget Year
(2024-25)

1st Subsequent Year
(2025-26)

2nd Subsequent Year
(2026-27)

89. Local Control and Accountability Plan (LCAP)

Confirm that the school district's governing board has adopted an LCAP or an update to the LCAP effective for the budget year

DATA ENTRY: Click the appropriate Yes or No button in item 1, and enter the date in item 2.

1 Did or will the school district's governing board adopt an LCAP or an update to the LCAP effective for the budget year?

Yes

2. Adoption date of the LCAP or an update to the LCAP.

Jun 25, 2024

90. LCAP Expenditures

Confirm that the school district's budget includes the expenditures necessary to implement the LCAP or annual update to the LCAP.

DATA ENTRY: Click the appropriate Yes or No button.

Does the school district's budget include the expenditures necessary to implement the LCAP or annual update to the LCAP as described in the Local Control and Accountability Plan and Annual Update Template?

Yes

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review. DATA ENTRY: Click the appropriate Yes or No button for Items A1 through A9 except Item A3, which is automatically completed based on data in Criterion 2.

A1.	Do cash flow projections show that the district will end the budget year with a negative cash balance in the general fund?	No
A2.	Is the system of personnel position control independent from the payroll system?	Yes
A3.	Is enrollment decreasing in both the prior fiscal year and budget year? (Data from the enrollment budget column and actual column of Criterion 2A are used to determine Yes or No)	No
A4.	Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior fiscal year or budget year?	No
A5.	Has the district entered into a bargaining agreement where any of the budget or subsequent years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?	No
A6.	Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?	No
A7.	Is the district's financial system independent of the county office system?	No
A8.	Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education)	No
A9.	Have there been personnel changes in the superintendent or chief business official positions within the last 12 months?	Yes

When providing comments for additional fiscal indicators, please include the item number applicable to each comment.

End of School District Budget Criteria and Standards Review

ITEM: West Park Elementary Parenting Classes with FCSS

PRESENTER: Dr. Clark, Superintendent of West Park Elementary School District

Date: June 25th, 2024

Action: Request for Approval

Attached is the proposed parenting classes for the 2024-2025 school year in partnership with FCSS.

Fresno County Superintendent of Schools

Dr. Michele Cantwell-Copher, Superintendent

June 17, 2024

Irene Garcia, Principal
West Park Elementary School
2695 S. Valentine Avenue
Fresno, CA 93706

Dear Ms. Garcia:

Thank you for allowing FCSS Parent Empowerment Program to work with and continue to provide parent training to your District for the 2024-25 academic school year. Please have Dr. Clark signs the selection form as soon as he approves the selected workshop topics.

Please do not hesitate to contact us at (559) 265-3032 or (559) 265-3033 or via email at psinpraseuth@fcoe.org or snhim@fcoe.org for further questions.

Sincerely,

Paul P. Sinpraseuth,
Parent Trainer
Parent Empowerment Program
Office of the Fresno County Superintendent of Schools

Spring Break: April 14-21/2025

Updated: 06/13/2024

ITEM: Media Proposal

PRESENTER: Dr. Clark, Superintendent of West Park Elementary School District

Date: June 25, 2024

Action: Request for Approval

In an effort to grow the number of WPESD enrolled students at both West Park Elementary School and West Park Charter Academy we are presenting a partnership with KSEE 24 Media Team. The KSEE 24 Media Team will work hand in hand with the WPESD Team to create a media broadcasting that will be on air for three months as well as a digital campaign. Our goal is to reach families potentially looking to make an educational change for their students, and show them what West Park Elementary School District has to offer.

Why We Love Video Marketing

Your brain loves videos!

Studies have shown that the average viewer retains 95% of a message when they watch it, as opposed to a mere 10% retention rate when reading it.

If a picture is worth a thousand words, then a video is priceless.

Your brain processes visual information 60,000 times faster than text-only content.

Monthly Media Plan

TV: 3 Weeks Per Month
Digital: Always On

Station	Program	Time Period	Days	Length	# Commercials
KSEE 24	Morning News Rotation	5a-9a	Mon-Fri	:15	9x
KSEE 24	Morning News Rotation	5a-9a	Mon-Fri	:30	6x
KSEE 24	Daytime	9a-12p	Mon-Fri	:15	6x
KSEE 24	Daytime	9a-12p	Mon-Fri	:30	9x
KSEE 24	Early Evening News Rotation	5p-7p	Mon-Fri	:15	9x
KSEE 24	Early Evening News Rotation	5p-7p	Mon-Fri	:30	12x

ITEM: Approval of Funding for Consolidated Federal Categorical Aid Programs for 2024-2025

FROM: Tamita Boyd

DATE: June 25, 2024

The Consolidate Application for Federal Categorical Programs (ConApp) must be submitted to the California Department of Education (CDE) for the district to receive funds for federal categorical programs. The application is submitted online through a web-based Consolidated Application Reporting System (CARS). The online system has three data collection reporting periods: Winter, Spring and Fall. The Spring data collection for 2024-2025 application is to be transmitted to the state by June 30.

District needs board approval of the application and to indicated West Park Elementary School Districts requests participation in federal programs including: Title I Part A, Basic Grant (Low Income/Low Achieving students), Title II Part A (Supporting Effective Instruction), Title III, Part A (English Learner), Title IV, Part A (Student and School Support), and Title V, Part B Subpart 1 Small, Rural School Achievement Grant). As a requirement of the Elementary and Secondary Education Act (ESEA), the district continues to make the necessary adjustments and modifications to meet the continuing legislative provisions of the aforementioned programs.

At each data collection reporting period, the district reports on budget and actual expenditures for each program.

District staff requests the board to approve the Consolidated Application for the 2024-2025 school year.

2024–25 Application for Funding**CDE Program Contact:**Consolidated Application Support Desk, Education Data Office, ConAppSupport@cde.ca.gov, 916-319-0297**Local Governing Board Approval**

The local educational agency (LEA) is required to review and receive approval of their Application for Funding selections with their local governing board.

By checking this box the LEA certifies that the Local Board has approved the Application for Funding for the listed fiscal year	Yes
---	-----

District English Learner Advisory Committee Review

Per Title 5 of the California Code of Regulations Section 11308, if your LEA has more than 50 English learners, then the LEA must establish a District English Learner Advisory Committee (DELAC) which shall review and advise on the development of the application for funding programs that serve English learners.

By checking this box the LEA certifies that parent input has been received from the District English Learner Committee (if applicable) regarding the spending of Title III funds for the listed fiscal year	Yes
---	-----

Application for Categorical Programs

To receive specific categorical funds for a school year, the LEA must apply for the funds by selecting Yes below. Only the categorical funds that the LEA is eligible to receive are displayed.

Title I, Part A (Basic Grant) ESSA Sec. 1111 et seq. SACS 3010	Yes
Title II, Part A (Supporting Effective Instruction) ESEA Sec. 2104 SACS 4035	Yes
Title II, Part A funds used through the Alternative Fund Use Authority (AFUA) Section 5211 of ESEA	No
Title III English Learner ESEA Sec. 3102 SACS 4203	Yes
Title III Immigrant ESEA Sec. 3102 SACS 4201	No
Title IV, Part A (Student and School Support) ESSA Sec. 4101 SACS 4127	Yes
Title IV, Part A funds used through the Alternative Fund Use Authority (AFUA)	No

	<input type="checkbox"/>	
	<input type="checkbox"/>	

Rubber stamp signatures or machine signatures authorized for use on maintenance checks and/or registers Yes
No X. Only such facsimile signatures may be used, which have met the requirements of Government Code 5501
(copy enclosed). I certify this requirement has been met.

Sample(s) of such signature: _____

By order of the Governing Board of West Park Elementary School District of Fresno County,
California.

Clerk of the Board

Date

Rev. 05/15/24

EDUCATION CODE 42632

Each order drawn on the funds of a school district shall be signed by at least a majority of the members of the governing board of the district, or by a person or persons authorized by the governing board to sign orders in its name. No person other than an officer or employee of the district shall be authorized to sign orders.

EDUCATION CODE 42633

The governing board of each school district shall be responsible for filing or causing to be filed with the county superintendent of schools the verified signature of each person, including members of the governing board, authorized to sign orders in its name. Except for districts determined to be fiscally accountable pursuant to Section 42650, no order on the funds of any school district shall be approved by the county superintendent of schools unless the signatures are on file in his office and he is satisfied that the signatures on the order are those of persons authorized to sign the order.

GOVERNMENT CODE 5501

Any authorized officer may, after filing with the Secretary of State his manual signature certified by him under oath, execute or cause to be executed with a facsimile signature in lieu of his manual signature:

- (a) Any public security, provided that at least one signature required or permitted to be placed thereon shall be manually subscribed; and
- (b) Any instrument of payment.

Upon compliance with this section by the authorized officer, his facsimile signature has the same legal effect as his manual signature.

fresno county superintendent of schools

Dr. Michele Cantwell-Copher, Superintendent

Mailing Permit

All routine district finance mail will be directed to the district office at the address listed in the *Fresno County Schools Directory*, unless otherwise specified on a Mailing Permit. Mailing Permits remain valid until replaced with updated versions. Updated contact and mailing information may be submitted at any time during the school year.

If your district's contact or mailing information needs to be updated, please fill out the form below and mail the original to the District Financial Services Department, Fresno County Superintendent of Schools, 1111 Van Ness Avenue, Fresno, CA 93721. This form may also be downloaded at www.fcoe.org/dfsdocs.
