#### West Park Elementary School

#### **District Profile**

The West Park Elementary School District was established in May 1885. It is a "single bell" district, which is symbolic of its independence and self-sufficiency. Located in a rural setting 7 miles southwest of Fresno major, the district currently operates a preschool (located at the main elementary campus and one at a partnering campus), a transitional kindergarten through eighth-grade elementary school, and a kindergarten through 12th grade charter school (located in Fresno and Hanford).

#### Principal's Message

West Park Elementary School is a K-8 school located in a rural setting 7 miles southwest of the city of Fresno. One-hundred percent of the students are transported. On the campus is a collaborative state preschool program that has earned a four-star rating.

Our goal is to work for each student to become a quality self-learner as they become:

- A better writer
- A better reader
- A better thinker
- A better person

West Park Elementary School continues to serve a diverse community that is traditionally strong in supporting family values.

West Park staff pushes forward to meet standards set forth by the state of California by presenting academic standards, checking for understanding, reteaching those areas that present a challenge, and differentiating the curriculum for students that require support in advancing their learning, or working to close gaps of performance for struggling students.

As we work with each family and each child, we can open the doors for a better future that has advancing opportunities that each student can walk away remembering as a foundation to their learning. We are proud of each and every person associated with West Park, and we would like to carry that tradition forward with each family in mind.

#### School Mission Statement

West Park Elementary School promotes continuous student achievement through:

- Standards-based curriculum
- Parent community partnership
- A safe and nurturing environment
- Cultural diversity

**Standards-Based Curriculum** aligned with state adoptions, state assessment (California Assessment of Student Performance and Progress, or CAASPP) and English language development. "Wolf-time" provides a schoolwide Response to Intervention strategy and Supplemental Educational Services (SES) provide after-school intervention and enrichment opportunities for students with identified needs.

**Parent Community Partnership** includes the School Site Council, English Learner Advisory Council (ELAC), English courses offered after school, a variety of chaperoning opportunities throughout the school year, teacher-parent conferences, and fundraising activities each quarter. The meetings are interwoven with Local Control and Accountability Plan input and updates.

A Safe and Nurturing Environment is supported through the Positive Behavioral Interventions and Supports (PBIS) program, which is practiced as PAWS:

Prepared and Responsible

Act Safely

Work Together

Show Respect

This project addresses incentives and consequences for student conduct and is the base for the uniformity of school climate.

**Cultural Diversity** is foundational to the West Park community with representation from the varying populations that are served and embraced with support of student resources beginning with meal preparations and opportunities for involvement in all aspects of the school.

#### School Vision Statement

West Park Elementary School envisions that every student leaves better than they entered.

All students are to be at grade level in their academic performance.

#### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

#### **District Mission Statement**

West Park Elementary School District promotes continuous student achievement through

- 1. Standards-based curriculum
- 2. Alternative educational opportunities
- 3. Parent community partnerships
- 4. Cultural diversity
- 5. A safe and nurturing environment

All students will realize their full potential to become lifelong learners who are responsible and productive citizens.

#### **District Vision Statement**

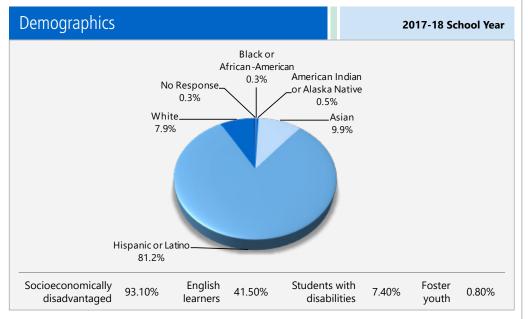

West Park educational community will continue to exceed its potential through respect, hard work and collaborative commitments.

#### Enrollment by Student Group

The total enrollment at the school was 393 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

### School Safety

West Park Elementary School is supported by the Injury & Illness Prevention Program supported by the Fresno County Self Insurance Group/OSS (Organization of Self-Insured Schools), which provides the template for the school's safety plan.

The plan is addressed annually with the superintendent and site managers.

The elements of the plan are communicated through the student-parent handbook so that procedures, protocols and contacts are communicated.

An ad hoc safety committee meets four times a year to discuss the safety trends of the site and needs that should be addressed in priority order. The team is representative of administrators and managers.

The superintendent has communicated that "safety" should be an agenda item at all meetings.

Specific areas of focus coupled with appropriate strategies to address concerns are featured in the school plan. Safety and discipline issues are addressed in the student handbook.

The Williams case items regarding facility and safety are audited annually. Ongoing audits include health and safety inspections from the fire marshal, food services and liability insurance carriers.

The following monthly drills are conducted:

1. Lockdown; 2. duck and cover; 3. evacuation/fire drill.

Annually, a bus evacuation drill is conducted early in the year.

The Maintenance, Operations and Transportation department lead and the superintendent inspect the facility on a monthly basis.

Visitors are required to check in at the office, sign in and wear a badge (a visitor pass) while on the campus. All gates, except one are locked during school hours. Yard supervisors are on duty before and during school hours. After-school activities are monitored by staff. West Park Elementary is contracted with the Fresno County Office of Education and Teaching Fellows for the after-school program and are trained to follow the regular school protocol for emergencies.

Safety policies are reviewed when necessary (regulatory updates) and are kept current to address contemporary issues such as bullying, cyberbullying, character discussions (decision-making), and health and wellness issues.

The school employs a social worker to assists families with support and resources for a healthier existence. This includes food banks, clothes closets, etc.

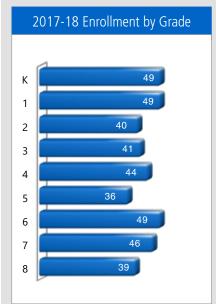

The three safety steps taken this past year are:

- · Camera setup and locations (on the school grounds and on the bus)
- Positive Behavioral Interventions and Supports (PBIS) for student accountability
- Schoolwide evacuation protocol with the Fresno Police Department

The school safety plan was last reviewed, updated and discussed with the school faculty in January 2019.

### Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

#### Professional Development

The annual calendar for the 2017-18 school year addresses and is monitored by administration for the following:

- English language arts (ELA) and math benchmarks
- Staff meetings, Professional Learning Communities (PLCs)

Benchmarks and standardized report cards are used to assess and monitor student progress and teacher performance targets.

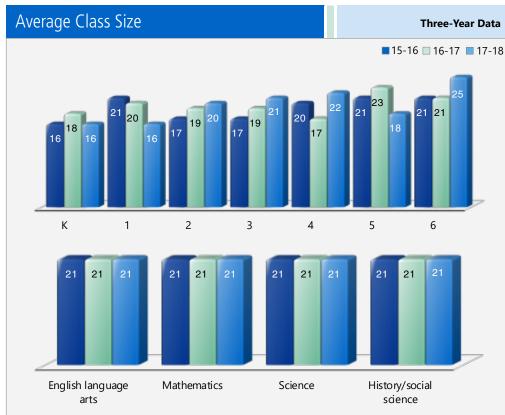

Teacher meetings of the month (minimum-day schedule) and professional learning communities are scheduled on Wednesdays with set agendas to focus on instructional practices. PLCs are scheduled a minimum of 3 times per week.

The staff is encouraged to continue their education and participate in professional development activities (i.e., Assembly Bill 476, Beginning Teacher Support and Assessment, Special Education and Charter Issues). In addition, state and local conferences and use of multimedia resources are advocated.

#### **Class Size Distribution**

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

#### Professional Development

#### Continued from page 3

The professional development at West Park Elementary School is ongoing and is targeted to address the instructional needs for students. The areas identified are:

- 1. Content development
  - ELA
  - Math
  - Writing Units of Study
- 2. Assessment preparation
  - Educator's Assessment Data Management System (EADMS) training and support
  - Common Core State Standards
    Plus
- 3. Technology resources and its applications
  - CUE conference is attended by management and teachers
  - Site instructional cabinet allows certificated staff to give input on technology status
- 4. Common Core training scheduled for the 2016-17 school year.
  - Fresno County Office of Education (FCOE) training
  - Lesson-planning development
  - Standards-based assessments
- 5. Supplemental resources

**Three-Year Data** 

- Literacy and math intervention
- Enrichment/strategic/intensive
- 6. Classroom management
  - Beginning Teacher Support and Assessment (BTSA)
- 7. Educator effectiveness
  - Teacher resources, books
  - Academic Coaching, Lesson
    Development/Planning
  - PLC data review

Teachers attend professional development throughout the year. All certificated staff attends orientation of the beginning of each year.

#### CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- 1. Aerobic Capacity
- 4. Abdominal Strength and Endurance
- 2. Body Composition

3. Flexibility

- 5. Upper Body Strength and Endurance
- 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

#### California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

#### California Alternate Assessments (CAA)

test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

#### Smarter Balanced Assessments

include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www. cde.ca.gov/ta/tg/ca.

#### CAASPP by Student Group: English Language Arts/ Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### Textbooks and Instructional Materials

SARC

West Park Elementary School follows state curriculum frameworks, district content and performance standards to support student achievement. The learning director met with Curriculum Committee to review textbooks for selection. State-adopted texts and instructional materials are reviewed and purchased for all grade levels. West Park Elementary students, including English learners, each have state-adopted texts in core curriculum. Curriculum is supplemented with multimedia tools (computer software, internet research, videos, CDs, etc.).

#### Parental Involvement

Parents and guardians engage in school-sponsored events:

- Breakfast with Santa
- Muffins with Moms
- Donuts with Dads
- Graham Crackers with Grandparents
- School carnival

- Winter and spring concerts
- Parent-teacher conferences
- School Site Council (SSC), English Advisory Council (ELAC)
- Second cup of coffee
- Local Control and Accountability Plan (LCAP) Meeting

West Park parents were also involved in a Migrant Education Consortia (six districts), allowing parents to communicate with regional area parents to compare school needs and issues.

Through the SSC and the ELAC, parents have the opportunity to get updates and give input on the Local Control and Accountability Plan.

Board meetings are held monthly on the second Monday of the month with an earmarked public session for district level communications. Agenda items are posted 72 hours in advance.

The school welcomes parents to visit the school during operations. Teachers and staff recruit parents for continuous support in fundraising events for the classroom. A school handbook is provided to guide the events of the year and to communicate critical contacts at the school. (Also available in Spanish.)

A computer phone dialer is used to announce events and communications to parents.

Daily attendance calls are made home to address absences or other attendance nuances that may be reflected on the students daily record.

For more information on how to become involved, please contact Superintendent Ralph Vigil at (559) 233-6501.

## Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject

#### Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks				
2018-19 School Year				
Criteria	Yes/No			
Are the textbooks adopted from the most recent state- approved or local governing- board-approved list?	Yes			
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes			
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes			

### School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status 2018-1		9 School Year	
Items Inspected	Repair Status		
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation	Good		
Interior: Interior surfaces (floors, ceilings, walls and window casings)	)	Good	
Cleanliness: Pest/vermin control, overall cleanliness		Good	
Electrical: Electrical systems	Good		
Restrooms/fountains: Restrooms, sinks and drinking fountains	Fair		
Safety: Fire safety, emergency systems, hazardous materials	Good		
Structural: Structural condition, roofs	Good		
External: Windows/doors/gates/fences, playgrounds/school ground	Good		
Overall summary of facility conditions	Good		
Date of the most recent school site inspection	8/15/2018		
Date of the most recent completion of the inspection form		8/15/2018	

### Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		201	018-19 School Year		
Items Inspected	Deficiencies and Action Tak	Date of Action			
Restrooms/fountains	Pipe leaks. Replace with faucet kits.		October 2018		

## School Facilities

West Park Elementary School makes a great effort to ensure the school is a clean, safe and functional learning environment.

#### Age of School Buildings

West Park Elementary campus includes 26 classrooms, a preschool building, administrative offices, a teacher workroom, staff break room, cafeteria, library, computer labs, server room, 14 restrooms rooms and storage space. The main campus was built between 1953 and 1958. Six of the classrooms were added in 1962. Four portables were added in 2000. The south end of the campus houses a workshop/transportation (barn). A computer learning center and charter office were added in 2003. Cameras have been installed to monitor public transition areas such as parking lots, campus entrances and exits, and areas of high traffic. A facility plan is located in the district office to upgrade the site with a new transportation building and a library. A modernization plan application was submitted in 2012, and the district is applying to recently designated state funds. Although the modernization plan needs to be readdressed, it includes upgrades in flooring, doors, sinks, plumbing, electrical and storage. West Park School District received a Proposition 39 Energy Efficiency grant in 2015 that provided solar energy, upgrades in heating, ventilating and air-conditioning (HVAC) units for rooms 1-8 and kindergarten; interior and exterior LED lighting in rooms 17-20; interior lighting in the elementary office and the staff break room; and exterior LED lighting in the quad area and end of wing 4. All work was completed by December 2016.

All classrooms and offices have internet access through direct connection or Wi-Fi access points. Bandwidth signaling was increased from 2MB to 100MB in March 2014. Each classroom has had a Promethean board (smart board), and the current technology plan intends to migrate the classrooms from smart boards to smart TVs. The two computer labs can host 30 students and is used for state assessments and classroom projects.

### Types of Services Funded

#### School Facilities - Continued from page 8

#### Maintenance and Repair

The school maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner and in alignment with facility regulations. A work-order process (requisition) is used to ensure efficient service response. Emergency repairs are given the highest priority. A "tech desk" request form for facility and maintenance service is available to all staff with a computer or internet device. It is also the district's role to assure that the Williams case facility initiative is compliant as is audited quarterly. Current upgrades and repairs are targeted in the kitchen. A new dishwasher was acquired, and currently a three-basin sink, hand-wash station and new stove hood are being incorporated.

#### **Cleaning Process and Schedule**

There is one Maintenance, Operations and Transportation department lead who manages maintenance schedules of three custodial staff members. Two work the day shift and two works the swing shift. Their duties include opening and closing the campus, routine repair and maintenance, groundskeeping, and daily cleaning of offices, bathrooms and all classrooms. The custodial staff also serve as the response team during emergency conditions—earthquake, lockdown and evacuation procedures. Asbestos Hazard Emergency Response Act (AHERA) updates are done by the maintenance staff. One individual is trained to support the areas that are suspected of asbestos and guides the process and records the work done in the specified areas. The asbestos report is kept in the main district office. Annual training and updates occurred in April 2015 and July 2016.

#### **Deferred Maintenance**

West Park Elementary continues to use deferred maintenance funds to keep the school site facility in good order. Routine replacement of HVAC filters, sewer filters, light replacements, painting, floor repair and door repair are typical in their routine procedures. Major replacements such as refrigerator compressors, electrical panel upgrades, blacktop resurfacing are generally outsourced. West Park Elementary maintenance and technicians comply with the Department of Industrial Relations (DIR) policies that require all facility projects costing more than \$1,000 to be registered on the California DIR website, posting job roles and pay rates for the workers completing the job.

#### **Teacher Qualifications**

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

#### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

#### Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

## Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

#### **Financial Data**

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

#### **District Financial Data**

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.
